AGREEMENT AND PLAN OF MERGER

THIS AGREEMENT AND PLAN OF MERGER (this "Agreement") dated as of October 15, 2000 by and among TEXACO INC., a Delaware corporation (the "Company"), CHEVRON CORPORATION, a Delaware corporation ("Parent"), and KEEPEP INC., a newly formed Delaware corporation and a wholly owned subsidiary of Parent ("Merger Subsidiary").

W I T N E S S E T H:

WHEREAS, the respective Boards of Directors of Parent, Merger Subsidiary and the Company have approved this Agreement, and deem it advisable and in the best interests of their respective stockholders to consummate the merger of Merger Subsidiary with and into the Company on the terms and conditions set forth herein;

WHEREAS, for United States federal income tax purposes, it is intended that the Merger contemplated by this Agreement qualify as a "reorganization" within the meaning of Section 368 of the Internal Revenue Code of 1986, as amended, and the rules and regulations promulgated thereunder (the "Code");

WHEREAS, for accounting purposes, it is intended that the Merger be accounted for as a "pooling of interests" under United States generally accepted accounting principles ("GAAP") and the rules and regulations of the Securities and Exchange Commission (the "Commission");

WHEREAS, (i) as a condition and inducement to Parent's willingness to enter into this Agreement, concurrently with the execution and delivery of this Agreement, Parent and the Company are entering into a Stock Option Agreement dated as of the date of this Agreement in the form attached as Exhibit A (the "Company Option Agreement"), pursuant to which the Company shall grant to Parent an option to purchase shares of common stock, par value \$3.125 per share, of the Company ("Company Common Stock") at \$53.71 per share, under certain circumstances, and (ii) as a condition and inducement to the Company's willingness to enter into this Agreement, concurrently with the execution and delivery of this Agreement, Parent and the Company are entering into a Stock Option Agreement dated as of the date of this Agreement in the form attached as Exhibit B (the "Parent Option Agreement" and, together with the Company Option Agreement, the "Option Agreements"), pursuant to which Parent shall grant to the Company an option to purchase shares of common stock, par value \$0.75 per share, of Parent ("Parent Common Stock"), at \$85.96 per share, under certain circumstances.

NOW, THEREFORE, in consideration of the promises and the respective representations, warranties, covenants, and agreements set forth herein, the parties hereto agree as follows:

ARTICLE 1

THE MERGER

SECTION 1.1 The Merger.

(a).....At the Effective Time, Merger Subsidiary shall be merged (the "Merger") with and into the Company in accordance with the requirements of the General Corporation Law of the State of Delaware (the "Delaware Law"), whereupon the separate existence of Merger Subsidiary shall cease, and the Company shall be the surviving corporation in the Merger (the "Surviving Corporation").

(b).....On the Closing Date, immediately after the Closing, the Company will file a certificate of merger with the Secretary of State of the State of Delaware and make all other filings or recordings required by Delaware Law in connection with the Merger. The Merger shall become effective at such time as the certificate of merger is duly filed with the Secretary of State of the State of Delaware or at such later time as is specified in the certificate of merger (the "Effective Time").

(c).....From and after the Effective Time, the Surviving Corporation shall possess all the rights, privileges, powers and franchises and be subject to all of the restrictions, disabilities and duties of the Company and Merger Subsidiary, all as provided under Delaware Law.

(d).....The closing of the Merger (the "Closing") shall take place (i) at the offices of Pillsbury Madison & Sutro LLP, 50 Fremont Street, San Francisco, California, as soon as practicable on the day on which the last to be fulfilled or waived of the conditions set forth in Article 8 (other than those conditions that by their nature are to be fulfilled at the Closing, but subject to the fulfillment or waiver of such conditions) shall be fulfilled or waived in accordance with this Agreement, including pursuant to Sections 5.2 and 7.1, or (ii) at such other place and time or on such other date as the Company and Parent may agree in writing (the date of the Closing, the "Closing Date").

SECTION 1.2 Conversion of Shares.

(a).....At the Effective Time by virtue of the Merger and without any action on the part of the holder thereof:

(i) each share of the Company Common Stock held by the Company as treasury stock or owned by Parent or any subsidiary of Parent or the Company (excluding shares, if any, held in any "Rabbi trust" identified on Section 3.14 of the Company Disclosure Schedule, which may be accounted for as treasury stock ("Rabbi Trust Shares")) immediately prior to the Effective Time (together with the associated Company Right (as defined in Section 3.5), if any) shall be canceled, and no payment shall be made with respect thereto;

(ii) each share of common stock of Merger Subsidiary outstanding immediately prior to the Effective Time shall be converted into and become one share of common stock of the Surviving Corporation with the same rights, powers and privileges as the shares so converted and shall constitute the only outstanding shares of capital stock of the Surviving Corporation; and

(iii) each share of Company Common Stock (including each Rabbi Trust Share) (together with the associated Company Right) outstanding immediately prior to the Effective Time shall, except as otherwise provided in Section 1.2(a)(i), be converted into the right to receive 0.77 of a share of Parent Common Stock (the "Exchange Ratio"), including the corresponding fraction of a right to purchase shares of Series A Participating Preferred Stock of Parent (the "Parent Rights") in accordance with the Rights Agreement (the "Parent Rights Agreement") dated as of November 23, 1998 between Parent and ChaseMellon Shareholder Services, L.L.C., as Rights Agent. References herein to shares of Parent Common Stock issuable pursuant to the Merger shall also be deemed to include the associated Parent Rights.

(b) All Parent Common Stock issued as provided in this Section 1.2 shall be of the same class and shall have the same terms as the currently outstanding Parent Common Stock. The shares of Parent Common Stock to be received as consideration pursuant to the Merger with respect to shares of Company Common Stock (together with cash in lieu of fractional shares of Parent Common Stock as specified below) are referred to herein as the "Merger Consideration."

(c) From and after the Effective Time, all shares of Company Common Stock (together with the associated Company Rights) converted in accordance with Section 1.2(a)(iii) shall no longer be outstanding and shall automatically be canceled and retired and shall cease to exist, and each holder of a certificate representing any such shares shall cease to have any rights with respect thereto, except the right to receive the Merger Consideration and any dividends payable pursuant to Section 1.3(f). From and after the Effective Time, all certificates representing the common stock of Merger Subsidiary shall be deemed for all purposes to represent the number of shares of common stock of the Surviving Corporation into which they were converted in accordance with Section 1.2(a)(ii).

SECTION 1.3 Surrender and Payment.

(a) Prior to the Effective Time, Parent shall appoint ChaseMellon Shareholder Services, L.L.C. or such other exchange agent reasonably acceptable to the Company (the "Exchange Agent") for the purpose of exchanging certificates representing shares of Company Common Stock ("Certificates") for the Merger Consideration. Parent will make available to the Exchange Agent, as needed, the Merger Consideration to be delivered in respect of the shares of Company Common Stock. Promptly after the Effective Time, Parent will send, or will cause the Exchange Agent to send, to each holder of record of shares of Company Common Stock as of the Effective Time, a letter of transmittal for use in such exchange (which shall specify that the delivery shall be effected, and risk of loss and title shall pass, only upon proper delivery of the Certificates to the Exchange Agent) in such form as the Company and Parent may reasonably

agree, for use in effecting delivery of shares of Company Common Stock to the Exchange Agent.

(b) Each holder of shares of Company Common Stock that have been converted into a right to receive the Merger Consideration, upon surrender to the Exchange Agent of a Certificate, together with a properly completed letter of transmittal, will be entitled to receive the Merger Consideration in respect of the shares of Company Common Stock represented by such Certificate. Until so surrendered, each such Certificate shall, after the Effective Time, represent for all purposes only the right to receive such Merger Consideration.

(c) If any portion of the Merger Consideration is to be registered in the name of a Person other than the Person in whose name the applicable surrendered Certificate is registered, it shall be a condition to the registration thereof that the surrendered Certificate shall be properly endorsed or otherwise be in proper form for transfer and that the Person requesting such delivery of the Merger Consideration shall pay to the Exchange Agent any transfer or other taxes required as a result of such registration in the name of a Person other than the registered holder of such Certificate or establish to the satisfaction of the Exchange Agent that such tax has been paid or is not payable. For purposes of this Agreement, "Person" means an individual, a corporation, a limited liability company, a partnership, an association, a trust or any other entity or organization, including a government or political subdivision or any agency or instrumentality thereof.

