**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Plan Participants and Plan Administrator  
Chevron Employee Savings Investment Plan  
(formerly ChevronTexaco Employee Savings Investment Plan):

We have audited the accompanying statements of net assets available for benefits of the **Chevron Employee Savings Investment Plan** (formerly ChevronTexaco Employee Savings Investment Plan) (the Plan) as of December 31, 2006 and 2005, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2006 and 2005, and the changes in net assets available for benefits for the years then ended in conformity with U.S. generally accepted accounting principles.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedules of assets held for investment purposes as of December 31, 2006 and reportable transactions for the year ended December 31, 2006, are presented for the purpose of additional analysis and are not a required part of the basic financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. These supplemental schedules are the responsibility of the Plan's management. The supplemental schedules have been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

**CHEVRON EMPLOYEE SAVINGS INVESTMENT PLAN**  
(FORMERLY CHEVRONTEXACO EMPLOYEE SAVINGS INVESTMENT PLAN)  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2006 AND 2005

**NOTE 1 — Description of the Plan**

The following description of the Chevron Employee Savings Investment Plan (ESIP or the Plan), formerly known as the ChevronTexaco Employee Savings Investment Plan, provides only general information. Participants should refer to the Plan document or Summary Plan Description for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan that is intended to be a qualified profit-sharing plan under section 401(a) of the Internal Revenue Code (the Code), a qualified cash or deferred arrangement under section 401(k) of the Code, and, effective December 1, 1989, to include a leveraged Employee Stock Ownership Plan (ESOP) qualified under section 4975(e)(7) of the Code.

On August 10, 2005, pursuant to the Agreement and Plan of Merger, dated April 4, 2005, among Chevron Corporation ("Chevron"), Unocal Corporation ("Unocal") and Blue Merger Sub Inc., a wholly owned subsidiary of Chevron, as amended July 19, 2005, Unocal Corporation merged with and into Blue Merger Sub Inc., which changed its name to Unocal Corporation thereafter. Chevron acquired 100 percent of the outstanding common shares of Unocal. All of the Unocal common stock was converted to Chevron common stock.

**Plan Merger.** Unocal, the parent of Union Oil Company of California, was the sponsor of the Unocal Savings Plan prior to September 29, 2005. Effective September 29, 2005, Chevron became the Plan sponsor, the Plan administrator, and the named fiduciary of the Unocal Savings Plan.

Effective December 31, 2005, the Molycorp, Inc. 401(k) Retirement Savings Plan was merged into the Unocal Savings Plan. Molycorp, Inc. is an indirect wholly owned subsidiary of Unocal.

On June 28, 2006, the Unocal Savings Plan merged with and into the ESIP, and assets of \$574,798,320 (inclusive of participant loans of \$6,458,469) were transferred to Vanguard Fiduciary Trust Company, which is the trustee and provides the investment management, recordkeeping, education and advice services for the ESIP. Active employees who were eligible to participate in the Unocal Savings Plan as of June 28, 2006 commenced participation in the ESIP under the provisions of the ESIP that are generally applicable to all eligible employees. In addition, terminated employees, alternate payees and beneficiaries who transferred their Unocal Savings Plan balance to the ESIP as of June 28, 2006 are eligible for the applicable provisions in the ESIP.

(FORMERLY CHEVRONTEXACO EMPLOYEE SAVINGS INVESTMENT PLAN)  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2006 AND 2005

**NOTE 1 — Description of the Plan (Continued)**

**Plan Sponsor/Administrator.** Chevron Corporation (the Corporation) is the Plan Sponsor and the Plan Administrator of the ESIP. It has the authority to appoint one or more trustees to hold the assets of the Plan and to appoint a record keeper. In its capacity as fiduciary, the Corporation makes such rules, regulations and computations and takes whatever action is necessary to administer the Plan in accordance with provisions of the Code and the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

**Eligibility.** Employees of the Corporation and each other participating company (Company) or employees who are represented by a labor organization that has bargained for and agreed to participation in the Plan are eligible to participate in the Plan if they are on the U.S. payroll.

