**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

(d) On December 11, 2013, Chevron Corporation (“Chevron”) issued a press release announcing that on December 11, 2013, the Board of Directors, effective on January 15, 2014, elected Jon M. Huntsman Jr. to the Board and named Mr. Huntsman to the Board Nominating and Governance Committee and the Public Policy Committee. Also on that date, the Board approved a grant to Mr. Huntsman, effective on January 15, 2014, of restricted stock units, which is a prorated grant of the annual restricted stock unit award granted to directors under the Chevron Non-Employee Directors’ Equity Compensation and Deferral Plan. The number of stock units will be determined by multiplying the current equity retainer value (\$225,000) by a fraction, the numerator of which is the number of days from the effective date of Mr. Huntsman’s election to the day immediately preceding the 2014 annual meeting of stockholders and the denominator of which is the number of days from the 2013 annual meeting of stockholders to the day immediately preceding the 2014 annual meeting of stockholders, and dividing that product by the closing Chevron Common Stock price on the effective date of Mr. Huntsman’s election. The stock units vest on the day immediately preceding the 2014 annual meeting of stockholders. Mr. Huntsman will also be entitled to receive the annual cash retainer for non-employee Directors, which will be prorated and paid in monthly installments of \$12,500.

The press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

**Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

## ARTICLE I.

*The Board of Directors*

**SECTION 1. Authority of Board.** The business and affairs of Chevron Corporation (herein called the "Corporation") shall be managed by or under the direction of the Board of Directors (the "Board") or, if authorized by the Board, by or under the direction of one or more committees thereof, to the extent permitted by law and by the Board. Except as may be otherwise provided by law or these By-Laws or, in the case of a committee of the Board, by applicable resolution of the Board or such committee, the Board or any committee thereof may act by unanimous written consent or, at an authorized meeting at which a quorum is present, by the vote of the majority of the Directors present at the meeting. Except as may be otherwise provided by law, the Board shall have power to determine from time to time whether, and if allowed, when and under what conditions and regulations any of the accounts and books of the Corporation shall be open to inspection.

**SECTION 2. Number of Directors; Vacancies.** The authorized number of Directors who shall constitute the Board shall be fixed from time to time by resolution of the Board approved by at least a majority of the Directors then in office, provided that no such resolution other than a resolution to take effect as of the next election of Directors by the stockholders shall have the effect of reducing the authorized number of Directors to less than the number of Directors in office as of the effective time of the resolution.

Whenever there shall be fewer Directors in office than the authorized number of Directors, the Board may, by resolution approved by a majority of the Directors then in office, choose one or more additional Directors, each of whom shall hold office until the next annual meeting of stockholders and until his or her successor is duly elected.

**SECTION 3. Authorized Meetings of the Board.** The Board shall have authority to hold annual, regular and special meetings. An annual meeting of the Board may be held immediately after the conclusion of the annual meeting of the stockholders. Regular meetings of the Board may be held at such times as the Board may determine. Special meetings may be held if called by the Chairman of the Board, a Vice-Chairman of the Board, or by at least one third of the Directors then in office.

Notice of the time or place of a meeting may be given in person or by telephone by any officer of the Corporation, or transmitted electronically to the Director's home or office, or entrusted to a third party company or governmental entity for delivery to the Director's business address. Notice of annual or regular meetings is required only if the time for the meeting is changed or the meeting is not to be held at the principal executive offices of the Corporation. When notice is required, it shall be given not less than four hours prior to the time fixed for the meeting; provided, however, that if notice is transmitted electronically or entrusted to a third party for delivery, the electronic transmission shall be effected or the third party shall promise delivery by not later than the end of the day prior to the day fixed for the meeting. The Board may act at meetings held without required notice if all Directors consent to the holding of the meeting before, during or after the meeting.

At all meetings of the Board, a majority of the Directors then in office shall constitute a quorum for all purposes. If any meeting of the Board shall lack a quorum, a majority of the Directors present may adjourn the meeting from time to time, without notice, until a quorum is obtained.

**SECTION 4. *Committees.*** The Board may, by resolution approved by at least a majority of the authorized number of Directors, establish committees of the Board with such powers, duties and rules of procedure as may be provided by the resolutions of the Board establishing such committees. Any such committee shall have a secretary and report its actions to the Board.

**SECTION 5. *Compensation.*** Directors who are not also employees of the Corporation shall be entitled to such compensation for their service on the Board or any committee thereof as the Board may from time to time determine.

**SECTION 13. *Comptroller.*** The Comptroller shall be the principal accounting officer of the Corporation and shall have charge of the Corporation's books of accounts and records; and shall have such other powers and

The amounts and forms of compensation which each of such officers shall receive, and the manner and times of its payment, shall be determined by, or be in accordance with the direction of, the Board.