(d) After the Effective Time, there shall be no further registration of transfers of shares of Company Common Stock. If, after the Effective Time, Certificates are presented to the Exchange Agent, the Surviving Corporation or the Parent, they shall be canceled and exchanged for the consideration provided for, and in accordance with the procedures set forth, in this Article 1.

(e) Any portion of the Merger Consideration made available to the Exchange Agent pursuant to Section 1.3(a) that remains unclaimed by the holders of shares of Company Common Stock one year after the Effective Time shall be returned to Parent, upon demand, and any such holder who has not exchanged his shares of Company Common Stock for the Merger Consideration in accordance with this Section 1.3 prior to that time shall thereafter look only to Parent for delivery of the Merger Consideration in respect of such holder's shares. Notwithstanding the foregoing, Parent shall not be liable to any holder of shares for any Merger Consideration delivered to a public official pursuant to applicable abandoned property laws. Any Merger Consideration remaining unclaimed by holders of shares of Company Common Stock three years after the Effective Time (or such earlier date immediately prior to such time as such amounts would otherwise escheat to or become property of any governmental entity) shall, to the extent permitted by applicable law, become the property of Parent free and clear of any claims or interest of any Person previously entitled thereto.

(f) No dividends or other distributions with respect to shares of Parent Common Stock issued in the Merger shall be paid to the holder of any unsurrendered Certificates until such Certificates are surrendered as provided in this Section 1.3. Subject to the effect of applicable laws, following such surrender, there shall be paid, without interest, to the record

holder of the shares of Parent Common Stock issued in exchange therefor (i) at the time of such surrender, all dividends and other distributions payable in respect of such shares of Parent Common Stock with a record date after the Effective Time and a payment date on or prior to the date of such surrender and not previously paid and (ii) at the appropriate payment date, the dividends or other distributions payable with respect to such shares of Parent Common Stock with a record date after the Effective Time but with a payment date subsequent to such surrender. For purposes of dividends or other distributions in respect of shares of Parent Common Stock, all shares of Parent Common Stock to be issued pursuant to the Merger (but not options therefor described in Section 1.4 unless actually exercised at the Effective Time) shall be entitled to dividends pursuant to the immediately preceding sentence as if issued and outstanding as of the Effective Time.

SECTION 1.4 Stock Options and Equity Awards.

(a) The Board of Directors of the Company shall take such action as is necessary so that at the Effective Time, each outstanding option to purchase shares of Company Common Stock (a "Company Stock Option") granted under the Company's plans or agreements identified in Company Disclosure Schedule (defined in the introductory clause to Article 3) 1.4 as being the only compensation or benefit plans or agreements pursuant to which shares of Company Common Stock may be issued (collectively, the "Company Stock Option Plans"), whether vested or not vested, shall cease to represent a right to acquire shares of Company Common Stock and shall thereafter constitute an option to acquire, on the same terms and conditions as were applicable under such Company Stock Option (including without limitation the stock option restoration feature applicable thereto) pursuant to the relevant Company Stock Option Plan under which it was issued and the agreement evidencing the grant thereof prior to the Effective Time, the number (rounded to the nearest whole number) of shares of Parent Common Stock determined by multiplying (x) the number of shares of Company Common Stock subject to such Company Stock Option immediately prior to the Effective Time by (y) the Exchange Ratio. The exercise price per share of Parent Common Stock subject to any such Company Stock Option at and after the Effective Time shall be an amount (rounded to the nearest one-hundredth of a cent) equal to (x) the exercise price per share of Company Common Stock subject to such Company Stock Option prior to the Effective Time, divided by (y) the Exchange Ratio. Notwithstanding any other provisions of this Section 1.4(a), if use of the above methods would disqualify the Merger as a "pooling of interests" for financial accounting purposes, then such methods will be adjusted to the extent necessary to preserve such accounting treatment. In addition, prior to the Effective Time, the Company will make any amendments to the terms of such Company Stock Option Plans that are necessary to give effect to the transactions contemplated by this Section 1.4. The Company represents and warrants that no consents are or will be necessary to give effect to the transactions contemplated by this Section 1.4.

(b) Parent shall take all corporate action necessary to assume as of the Effective Time the Company's obligations under the Company Stock Options and reserve for issuance a sufficient number of shares of Parent Common Stock for delivery pursuant to the terms set forth in this Section 1.4.

(c) At the Effective Time, each award or account (including restricted stock, stock equivalents and stock units, but excluding Company Stock Options) outstanding as of the Effective Time ("Company Award") that has been established, made or granted under any employee incentive or benefit plans, programs or arrangements and non-employee director plans maintained by the Company on or prior to the date hereof that provide for grants of equity-based awards or equity-based accounts and which are identified in Company Schedule 1.4 shall to the extent practicable be amended or converted into a similar instrument of Parent, in each case with such adjustments to the terms and conditions of such Company Awards as are appropriate to preserve the value inherent in such Company Awards with no detrimental effects on the holders thereof. The other terms and conditions of each Company Award, and the plans or agreements under which they were issued, shall continue to apply in accordance with their terms and conditions, including any provisions for acceleration (as such terms and conditions have been interpreted and applied by the Company in accordance with its past practice), but with such adjustments, if any, as may be necessary or appropriate in light of the transactions contemplated hereby and which do not materially affect the intended value of such awards, in each case to the extent consistent with Section 7.4. The Company represents and warrants that (i) there are as of the date hereof no Company Awards or Company Stock Options other than those reflected in Section 3.5 and (ii) all employee incentive or benefit plans, programs or arrangements and non-employee director plans under which any Company Award has been established, made or granted and all Company Stock Option Plans are disclosed in Company Disclosure Schedule 1.4.

(d) As soon as practicable after the Effective Time, Parent shall file with the Commission a registration statement on an appropriate form or a post-effective amendment to a previously filed registration statement under the Securities Act of 1933, as amended (the "Securities Act"), with respect to the Parent Common Stock subject to options and other equity based awards described in this Section 1.4, and shall use its reasonable best efforts to maintain the current status of the prospectus contained therein, as well as comply with any applicable state securities or "blue sky" laws, for so long as such options or other equity based awards remain outstanding.

SECTION 1.5 Adjustments.

If at any time during the period between the date of this Agreement and the Effective Time, any change in the outstanding shares of capital stock of Parent or the Company shall occur by reason of any reclassification, recapitalization, stock split or combination, exchange or readjustment of shares, or any stock dividend thereon with a record date during such period, the Merger Consideration shall be appropriately adjusted to provide the holders of shares of Company Common Stock the same economic effect as contemplated by this Agreement prior to such event.

SECTION 1.6 Fractional Shares.

(a) No fractional shares of Parent Common Stock shall be issued in the Merger, but in lieu thereof each holder of shares of Company Common Stock otherwise entitled to a fractional share of Parent Common Stock will be entitled to receive, from the Exchange Agent in accordance with the provisions of this Section 1.6, a cash payment in lieu of such fractional shares of Parent Common Stock representing such holder's proportionate interest, if any, in the

proceeds from the sale by the Exchange Agent in one or more transactions of shares of Parent Common Stock equal to the excess of (x) the aggregate number of shares of Parent Common Stock to be delivered to the Exchange Agent by Parent pursuant to Section 1.3(a) over (y) the aggregate number of whole shares of Parent Common Stock to be distributed to the holders of Certificates pursuant to Section 1.3(b) (such excess being herein called the "Excess Shares"). The parties acknowledge that payment of the cash consideration in lieu of issuing fractional shares was not separately bargained for consideration but merely represents a mechanical rounding off for purposes of simplifying the corporate and accounting problems that would otherwise be caused by the issuance of fractional shares. As soon as practicable after the Effective Time, the Exchange Agent, as agent for the holders of the certificates representing shares of Company Common Stock, shall sell the Excess Shares at then prevailing prices on the New York Stock Exchange (the "NYSE") in the manner provided in the following paragraph.