**Contributions.** Each year, participants may contribute up to 50 percent of regular pay as combined basic (1 or 2 percent) and supplemental (up to 48 percent) contributions. For “highly compensated employees”, they are limited to 25 percent of their regular pay. The maximum amount a participant can contribute on a before-tax basis is the annual IRS limit of \$15,000 for participants under age 50 and \$20,000 for participants age 50 and up in 2006 and \$14,000 for participants under age 50 and \$18,000 for participants age 50 and up in 2005. The Plan has a fixed match feature. The Company will match 4 percent of pay on the first 1 percent of the participant’s basic contribution to the Plan or 8 percent of pay on the first 2 percent of the participant’s basic contribution to the Plan.

**Participant Accounts.** Funds for the participant’s benefit are held in a number of Plan accounts. Employee contributions are comprised of basic and supplemental contributions and rollover contributions from other qualified retirement plans or from a rollover IRA, on a pre-tax and after-tax basis.

The Company matching contribution is made in Chevron stock to participants’ Leveraged ESOP or Non-Leveraged ESOP accounts. Thereafter, in accordance with such procedures as the Corporation shall prescribe, a participant may elect to transfer the Chevron stock from the Company matching contribution to other investment funds, according to the Plan’s exchange rules. Participants have the option to receive dividends on shares in their Chevron Stock account as a taxable distribution, or the dividends will be automatically reinvested into their account. Employees are always fully vested in all contributions to their accounts, as well as the investment income earned from all contributions to the Plan.

DECEMBER 31, 2006 AND 2005

**NOTE 1 — Description of the Plan (Continued)**

**Trustees.** Vanguard Fiduciary Trust Company (Vanguard) is the trustee of the Plan. Vanguard is also the Plan's record keeper. The trustee has the authority to manage the assets of the Plan in accordance with its terms and those of the trust agreement.

**Leveraged ESOP.** In December 1989, the ESOP borrowed a total of \$1 billion from several banks and used the proceeds of the loans to purchase 14.1 million shares of the Corporation's Common Stock from the Corporation. In October 1991, these loans were completely refinanced by the ESOP's issuance to the public of registered debt securities. In July 1999, the outstanding ESOP debt was completely refinanced extending the ESOP term through the year 2016. Subsequently, accelerated principal payments were made, reducing the loan payment period to end by the year 2014. The ESOP indebtedness is guaranteed by the Corporation and will be repaid using dividends paid on the shares acquired by the ESOP and Company contributions. To enforce the ESOP's obligation to pay holders of the registered debt securities, the holders have no recourse against the assets of the ESOP except that, to the extent permitted by the Code and ERISA, the holders will have rights to any cash contributions made by the participating companies to satisfy the ESOP's obligations under the registered debt securities and to any earnings attributable to the investment of such contributions. In light of the limited recourse that holders of the registered debt securities have against the ESOP, purchasers of the registered debt securities are cautioned to rely solely upon the creditworthiness of the Corporation and its obligations under its guarantee of the ESOP's indebtedness. The principal amount outstanding at December 31, 2006 and 2005 was \$213,222,454 and \$246,538,462, respectively. The Plan elected to pay the scheduled principal due on January 2, 2007 on December 29, 2006. The rate on the loans at December 31, 2006 and 2005 was fixed at 7.327%.

The scheduled amortization of the loan for the next 5 years and thereafter as of December 31, 2006 and 2005 are as follows:

	2006
2007	\$ —
2008	19,989,605
2009	19,989,605
2010	26,652,807

2010	26,652,807
Thereafter	146,590,437
	<b>\$246,538,462</b>

Unallocated ESOP shares are held in a suspense account and secure the Corporation's guarantee of the ESOP indebtedness. As payments of principal and interest are made on the ESOP debt, shares are released from the suspense account. These released shares will be valued at the then current market price for allocation to participants who elect to contribute 1 or 2 percent of their regular pay to the Plan.