### **ARTICLE III** ***Stock and Stock Certificates***

**SECTION 1. *Stock.*** The Board or, to the extent permitted by the General Corporation Law of the State of Delaware, any committee of the Board expressly so authorized by resolution of the Board may authorize from time to time the issuance of new shares of the Corporation's Common Stock ("Common Stock") or any series of Preferred Stock ("Preferred Stock"), for such lawful consideration as may be approved by the Board or such committee, up to the limit of authorized shares of Common Stock or such series of Preferred Stock. The Board, the Executive Committee or any committee of the Board expressly so authorized by resolution of the Board may authorize from time to time the purchase on behalf of the Corporation for its treasury of issued and outstanding shares of Common Stock or Preferred Stock and the resale, assignment or other transfer by the Corporation of any such treasury shares.

**SECTION 2. *Stock Certificates.*** Shares of Stock of the Corporation shall be uncertificated and shall not be represented by certificates, except to the extent as may be required by applicable law or as may otherwise be authorized by the Secretary or an Assistant Secretary. Notwithstanding the foregoing, shares of Stock represented by a certificate and issued and outstanding on August 1, 2005 shall remain represented by a certificate until such certificate is surrendered to the Corporation.

In the event shares of Stock are represented by certificates, such certificates shall be registered upon the books of the Corporation and shall be signed by the Chairman of the Board, a Vice-Chairman of the Board or a Vice-President, together with the Secretary or an Assistant Secretary of the Corporation, shall bear the seal of the Corporation or a facsimile thereof, and shall be countersigned by a Transfer Agent and the Registrar for the Stock, each of whom shall by resolution of the Board be appointed with authority to act as such at the pleasure of the Board. No certificate for a fractional share of Common Stock shall be issued. Certificates of Stock signed by the Chairman of the Board, a Vice-Chairman of the Board or a Vice-President, together with the Secretary or an Assistant Secretary, being such at the time of such signing, if properly countersigned as set forth above by a

Transfer Agent and the Registrar, and if regular in other respects, shall be valid, whether such officers hold their respective positions at the date of issue or not. Any signature or countersignature on certificates of Stock may be an actual signature or a printed or engraved facsimile thereof.

**SECTION 3. *Lost or Destroyed Certificates.*** The Board or the Executive Committee may designate certain persons to authorize the issuance of new certificates of Stock or uncertificated shares to replace certificates alleged to have been lost or destroyed, upon the filing with such designated persons of both an affidavit or affirmation of such loss or destruction and a bond of indemnity or indemnity agreement covering the issuance of such replacement certificates or uncertificated shares, as may be requested by and be satisfactory to such designated persons.

**SECTION 4. *Stock Transfers.*** Transfer of shares of Stock represented by certificates shall be made on the books of the Corporation only upon the surrender of a valid certificate or certificates for not less than such number of shares, duly endorsed by the person named in the certificate or by an attorney lawfully constituted in writing. Transfer of uncertificated shares of Stock shall be made on the books of the Corporation upon receipt of proper transfer instructions from the registered owner of the uncertificated shares, an instruction from an approved source duly authorized by such owner or from an attorney lawfully constituted in writing. The Corporation may impose such additional conditions to the transfer of its Stock as may be necessary or appropriate for compliance with applicable law or to protect the Corporation, a Transfer Agent or the Registrar from liability with respect to such transfer.

**SECTION 5. *Stockholders of Record.*** The Board may fix a time as a record date for the determination of stockholders entitled to receive any dividend or distribution declared to be payable on any shares of the Corporation; or to vote upon any matter to be submitted to the vote of any stockholders of the Corporation; or to be present or to be represented by proxy at any meeting of the stockholders of the Corporation, which record date in the case of a meeting of the stockholders shall be not more than sixty nor less than ten days before the date set for such meeting; and only stockholders of record as of the record date shall be entitled to receive such dividend or distribution, or to vote on such matter, or to be present or represented by proxy at such meeting.

## ARTICLE IV

### *Meetings of Stockholders*

**SECTION 1. *Meetings of Stockholders.*** An annual meeting of the stockholders of the Corporation shall be held each year, at which Directors shall be elected to serve for the ensuing year and until their successors are elected. The time and place of any annual meeting of stockholders shall be determined by the Board in accordance with law.

Special meetings of the stockholders for any purpose or purposes, unless prohibited by law, may be called by the Board or the Chairman of the Board. The Chairman of the Board or the Secretary shall call a special meeting whenever requested in writing to do so by at least one third of the members of the Board or stockholders owning 15 percent of the shares of Common Stock of the Corporation then outstanding and entitled to vote at such meeting.