(b) The sale of the Excess Shares by the Exchange Agent, as agent for the holders that would otherwise receive fractional shares, shall be executed on the NYSE through one or more member firms of the NYSE and shall be executed in round lots to the extent practicable. The compensation payable to the Exchange Agent and the expenses incurred by the Exchange Agent, in each case, in connection with such sale or sales of the Excess Shares, and all related commissions, transfer taxes and other out-of-pocket transaction costs, will be paid by the Surviving Corporation out of its own funds and will not be paid directly or indirectly by Parent. Until the proceeds of such sale or sales have been distributed to the holders of shares of Company Common Stock, the Exchange Agent shall hold such proceeds in trust for the holders of shares of Company Common Stock (the "Common Shares Trust"). The Exchange Agent shall determine the portion of the Common Shares Trust to which each holder of shares of Company Common Stock shall be entitled, if any, by multiplying the amount of the aggregate proceeds comprising the Common Shares Trust by a fraction, the numerator of which is the amount of the fractional share interest to which such holder of shares of Company Common Stock would otherwise be entitled and the denominator of which is the aggregate amount of fractional share interests to which all holders of shares of Company Common Stock would otherwise be entitled.

(c) As soon as practicable after the determination of the amount of cash, if any, to be paid to holders of shares of Company Common Stock in lieu of any fractional shares of Parent Common Stock, the Exchange Agent shall make available such amounts to such holders of shares of Company Common Stock without interest.

SECTION 1.7 Withholding Rights.

Each of the Surviving Corporation and Parent shall be entitled to deduct and withhold from the consideration otherwise payable to any Person pursuant to this Article 1 such amounts as it is required to deduct and withhold with respect to the making of such payment under any provision of federal, state, local or foreign tax law. To the extent that amounts are so withheld by the Surviving Corporation or Parent, as the case may be, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the holder of the shares of Company Common Stock in respect of which such deduction and withholding was made by the Surviving Corporation or Parent, as the case may be.

SECTION 1.8 Lost Certificates.

If any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the Person claiming such Certificate to be lost, stolen or destroyed and, if required by Parent or the Surviving Corporation, the posting by such Person of a bond, in such reasonable amount as the Surviving Corporation may direct, as indemnity against any claim that may be made against it with respect to such Certificate, the Exchange Agent will issue in exchange for such lost, stolen or destroyed Certificate the Merger Consideration to be paid in respect of the shares of Company Common Stock represented by such Certificate as contemplated by this Article 1.

SECTION 1.9 Shares Held by Company Affiliates.

Anything to the contrary herein notwithstanding, no shares of Parent Common Stock (or certificates therefor) shall be issued in exchange for any Certificate to any Person who may be an "affiliate" of the Company (identified pursuant to Section 7.8) until such Person shall have delivered to Parent duly executed letters as contemplated by Section 7.8. Such Person shall be subject to the restrictions described in such letters, and such shares (or certificates therefor) shall bear a legend describing such restrictions.

SECTION 1.10 Appraisal Rights.

In accordance with Section 262 of the Delaware Law, no appraisal rights shall be available to holders of shares of Company Common Stock in connection with the Merger.

REPRESENTATIONS, WARRANTIES AND COVENANTS OF THE COMPANY

The Company represents and warrants to Parent that (except as set forth in the disclosure schedules delivered by the Company to Parent simultaneously with the execution of this Agreement (the "Company Disclosure Schedules")):

SECTION 3.1 Corporate Existence and Power.

The Company is a corporation duly incorporated, validly existing and in good standing under the laws of the State of Delaware, and has all corporate powers and all governmental licenses, authorizations, consents and approvals required to carry on its business as now conducted, except for those the absence of which would not, individually or in the aggregate, have, or be reasonably likely to have, a Material Adverse Effect on the Company. The Company is duly qualified to do business as a foreign corporation and is in good standing in each jurisdiction where the character of the property owned or leased by it or the nature of its activities makes such qualification necessary, except for those jurisdictions where the failure to be so qualified would not, individually or in the aggregate, have, or be reasonably likely to have, a Material Adverse Effect on the Company. For purposes of this Agreement, a "Material Adverse Effect" with respect to any Person means a material adverse effect on the financial condition, business, liabilities, properties, assets or results of operations of such Person and its Subsidiaries, taken as a whole, except, to the extent resulting from (x) any changes in general United States or global economic conditions, (y) any changes affecting the oil and gas industry in general (including changes to commodity prices) except, other than where referring to a Material Adverse Effect on Parent after the Effective Time, to the extent that the changes disproportionately affect Parent or the Company, as applicable, compared to the manner in which the changes affect the other party or (z) any disposition of the Alliance Interests (as defined in Section 7.1) in accordance with the terms of Section 7.1. The Company has heretofore delivered to Parent true and complete copies of the Company's certificate of incorporation and by-laws as currently in effect.

SECTION 3.2 Corporate Authorization.

(a) The execution, delivery and performance by the Company of this Agreement and the Option Agreements and the consummation by the Company of the transactions contemplated hereby and thereby are within the Company's corporate powers and, except for any required approval by the Company's stockholders (the "Company Stockholder Approval") in connection with the consummation of the Merger, have been duly authorized by all necessary corporate action. The affirmative vote of holders of a majority of the outstanding shares of Company Common Stock in favor of the approval and adoption of this Agreement and the Merger is the only vote of the holders of any of the Company's capital stock necessary in connection with consummation of the Merger. Assuming due authorization, execution and delivery of this Agreement and the Option Agreements by Parent and/or Merger Subsidiary, as applicable, each of this Agreement and each Option Agreement constitutes a valid and binding agreement of the Company enforceable against the Company in accordance with its terms, subject to bankruptcy,

insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors' rights, and to general equity principles.

(b) The Company's Board of Directors, at a meeting duly called and held on or prior to the date hereof, has (i) determined that this Agreement and the Option Agreements and the transactions contemplated hereby and thereby (including the Merger) are advisable, fair to and in the best interests of the Company's stockholders, (ii) approved and adopted this Agreement and the Option Agreements and the transactions contemplated hereby and thereby (including the Merger), and (iii) resolved (subject to Section 5.2) to recommend the approval and adoption of this Agreement and the Merger by its stockholders.

SECTION 3.3 Governmental Authorization.

The execution, delivery and performance by the Company of this Agreement and the Option Agreements and the consummation by the Company of the transactions contemplated hereby and thereby require no action by or in respect of, or filing with, any governmental body, agency, official or authority other than (a) the filing of a certificate of merger in accordance with Delaware Law, (b) compliance with any applicable requirements of the Hart-Scott-Rodino Antitrust Improvements Act of 1976 (the "HSR Act"), (c) compliance with any applicable requirements of Council Regulation No. 4064/89 of the European Community, as amended (the "EC Merger Regulation"), (d) compliance with any applicable requirements of laws, rules and regulations in other foreign jurisdictions governing antitrust or merger control matters, (e) compliance with any applicable requirements of the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder (the "Exchange Act"), (f) compliance with any applicable requirements of the Securities Act and (g) other actions or filings which if not taken or made would not, individually or in the aggregate, have, or be reasonably likely to have, a Material Adverse Effect on the Company or prevent or materially delay the Company's consummation of the Merger.

SECTION 3.4 Non-Contravention.