**Participant Loans.** The loan feature allows participants to borrow funds from their Plan account, subject to certain restrictions and limitations. Participants may borrow up to the lesser of \$50,000 or 50% of their total vested account balance or the value of the account(s) used to fund the loan. The minimum loan is \$1,000. The minimum term for repayment of any loan is 6 months and the maximum term is 5 years. However, the maximum term for repayment of a home loan is 25 years. Loans bear a fixed rate of interest equal to 2 percent plus the average one-year jumbo certificate of deposit rate, as published in *The Wall Street Journal* on the last Wednesday of the preceding month. Interest rates charged during 2006 and 2005 ranged from 4.12% to 12.00%. Most loan repayments are made through payroll deductions and the principal and interest paid by the participants are reinvested in the participants' accounts.

(FORMERLY CHEVRONTEXACO EMPLOYEE SAVINGS INVESTMENT PLAN)  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2006 AND 2005

**NOTE 1 — Description of the Plan (Continued)**

**Plan Termination.** The Corporation expects to continue the ESIP indefinitely, but has the authority to amend or terminate the ESIP at any time. In the event of a plan termination, the trust fund shall continue until any previously unallocated assets of the Plan are allocated to accounts and distributed to participants or beneficiaries in accordance with applicable law and pursuant to written rules and procedures adopted by the Corporation prior to such termination. In addition, upon plan termination, neither the Corporation nor any other person shall have a liability or obligation to provide additional benefits. Participants or beneficiaries shall obtain benefits solely from the trust fund. The trustee will sell the shares of the Corporation's Common Stock then held in the ESOP suspense account and apply the proceeds (together with any other assets in the suspense account) either to repay the ESOP indebtedness or to satisfy its obligation to indemnify the Corporation as guarantor of the indebtedness for any payments that must be made under the guarantee of the indebtedness. Any shares or proceeds remaining after the satisfaction of the obligations described in the preceding sentence will be allocated to the participants' accounts and the value of such allocation will be offset against any future obligations of the Corporation to make Company contributions to the ESIP.

**Plan Expenses.** Trustee and record keeping fees are netted from the net asset values. Administrative expenses relating to the Plan, including audit fees, are paid by the Plan. Certain Chevron employee and administrative costs are being reimbursed to the Corporation by the Plan.

**NOTE 2 — Summary of Significant Accounting Policies**

The financial statements of the ESIP are presented on the accrual basis of accounting. The following are the significant accounting policies followed by the Plan:

Net appreciation (depreciation) in fair value of investments includes realized gains and losses and unrealized appreciation or depreciation.

Investments in the core and supplemental options are valued on each business day on which the New York Stock Exchange is open for trading to reflect contributions, distributions, income, expenses, gains and losses. The difference between cost and market value represents unrealized appreciation or depreciation as of the reporting date. The valuation of the underlying securities in the Vanguard Brokerage Option are determined by Vanguard Brokerage Service daily. ESOP shares released from the suspense account are allocated based on the then-current market value.

**CHEVRON EMPLOYEE SAVINGS INVESTMENT PLAN**  
(FORMERLY CHEVRONTEXACO EMPLOYEE SAVINGS INVESTMENT PLAN)  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2006 AND 2005

**NOTE 2 — Summary of Significant Accounting Policies (Continued)**

Realized gains and losses on investments are based on sales proceeds less average cost. Sales and purchases between participants are included in realized gains and losses. Security purchases and sales are recorded as of the trade date for such transactions.

Dividend income earned on investments held and interest income earned on funds pending investment are recorded on an accrual basis.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

During a Plan year, as payments of principal and interest are made on the ESOP loans, shares are released from the ESOP suspense account and are transferred to the Leveraged ESOP account and are available for benefits. These transfers represent a portion of the employer contribution and reimbursement for the cash dividends paid by the Corporation to those members holding ESOP shares that were used to service the ESOP debt.

**NOTE 5 — Income Taxes**

On September 18, 2003, the Internal Revenue Service (IRS) issued its determination that the Plan continues to be exempt from Federal income tax. The Plan has been amended since receiving the determination letter. The Corporation requested a determination letter in January 2007 for the Plan, as amended and to reflect the integration of the Unocal Savings Plan. In the opinion of the Corporation, the Plan, as amended, continues to be qualified as to form. Accordingly, no provision for federal or state income taxes has been made.

The Corporation has reviewed the Plan's administrative procedures and is of the opinion that they are in accordance with technical compliance requirements of ERISA.