Written requests by stockholders must be signed by each stockholder, or a duly authorized agent, requesting the special meeting and state (i) the specific purpose of the meeting and the matters proposed to be acted on at the meeting, the reasons for conducting such business at the meeting, and any material interest in such business of the stockholders requesting the meeting; (ii) the name and address of each such stockholder; (iii) the number of shares of the Corporation's Common Stock owned of record or beneficially by each such stockholder. Stockholders may revoke their requests for a special meeting at any time by written revocation delivered to the Secretary. A

special meeting requested by stockholders shall be held at such date, time and place as may be fixed by the Board. However, a special meeting shall not be held if either (i) the Board has called or calls for an annual meeting of stockholders and the purpose of such annual meeting includes the purpose specified in the request, or (ii) an annual or special meeting was held not more than 12 months before the request to call the special meeting was received which included the purpose specified in the request. Business transacted at a special meeting requested by stockholders shall be limited to the purposes stated in the request for such special meeting, unless the Board submits additional matters to stockholders at any such special meeting.

**SECTION 2. *Conduct of Meetings.*** The Chairman of the Board, or such other officer as may preside at any meeting of the stockholders, shall have authority to establish, from time to time, such rules for the conduct of such meeting, and to take such action, as may in his judgment be necessary or proper for the conduct of the meeting and in the best interests of the Corporation and the stockholders in attendance in person or by proxy.

**SECTION 3. *Quorum for Action by Stockholders; Elections.*** At all elections or votes had for any purpose, there must be a majority of the outstanding shares of Common Stock represented. All elections for Directors shall be held by written ballot. A nominee for Director shall be elected to the Board of Directors if the votes cast “for” such nominee’s election exceed the votes cast “against” such nominee’s election, excluding abstentions; provided, however, that Directors shall be elected by a plurality of the votes cast at any meeting of the stockholders for which the number of nominees exceeds the number of Directors to be elected. Any Director nominated for reelection who receives a greater number of votes “against” his or her election than votes “for” such election shall submit his or her offer of resignation to the Board. The Board Nominating and Governance Committee shall consider all of the relevant facts and circumstances, including the Director’s qualifications, the Director’s past and expected future contributions to the Corporation, the overall composition of the Board and whether accepting the tendered resignation would cause the Corporation to fail to meet any applicable rule or regulation (including NYSE listing requirements and federal securities laws) and recommend to the Board the action to be taken with respect to such offer of resignation. Except as may otherwise be required by law, the Restated Certificate of Incorporation or these By-Laws, all other matters shall be decided by a majority of the votes cast affirmatively or negatively.

**SECTION 4. *Proxies.*** To the extent permitted by law, any stockholder of record may appoint a person or persons to act as the stockholder’s proxy or proxies at any stockholder meeting for the purpose of representing and voting the stockholder’s shares. The stockholder may make this appointment by any means the General Corporation Law of the State of Delaware specifically authorizes, and by any other means the Secretary of the Corporation may permit. Prior to any vote, and subject to any contract rights of the proxy holder, the stockholder may revoke the proxy appointment either directly or by the creation of a new appointment, which will automatically revoke the former one. The Inspector of Elections appointed for the meeting may establish requirements concerning such proxy appointments or revocations that the Inspector considers necessary or appropriate to assure the integrity of the vote and to comply with law.

**SECTION 5. *Adjournments.*** Any meeting of the stockholders (whether annual or special and whether or not a quorum shall have been present), may be adjourned from time to time and from place to place by vote of a majority of the shares of Common Stock represented at such meeting, without notice other than announcement at such meeting of the time and place at which the meeting is to be resumed--such adjournment and the reasons therefore being recorded in the journal of proceedings of the meeting; provided, however, that if the date of any adjourned meeting is more than thirty days after the date for which the meeting was originally noticed, or if a new record date is fixed for the adjourned meeting, written notice of the place, date and time of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting. At any meeting so resumed after such adjournment, provided a majority of the outstanding shares of Common Stock shall then be represented, any business may be transacted which might have been transacted at the meeting as originally scheduled.

The Corporation shall pay expenses (including attorney’s fees) incurred by any Corporate Servant in defending any such Proceeding in

advance of the final disposition of the Proceeding, provided, however, that an advancement of expenses shall be made only upon delivery to the Corporation of an undertaking, by or on behalf of the Corporate Servant, to repay all amounts so advanced if it shall ultimately be determined by final judicial decision from which there is no further right to appeal that such Corporate Servant is not entitled to be indemnified for such expenses under this Section or otherwise. Any right to indemnification or advancement arising hereunder shall not be eliminated or impaired by amendment of these By-Laws after the occurrence of the act or omission that is the subject of the Proceeding for which indemnification or advancement is sought.