The execution, delivery and performance by the Company of this Agreement and the Option Agreements and the consummation by the Company of the transactions contemplated hereby and thereby do not and will not, assuming compliance with the matters referred to in Sections 3.2 and 3.3, (a) contravene or conflict with the certificate of incorporation or by-laws of the Company, (b) contravene or conflict with or constitute a violation of any provision of any law, regulation, judgment, injunction, order or decree binding upon or applicable to the Company or any of its Subsidiaries, (c) constitute a default under or give rise to a right of termination, cancellation or acceleration of any right or obligation of the Company or any of its Subsidiaries or to a loss of any benefit to which the Company or any of its Subsidiaries is entitled under any provision of any agreement, contract or other instrument binding upon the Company or any of its Subsidiaries or any license, franchise, permit or other similar authorization held by the Company or any of its Subsidiaries, or (d) result in the creation or imposition of any Lien on any asset of the Company or any of its Subsidiaries, except for such contraventions, conflicts or violations referred to in clause (b) or defaults, rights of termination, cancellation or acceleration, or losses or Liens referred to in clause (c) or (d) that would not, individually or in the aggregate, have, or be reasonably likely to have, a Material Adverse Effect on the Company. For purposes of this Agreement, "Lien" means, with respect to any asset, any mortgage, lien, pledge, charge, security interest or encumbrance of any kind in respect of such

asset other than any such mortgage, lien, pledge, charge, security interest or encumbrance (i) for Taxes (as defined in Section 3.13) not yet due or being contested in good faith (and for which adequate accruals or reserves have been established on the Parent Balance Sheet or the Company Balance Sheet, as the case may be) or (ii) which is a carriers', warehousemen's, mechanics', materialmen's, repairmen's or other like lien arising in the ordinary course of business. Neither the Company nor any Subsidiary of the Company, nor to the knowledge of the Company, neither Joint Venture (as defined in Section 3.23 herein) nor any of its Subsidiaries, is a party to any agreement that expressly limits the ability of the Company or any Subsidiary of the Company, or would limit Parent or any Subsidiary of Parent after the Effective Time, to compete in or conduct any line of business or compete with any Person or in any geographic area or during any period of time except to the extent that any such limitation, individually or in the aggregate, would not have, or be reasonably likely to have, a Material Adverse Effect on the Company.

SECTION 3.14 Employee Benefit Plans.

(a) The Company has provided Parent with a list (set forth in Section 3.14(a) of the Company Disclosure Schedule) identifying each material "employee benefit plan", as defined in section 3(3) of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), each material employment, severance or similar contract, plan, arrangement or policy applicable to any director, former director, employee or former employee of the Company and each material plan or arrangement (written or oral), providing for compensation, bonuses, profit-sharing, stock option or other stock related rights or other forms of incentive or deferred compensation, vacation benefits, insurance coverage (including any self-insured arrangements), health or medical benefits, disability benefits, workers' compensation, supplemental unemployment benefits, severance benefits and post-employment or retirement benefits (including compensation, pension, health, medical or life insurance benefits) which is maintained, administered or contributed to by the Company or any Subsidiary and covers any employee or director or former employee or director of the Company or any Subsidiary, or under which the Company has any liability; provided however, that such list need not include any Company Benefit Plan that constitutes a Foreign Company Benefit Plan (as defined below). The material plans, agreements or arrangements of the Company and its Subsidiaries referred to in the first sentence of this paragraph (a) (excluding any such plan that is a "multiemployer plan", as defined in section 3(37) of ERISA, but including Foreign Company Benefit Plans) are referred to collectively herein as the "Company Benefit Plans." "Foreign Company Benefit Plan" means any Company Benefit Plan of the Company or any of its Subsidiaries that is governed by the laws of any jurisdiction other than the United States. To the extent practicable, the Company shall provide and deliver to Parent a list of Foreign Company Benefit Plans as soon as practicable.

(b) Each Company Benefit Plan has been established and maintained in compliance with its terms and with the requirements prescribed by any and all statutes, orders, rules and regulations (including but not limited to, to the extent applicable, ERISA and the Code) which are applicable to such Plan, except where failure to so comply would not, individually or in the aggregate, have, or be reasonably likely to have, a Material Adverse Effect on the Company.

(c) Neither the Company nor any affiliate of the Company has incurred a liability under Title IV of ERISA that has not been satisfied in full, and no condition exists that presents a material risk to the Company or any affiliate of the Company of incurring any such liability other than liability for premiums due the Pension Benefit Guaranty Corporation (which premiums have been paid when due).

(d) Each Company Benefit Plan which is intended to be qualified under section 401(a) of the Code is so qualified and has been so qualified during the period from its adoption to date, and each trust forming a part thereof is exempt from federal income tax pursuant to section 501(a) of the Code and, to the knowledge of the Company, no circumstances exist which will adversely affect such qualification or exemption.

(e) Section 3.14(e) of the Company Disclosure Schedule sets forth (a) with respect to directors and officers of the Company as a group, the aggregate amount of all severance and similar benefits, including enhanced or accelerated benefits, to which such officers and directors will become entitled (including any acceleration of vesting or lapse of repurchase rights or obligations with respect to any Company Stock Option Plans or other benefit under any compensation plan or arrangement of the Company), and (b) the aggregate amount of all severance and similar benefits, including enhanced or accelerated benefits, payable in cash or stock to which all other United States payroll employees of the Company and its Subsidiaries (the "Company U.S. Employees") will become entitled, in each case, (i) solely as a result of obtaining the Company Stockholder Approval or the transactions contemplated hereby and (ii) if a "second" trigger, including, but not limited to, a termination for "good reason" or without "cause," is applicable, assuming it has occurred (collectively, (i) and (ii) are hereinafter defined as the "Benefit Triggers"). With regard to employees of the Company and its Subsidiaries other than the Company U.S. Employees (the "Company Non-U.S. Employees"), there are severance pay plans (some legally mandated and others Company designed) in many countries around the world which provide severance payments in the event of termination. To the knowledge of the Company, there are no severance agreements with respect to the Company Non-U.S. Employees which provide enhanced severance on account of a change in control which would be triggered by the transactions contemplated hereby. The Company Disclosure Schedule sets forth the aggregate amounts for the Retirement Plan which will become vested upon a Change of Control. This amount is based on the 1999 Actuarial Reports. In addition, the comparable amounts for Supplement #1 and Supplement #3, calculated as of July 2000, are also disclosed. To the Company's knowledge, there are no other retirement plans which require accelerated vesting solely due to the transactions contemplated hereunder.

(f) Except as reflected in the Company Commission Documents filed prior to the date hereof, no Company Benefit Plan provides post-retirement health and medical, life or other insurance benefits for retired employees of the Company or any of its Subsidiaries.

(g) There has been no amendment to, written interpretation or announcement (whether or not written) by the Company or any of its Subsidiaries relating to, or change in, employee participation or coverage under, any Company Benefit Plan (other than a Foreign Company Benefit Plan) which would increase materially the expense of maintaining such

Company Benefit Plan above the level of the expense incurred in respect thereof for the 12 months ended on the Company Balance Sheet Date.

(h) The Company and its Subsidiaries are in compliance in all material respects with all applicable material federal, state and local laws, rules and regulations respecting employment, employment practices, labor, terms and conditions of employment and wages and hours, including all civil rights and anti-discrimination laws, rules and regulations (collectively, "Anti-Discrimination Laws"), and no material work stoppage or slowdown or labor strike against the Company or any of its Subsidiaries is pending or threatened, nor is the Company or any of its Subsidiaries involved in or threatened with labor disputes, grievances, or litigation relating to labor matters, including with respect to Anti-Discrimination Laws, involving classes or alleged classes of persons.

SECTION 3.15 Compliance with Laws.

Neither the Company nor any of its Subsidiaries is in violation of, or has since January 1, 1998 violated, any applicable provisions of any laws, statutes, ordinances or regulations except for any violations that, individually or in the aggregate, would not have, or be reasonably likely to have, a Material Adverse Effect on the Company.

SECTION 3.16 Finders' or Advisors' Fees.

Except for Credit Suisse First Boston Corporation and Morgan Stanley & Co. Incorporated, copies of whose engagement agreements have been provided to Parent, there is no investment banker, broker, finder or other intermediary which has been retained by or is authorized to act on behalf of the Company or any of its Subsidiaries who might be entitled to any fee or commission in connection with the transactions contemplated by this Agreement.

SECTION 3.17 Environmental Matters.

(a) Except as set forth in the Company Commission Documents filed prior to the date hereof and with such exceptions as, individually or in the aggregate, would not have, or be reasonably likely to have, a Material Adverse Effect on the Company, (i) no notice, notification, demand, request for information, citation, summons, complaint or order has been received by, and no investigation, action, claim, suit, proceeding or review is pending or, to the knowledge of the Company or any of its Subsidiaries, threatened by any Person against, the Company or any of its Subsidiaries, and no penalty has been assessed against the Company or any of its Subsidiaries, in each case, with respect to any matters relating to or arising out of any Environmental Law; (ii) the Company and its Subsidiaries are and have been in compliance with all Environmental Laws; (iii) there are no liabilities of or relating to the Company or any of its Subsidiaries relating to or arising out of any Environmental Law of any kind whatsoever, whether accrued, contingent, absolute, determined, determinable or otherwise, and there is no existing condition, situation or set of circumstances which could reasonably be expected to result in such a liability; and (iv) there has been no environmental investigation, study, audit, test, review or other analysis conducted of which the Company has knowledge in relation to any current or prior business of the Company or any of its Subsidiaries or any property or facility now or previously owned, leased or operated by the Company or any of its Subsidiaries which has not been delivered to

Parent prior to the date hereof.

(b) For purposes of this Section 3.17 and Section 4.17, the term "Environmental Laws" means federal, state, local and foreign statutes, laws (including, without limitation, common law), judicial decisions, regulations, ordinances, rules, judgments, orders, codes, injunctions, permits, governmental agreements or governmental restrictions relating to human health and safety, the environment or to pollutants, contaminants, wastes, or chemicals.

SECTION 3.18 Opinion of Financial Advisor.

The Company has received the opinion of Credit Suisse First Boston Corporation to the effect that, as of the date of such opinion, the Exchange Ratio is fair from a financial point of view to the holders of shares of Company Common Stock, and as of the date hereof such opinion has not been withdrawn.

SECTION 3.19 Pooling; Tax Treatment.

(a) The Company intends that the Merger be accounted for under the "pooling of interests" method under the requirements of Opinion No. 16 (Business Combinations) of the Accounting Principles Board of the American Institute of Certified Public Accountants, the Financial Accounting Standards Board, and the rules and regulations of the Commission.

(b) Neither the Company nor any of its affiliates has taken or agreed to take any action or is aware of any fact or circumstance with respect to the Company that would prevent the Merger from qualifying (i) for "pooling of interests" accounting treatment as described in (a) above or (ii) as a reorganization within the meaning of Section 368 of the Code (a "368 Reorganization").

(c) Immediately after the execution of this Agreement, the Company will terminate all stock repurchase programs (provided that the Company shall be permitted to effect the redemption contemplated by Section 5.3).

SECTION 3.20 Pooling Letter.

The Company has received a letter from Arthur Andersen LLP dated as of October 15, 2000 and addressed to the Company, a copy of which has been delivered to Parent, stating that Arthur Andersen LLP concurs with the Company management's conclusion that, as of October 15, 2000, the Company is eligible to participate in a transaction accounted for as a "pooling of interests" under Opinion 16 (Business Combination) of the Accounting Principles Board of the American Institute of Certified Public Accountants and the rules and regulations of the Commission.

SECTION 3.21 Takeover Statutes.

The Board of Directors of the Company has taken the necessary action to render section 203 of the Delaware Law, any other potentially applicable antitakeover or similar statute or regulation and the supermajority voting provisions of Article XIII of the Company's certificate of incorporation and Article VII of the Company's by-laws inapplicable to this Agreement and the Company Option Agreement and the transactions contemplated hereby and thereby.

SECTION 3.22 Stockholder Rights Plan.

The Board of Directors of the Company has resolved to, and the Company promptly after execution of this Agreement will, take all action necessary to render the rights issued pursuant to the terms of the Company Rights Agreement inapplicable to the Merger, this Agreement, the Company Option Agreement and the other transactions contemplated hereby and thereby.

SECTION 3.23 Joint Ventures.

To the knowledge of the Company, the audited consolidated financial statements of each of Equilon Enterprises LLC and Motiva Enterprises LLC (the "Joint Ventures") for the years ended and at December 31, 1999 and 1998 (including the notes thereto) previously furnished by the Company to Parent present fairly, in all material respects, the consolidated financial position of the applicable Joint Venture as of the dates thereof and the consolidated results of operations and their cash flows for the periods then ended, in each case in conformity with GAAP applied on a consistent basis (except as may be indicated in the notes thereto). To the knowledge of the Company, neither Joint Venture nor any of its Subsidiaries is subject to any liabilities of any kind whatsoever, whether accrued, contingent, absolute, determined, determinable or otherwise, other than: (a) liabilities disclosed or provided for in the respective consolidated balance sheets at December 31, 1999 of the applicable Joint Venture included in the audited consolidated financial statements referred to above, (b) liabilities which, individually or in the aggregate, would not have, or be reasonably likely to have, a Material Adverse Effect on the Company, and (c) liabilities disclosed in the Company Commission Documents filed prior to the date of this Agreement. To the knowledge of the Company, since December 31, 1999, the Joint Ventures have conducted their respective businesses in the ordinary course.

ARTICLE 4

REPRESENTATIONS, WARRANTIES AND COVENANTS OF PARENT

Parent represents and warrants to the Company that (except as set forth in the disclosure schedules delivered by Parent to the Company simultaneously with the execution of this Agreement (the "Parent Disclosure Schedules")):

SECTION 4.1 Corporate Existence and Power.

Each of Parent and Merger Subsidiary is a corporation duly incorporated, validly existing and in good standing under the laws of the State of Delaware and has all corporate powers and all governmental licenses, authorizations, consents and approvals required to carry on its business as now conducted, except for those the absence of which would not, individually or in the aggregate, have, or be reasonably likely to have, a Material Adverse Effect on Parent. Parent is duly qualified to do business as a foreign corporation and is in good standing in each jurisdiction where the character of the property owned or leased by it or the nature of its activities makes such qualification necessary, except for those jurisdictions where the failure to be so qualified would not, individually or in the aggregate, have, or be reasonably likely to have, a Material Adverse Effect on Parent. Since the

date of its incorporation, Merger Subsidiary has not engaged in any activities other than in connection with or as contemplated by this Agreement. Parent has heretofore delivered to the Company true and complete copies of Parent's and Merger Subsidiary's certificate of incorporation and by-laws as currently in effect.

SECTION 4.2 Corporate Authorization.

(a) The execution, delivery and performance by Parent and Merger Subsidiary of this Agreement, and by Parent of the Option Agreements, and the consummation by Parent and Merger Subsidiary of the transactions contemplated hereby and thereby are within the corporate powers of Parent and Merger Subsidiary and have been duly authorized by all necessary corporate action, except for the required approval of Parent's stockholders of (i) the Name Change Amendment (the "Name Change Amendment Approval") and (ii) the issuance of Parent Common Stock (the "Common Stock Issuance") in accordance with the rules and regulations of the NYSE (the "Common Stock Issuance Approval", together with the Name Change Amendment Approval, the "Parent Stockholder Approvals")) in each case, in connection with the Merger. The affirmative vote of holders of at least a majority of the outstanding shares of Parent Common Stock in favor of the Name Change Amendment is the only vote of the holders of any of the Parent's capital stock necessary in connection with obtaining the Name Change Amendment. The affirmative vote in favor of the Common Stock Issuance of a majority of the votes cast with respect to the Common Stock Issuance by the holders of Parent Common Stock (provided that the total number of the votes cast in favor of or against the Common Stock Issuance represents at least a majority of the outstanding shares of Parent Common Stock) is the only vote of the holders of any of Parent's capital stock necessary in connection with obtaining the Common Stock Issuance Approval. Assuming due authorization, execution and delivery of this Agreement and the Option Agreements by the Company, this Agreement constitutes a valid and binding agreement of each of Parent and Merger Subsidiary and each Option Agreement constitutes a valid and binding agreement of Parent, in each case enforceable against such party in accordance with its terms, subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors' rights and to general equity principles. The shares of Parent Common Stock issued pursuant to the Merger, when issued in accordance with the terms hereof, will be duly authorized, validly issued, fully paid and nonassessable and not subject to preemptive rights.

(b) Parent's Board of Directors, at a meeting duly called and held on or prior to the date hereof, has (i) determined that this Agreement and the Option Agreements and the transactions contemplated hereby and thereby (including the Merger) are fair to and in the best interests of Parent's stockholders (and, in the case of the Name Change Amendment, declaring its advisability), (ii) approved this Agreement and the Option Agreements and the transactions contemplated hereby and thereby (including the Merger and the Common Stock Issuance), and (iii) resolved (subject to Section 6.4) to recommend approval by Parent's stockholders of the matters constituting the Parent Stockholder Approvals.

SECTION 4.3 Governmental Authorization.

The execution, delivery and performance by Parent and Merger Subsidiary of this Agreement, and by Parent of the Option Agreements,

and the consummation by Parent and Merger Subsidiary of the transactions contemplated hereby and thereby require no action by or in respect of, or filing with, any governmental body, agency, official or authority other than (a) the filing of a certificate of merger and a certificate of amendment to Parent's certificate of incorporation, in each case in accordance with Delaware Law, (b) compliance with any applicable requirements of the HSR Act, (c) compliance with any applicable requirements of the EC Merger Regulation, (d) compliance with any applicable requirements of laws, rules and regulations in other foreign jurisdictions governing antitrust or merger control matters, (e) compliance with any applicable requirements of the Exchange Act, (f) compliance with any applicable requirements of the Securities Act and (g) other actions or filings which if not taken or made would not, individually or in the aggregate, have, or be reasonably likely to have, a Material Adverse Effect on Parent or prevent or materially delay Parent's and Merger Subsidiary's consummation of the Merger.

SECTION 4.4 Non-Contravention.

The execution, delivery and performance by Parent and Merger Subsidiary of this Agreement, and by Parent of the Option Agreements, and the consummation by Parent and Merger Subsidiary of the transactions contemplated hereby and thereby do not and will not, assuming compliance with the matters referred to in Sections 4.2 and 4.3, (a) contravene or conflict with the certificate of incorporation or by-laws of Parent or Merger Subsidiary, (b) contravene or conflict with or constitute a violation of any provision of any law, regulation, judgment, injunction, order or decree binding upon or applicable to Parent or any of its Subsidiaries, (c) constitute a default under or give rise to any right of termination, cancellation or acceleration of any right or obligation of Parent or any of its Subsidiaries or to a loss of any benefit to which Parent or any of its Subsidiaries is entitled under any provision of any agreement, contract or other instrument binding upon Parent or any of its Subsidiaries or any license, franchise, permit or other similar authorization held by Parent or any of its Subsidiaries or (d) result in the creation or imposition of any Lien on any asset of Parent or any of its Subsidiaries, except for such contraventions, conflicts or violations referred to in clause (b) or defaults, rights of termination, cancellation or acceleration, or losses or Liens referred to in clause (c) or (d) that would not, individually or in the aggregate, have, or be reasonably likely to have, a Material Adverse Effect on Parent. Neither Parent nor any Subsidiary of Parent is a party to any agreement that expressly limits the ability of Parent or any Subsidiary of Parent to compete in or conduct any line of business or compete with any Person or in any geographic area or during any period of time except to the extent that any such limitation, individually or in the aggregate, would not have, or be reasonably likely to have, a Material Adverse Effect on Parent.

SECTION 4.5 Capitalization.

The authorized capital stock of Parent consists of 2,000,000,000 shares of Parent Common Stock, and 100,000,000 shares of preferred stock, par value \$1.00 per share (of which 5,000,000 are designated Series A Participating Preferred Stock, and the remaining shares of such preferred stock are not subject to any designation). As of the close of business on September 30, 2000, there were outstanding 642,411,517 shares of Parent Common Stock, no shares of Series A Participating Preferred Stock (all of which are reserved for issuance in accordance with the Parent Rights Agreement pursuant to which Parent has issued Parent Rights), and no other shares of capital stock or other voting securities of Parent. All outstanding shares of capital stock of Parent have been duly authorized and validly issued and are fully paid and nonassessable. As of September 30, 2000, there were outstanding (i) options

to purchase 11,320,461 shares of Parent Common Stock and (ii) other stock-based awards (other than shares of restricted stock or other equity-based awards included in the number of shares of Parent Common Stock outstanding set forth above) with respect to 1,475,291 shares of Parent Common Stock. Except as set forth in this Section 4.5 and except for changes since the close of business on September 30, 2000 resulting from the exercise of employee stock options outstanding on such date or options or other stock-based awards granted or securities issued as permitted by Section 6.1 and except for the shares to be issued in connection with the Merger, there are outstanding (a) no shares of capital stock or other voting securities of Parent, and (b) except for securities issuable pursuant to compensation plans or arrangements, including options issued pursuant to Parent stock option plans and performance units of Parent convertible into Parent Common Stock and the option granted pursuant to the Parent Option Agreement, (i) no options, warrants or other rights to acquire from Parent any capital stock, voting securities or securities convertible into or exchangeable for capital stock or voting securities of Parent, and (ii) no preemptive or similar rights, subscription or other rights, convertible securities, agreements, arrangements, or commitments of any character, relating to the capital stock of Parent, obligating Parent to issue, transfer or sell any capital stock, voting security or securities convertible into or exchangeable for capital stock or voting securities of Parent or obligating Parent to grant, extend or enter into any such option, warrant, subscription or other right, convertible security, agreement, arrangement or commitment (the items in clauses 4.5(a), 4.5(b) and 4.5(c) being referred to collectively as the "Parent Securities"). Except as required by the terms of any employee or director options or other stock based awards and or as permitted by 6.1(e), there are no outstanding obligations of Parent or any of its Subsidiaries to repurchase, redeem or otherwise acquire any Parent Securities.

SECTION 4.6 Subsidiaries.

(a) Each Subsidiary of Parent is duly organized, validly existing and in good standing under the laws of its jurisdiction of organization, has all powers and all governmental licenses, authorizations, permits, consents and approvals required to carry on its business as now conducted, except for those the absence of which would not, individually or in the aggregate, have, or be reasonably likely to have, a Material Adverse Effect on Parent. Each Subsidiary of Parent is duly qualified to do business and is in good standing in each jurisdiction where the character of the property owned or leased by it or the nature of its activities makes such qualifications necessary, except for those jurisdictions where failure to be so qualified would not, individually or in the aggregate, have, or be reasonably likely to have, a Material Adverse Effect on Parent. All Significant Subsidiaries of Parent and their respective jurisdictions of incorporation are identified in Section 4.6(a) of the Parent Disclosure Schedule.

(b) Except for directors' qualifying shares and except as set forth in the Parent 10-K, all of the outstanding capital stock of, or other ownership interests in, each Significant Subsidiary of Parent is owned by Parent, directly or indirectly, free and clear of any material Lien and free of any other material limitation or restriction (including any restriction on the right to vote, sell or otherwise dispose of such capital stock or other ownership interests). There are no outstanding (i) securities of Parent or any of its Subsidiaries convertible into or exchangeable for shares of capital stock or other voting securities or ownership interests in any Significant

Subsidiary of Parent, or (ii) options, warrants or other rights to acquire from Parent or any of its Significant Subsidiaries any capital stock, voting securities or other ownership interests in, or any securities convertible into or exchangeable for any capital stock, voting securities or ownership interests in, any Significant Subsidiary of Parent, and no preemptive or similar rights, subscriptions or other rights, convertible securities, agreements, arrangements or commitments of any character, relating to the capital stock of any Significant Subsidiary of Parent, obligating Parent or any of its Significant Subsidiaries to issue, transfer or sell, any capital stock, voting securities or other ownership interests in, or any securities convertible into or exchangeable for any capital stock, voting securities or ownership interests in, any Significant Subsidiary of Parent or obligating Parent or any Significant Subsidiary of Parent to grant, extend or enter into any such option, warrant, subscription or other right, convertible security, agreement, arrangement or commitment (items in clauses 4.6(b)(i) and 4.6(b)(ii) being referred to collectively as the "Parent Subsidiary Securities"). There are no outstanding obligations of Parent or any of its Subsidiaries to repurchase, redeem or otherwise acquire any outstanding Parent Subsidiary Securities.

SECTION 4.7 Commission Filings.

(a) Parent has made available to the Company (i) its annual reports on Form 10-K for its fiscal years ended December 31, 1997, 1998 and 1999, (ii) its quarterly reports on Form 10-Q for its fiscal quarters ended after December 31, 1999, (iii) its proxy or information statements relating to meetings of, or actions taken without a meeting by, the stockholders of Parent held since December 31, 1999, and (iv) all of its other reports, statements, schedules and registration statements filed with the Commission since December 31, 1999 (the documents referred to in this Section 4.7(a) being referred to collectively as the "Parent Commission Documents"). Parent's annual report on Form 10-K for its fiscal year ended December 31, 1999 is referred to herein as the "Parent 10-K".

(b) As of its filing date, each Parent Commission Document complied as to form in all material respects with the applicable requirements of the Exchange Act and the Securities Act.

(c) As of its filing date, each Parent Commission Document filed pursuant to the Exchange Act did not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading.

(d) Each registration statement, as amended or supplemented, if applicable, filed by Parent since January 1, 1997 pursuant to the Securities Act as of the date such statement or amendment became effective did not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading.

SECTION 4.8 Financial Statements.

The audited consolidated financial statements and unaudited consolidated interim financial statements of Parent (including any related notes and schedules) included in the annual reports on Form 10-K and the quarterly reports on Form 10-Q referred to in Section 4.7 present fairly, in all material respects, the consolidated financial position of Parent and its Subsidiaries as of the dates thereof and the consolidated results of their

operations and their cash flows for the periods then ended (subject to normal year-end adjustments and the absence of notes in the case of any unaudited interim financial statements), in each case in conformity with GAAP applied on a consistent basis (except as may be indicated in the notes thereto). For purposes of this Agreement, "Parent Balance Sheet" means the consolidated balance sheet of Parent as of December 31, 1999 set forth in the Parent 10-K and "Parent Balance Sheet Date" means December 31, 1999.

SECTION 4.9 Disclosure Documents.

(a) The proxy statement of Parent (the "Parent Proxy Statement") to be filed with the Commission in connection with the Merger and the Registration Statement on Form S-4 of Parent (the "Form S-4") to be filed under the Securities Act relating to the issuance of Parent Common Stock in the Merger, and any amendments or supplements thereto, will, when filed, subject to the last sentence of Section 4.9(b), comply as to form in all material respects with the applicable requirements of the Securities Act and the Exchange Act.

(b) Neither the Parent Proxy Statement nor any amendment or supplement thereto, will, at the date the Parent Proxy Statement or any such amendment or supplement is first mailed to stockholders of Parent or at the time such stockholders vote on the matters constituting the Parent Stockholder Approval, contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. Neither the Form S-4 nor any amendment or supplement thereto will at the time it becomes effective under the Securities Act or at the Effective Time contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading. No representation or warranty is made by Parent in this Section 4.9 with respect to statements made or incorporated by reference therein based on information supplied by the Company for inclusion or incorporation by reference in the Parent Proxy Statement or the Form S-4.

(c) None of the information supplied or to be supplied by Parent for inclusion or incorporation by reference in the Company Proxy Statement or any amendment or supplement thereto will, at the date the Company Proxy Statement or any amendment or supplement thereto is first mailed to stockholders of Company or at the time such stockholders vote on the adoption and approval of this Agreement and the transactions contemplated hereby, contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading.

SECTION 4.10 Absence of Certain Changes.

Except as disclosed in the Parent Commission Documents filed prior to the date of this Agreement, or except as is not prohibited after the date hereof by Section 6.1 (or as is otherwise permitted by Section 6.1), since the Parent Balance Sheet Date, Parent and its Subsidiaries have conducted their business in the ordinary course consistent with past practice and there has not been:

(a) any event, occurrence or development of a state of circumstances or facts which, individually or in the aggregate, has had, or would be reasonably likely to have, a Material Adverse Effect on Parent; or

(b) any declaration, setting aside or payment of any dividend or other distribution with respect to any shares of capital stock of Parent (other than regular quarterly cash dividends payable by Parent (x) consistent with past practice (including periodic dividend increases consistent with past practice) and (y) that are not special dividends), or any repurchase, redemption or other acquisition by Parent or any of its wholly owned Subsidiaries of any outstanding shares of capital stock or other equity securities of, or other ownership interests in, Parent or any of its Significant Subsidiaries (other than any such repurchases prior to the date hereof pursuant to Parent's publicly announced stock buyback program or, after the date hereof, as permitted under Section 6.1(e), or pursuant to the terms of employee and director stock options); or

(c) any change prior to the date hereof in any method of accounting or accounting practice (other than any change for tax purposes) by Parent or any of its Subsidiaries, except for any such change which is not material or which is required by reason of a concurrent change in GAAP; or

(d) any transaction or commitment made, or any contract, agreement or settlement entered into, by (or judgment, order or decree affecting) Parent or any of its Subsidiaries relating to its assets or business (including the acquisition or disposition of any assets) or any relinquishment by Parent or any of its Subsidiaries of any contract or other right, in either case, material to Parent and its Subsidiaries taken as a whole, other than transactions, commitments, contracts, agreements or settlements (including without limitation settlements of litigation and tax proceedings) in the ordinary course of business consistent with past practice, those contemplated by this Agreement, or as agreed to in writing by the Company;

(e) any amendment of any material term of any outstanding security of Parent or any of its Significant Subsidiaries; or

(f) any (i) Tax election made or changed, (ii) audit settled, or (iii) amended Tax return filed, in each case, that is reasonably likely to result in a Tax liability material to Parent and its Subsidiaries, taken as a whole.

SECTION 4.11 No Undisclosed Material Liabilities.

There are no liabilities of the Parent or any Subsidiary of the Parent of any kind whatsoever, whether accrued, contingent, absolute, determined, determinable or otherwise, other than:

- (a) liabilities disclosed or provided for in the Parent Balance Sheet or in the notes thereto;
- (b) liabilities which, individually or in the aggregate, would not have, or be reasonably likely to have, a Material Adverse Effect on Parent;
- (c) liabilities disclosed in the Parent Commission Documents filed prior to the date of this Agreement; and
- (d) liabilities under this Agreement.

SECTION 4.12 Litigation.

Except as disclosed in the Parent Commission Documents filed prior to the date of this Agreement, there is no action, suit, investigation or proceeding pending against, or to the knowledge of Parent threatened against or affecting, Parent or any of its Subsidiaries or any of their respective properties or any of their respective officers or directors before any court or arbitrator or any governmental body, agency or official except as would not, individually or in the aggregate, have, or be reasonably likely to have, a Material Adverse Effect on Parent.

SECTION 4.13 Taxes.

Except as set forth in the Parent Balance Sheet (including the notes thereto) and except as would not, individually or in the aggregate, have, or be reasonably likely to have, a Material Adverse Effect on Parent, (i) all Parent Tax Returns required to be filed with any taxing authority by, or with respect to, Parent and its Subsidiaries have been filed in accordance with all applicable laws; (ii) Parent and its Subsidiaries have timely paid all Taxes shown as due and payable on Parent Tax Returns that have been so filed, and, as of the time of filing, the Parent Tax Returns correctly reflected the facts regarding the income, business, assets, operations, activities and the status of Parent and its Subsidiaries (other than Taxes which are being contested in good faith and for which adequate reserves are reflected on the Parent Balance Sheet); (iii) Parent and its Subsidiaries have made provision for all Taxes payable by Parent and its Subsidiaries for which no Parent Tax Return has yet been filed; (iv) the charges, accruals and reserves for Taxes with respect to Parent and its Subsidiaries reflected on the Parent Balance Sheet are adequate under GAAP to cover the Tax liabilities accruing through the date thereof; (v) there is no action, suit, proceeding, audit or claim now proposed or pending against or with respect to Parent or any of its Subsidiaries in respect of any Tax where there is a reasonable possibility of an adverse determination; and (vi) to the best of Parent's knowledge and belief, neither Parent nor any of its Subsidiaries is liable for any Tax imposed on any entity other than such Person, except as the result of the application of Treas. Reg. section 1.1502-6 (and any comparable provision of the tax laws of any state, local or foreign jurisdiction) to the affiliated group of which Parent is the common parent.

SECTION 4.14 Employee Benefit Plans.

(a) Parent has provided the Company with a list (set forth in Section 4.14(c) of the Parent Disclosure) identifying each material "employee benefit plan," as defined in section 3(3) of ERISA, each material management, consulting, non-compete, employment, severance or similar contract, plan, arrangement or policy applicable to any director, former director, employee or former employee of Parent and each material plan, program, policy, agreement or arrangement (written or oral), providing for compensation, bonuses, profit-sharing, stock option or other stock related rights or other forms of incentive or deferred compensation, vacation benefits, insurance coverage (including any self-insured arrangements), health or medical benefits, disability benefits, workers' compensation, supplemental unemployment benefits, severance benefits and post-employment or retirement benefits (including compensation, pension, health, medical or life insurance benefits) or other employee benefits of any kind, whether funded or unfunded which is maintained, administered or contributed to by Parent or any Subsidiary and covers any employee or director or former employee or director of Parent, or under which Parent or any Subsidiary has any liability, contingent or otherwise; provided

however, that such list need not include any Parent Benefit Plan that constitutes a Foreign Parent Benefit Plan (as defined below). The material plans, agreement or arrangements of the Parent and its Subsidiaries referred to in the first sentence of this paragraph (a) (excluding any such plan that is a "multiemployer plan," as defined in section 3(37) of ERISA, but including Foreign Parent Benefit Plans) are referred to collectively herein as the "Parent Benefit Plans." "Foreign Parent Benefit Plan" means any Parent Benefit Plan of Parent or any of its Subsidiaries that is governed by the laws of any jurisdiction other than the United States. To the extent practicable, Parent shall provide and deliver to the Company a list of Foreign Parent Benefit Plans as soon as practicable.

(b) Each Parent Benefit Plan has been established and maintained in compliance with its terms and with the requirements prescribed by any and all statutes, orders, rules and regulations (including but not limited to, to the extent applicable, ERISA and the Code) which are applicable to such Plan, except where failure to so comply would not, individually or in the aggregate, have, or be reasonably likely to have, a Material Adverse Effect on Parent.

(c) Neither Parent nor any affiliate of Parent has incurred a liability under Title IV of ERISA that has not been satisfied in full, and no condition exists that presents a material risk to Parent or any affiliate of Parent of incurring any such liability other than liability for premiums due the Pension Benefit Guaranty Corporation (which premiums have been paid when due).

(d) Each Parent Benefit Plan which is intended to be qualified under section 401(a) of the Code is so qualified and has been so qualified during the period from its adoption to date, and each trust forming a part thereof is exempt from federal income tax pursuant to section 501(a) of the Code and, to the knowledge of Parent, no circumstances exist which will adversely affect such qualification or exemption.

(e) No director, officer or other employee of Parent will become entitled to any severance or similar benefit or enhanced or accelerated benefit solely as a result of obtaining the Parent Stockholder Approval or otherwise as a result of the transactions contemplated hereby.

(f) Except as reflected in the Parent Commission Documents filed prior to the date hereof, no Parent Benefit Plan provides post-retirement health and medical, life or other insurance benefits for retired employees of Parent or any of its Subsidiaries.

(g) There has been no amendment to, written interpretation or announcement (whether or not written) by Parent, any Subsidiary or any of its affiliates relating to, or change in employee participation or coverage under, any Parent Benefit Plan (other than a Foreign Parent Benefit Plan) which would increase materially the expense of maintaining such Parent Benefit Plan above the level of the expense incurred in respect thereof for the 12 months ended on the Parent Balance Sheet Date.

(h) Parent and its Subsidiaries are in compliance in all material respects with all applicable material federal, state and local laws, rules and regulations respecting employment, employment practices, labor, terms and conditions of employment and wages and hours, including Anti-Discrimination Laws, and no material work stoppage or slowdown or labor strike

against Parent or any of its Subsidiaries is pending or threatened, nor is Parent or any of its Subsidiaries involved in or threatened with labor disputes, grievances or litigation relating to labor matters involving any employees, including with respect to Anti-Discrimination Laws, involving classes or alleged classes of persons.

SECTION 4.15 Compliance with Laws.

Neither Parent nor any of its Subsidiaries is in violation of, or has since January 1, 1998 violated, any applicable provisions of any laws, statutes, ordinances or regulations except for any violations that, individually or in the aggregate, would not have, or be reasonably likely to have, a Material Adverse Effect on Parent.

SECTION 4.16 Finders' or Advisors' Fees.

Except for Lehman Brothers Inc., whose fees will be paid by Parent, there is no investment banker, broker, finder or other intermediary which has been retained by or is authorized to act on behalf of Parent or any of its Subsidiaries who might be entitled to any fee or commission in connection with the transactions contemplated by this Agreement.

SECTION 4.17 Environmental Matters.

Except as set forth in the Parent Commission Documents filed prior to the date hereof and with such exceptions as, individually or in the aggregate, would not have, or be reasonably likely to have, a Material Adverse Effect on Parent, (i) no notice, notification, demand, request for information, citation, summons, complaint or order has been received by, and no investigation, action, claim, suit, proceeding or review is pending or, to the knowledge of Parent or any of its Subsidiaries, threatened by any Person against, Parent or any of its Subsidiaries, and no penalty has been assessed against Parent or any of its Subsidiaries, in each case, with respect to any matters relating to or arising out of any Environmental Law; (ii) Parent and its Subsidiaries are and have been in compliance with all Environmental Laws; (iii) there are no liabilities of or relating to Parent or any of its Subsidiaries relating to or arising out of any Environmental Law of any kind whatsoever, whether accrued, contingent, absolute, determined, determinable or otherwise, and there is no existing condition, situation or set of circumstances which could reasonably be expected to result in such a liability; and (iv) there has been no environmental investigation, study, audit, test, review or other analysis conducted of which Parent has knowledge in relation to any current or prior business of Parent or any of its Subsidiaries or any property or facility now or previously owned, leased or operated by Parent or any of its Subsidiaries which has not been delivered to the Company prior to the date hereof.

SECTION 4.18 Opinion of Financial Advisor.

Parent has received the opinion of Lehman Brothers Inc. to the effect that, as of the date of such opinion, the exchange ratio to be paid by Parent in the Merger is fair, from a financial point of view, to Parent, and, as of the date hereof, such opinion has not been withdrawn.

SECTION 4.19 Pooling; Tax Treatment.

(a) Parent intends that the Merger be accounted for as a "pooling of interests" as described in Section 3.19(a).

(b) Neither Parent nor any of its affiliates has taken or agreed to take any action or is

aware of any fact or circumstance that would prevent the Merger from qualifying (i) for "pooling of interests" accounting treatment as described in Section 3.19(a) or (ii) as a 368 Reorganization.

(c) Immediately after execution of this Agreement, Parent will terminate all stock repurchase programs.

SECTION 4.20 Pooling Letter.

Parent has received a letter from PricewaterhouseCoopers LLP dated as of October 15, 2000 and addressed to Parent, a copy of which has been delivered to the Company, stating that based on the information furnished to PricewaterhouseCoopers LLP in the related certificate of Parent's management and based on the letter from Arthur Andersen LLP referenced in Section 3.20, PricewaterhouseCoopers LLP concurs with Parent management's conclusion that, as of October 15, 2000, no conditions exist that would preclude Parent's accounting for the Merger as a pooling of interests, and such letter has not been withdrawn or modified in any material respect as of the date hereof.

SECTION 4.21 Takeover Statutes.

The Board of Directors of Parent has (i) taken the necessary action to render section 203 of the Delaware Law and any other potentially applicable antitakeover or similar statute or regulation inapplicable to this Agreement and the Parent Option Agreement and the transactions contemplated hereby and thereby and (ii) has resolved to, and promptly after the execution of this Agreement will, take the necessary action to render the supermajority voting provisions of Article VII of Parent's Certificate of Incorporation inapplicable to this Agreement and the Parent Option Agreement and the transactions contemplated hereby and thereby.

SECTION 4.22 Stockholder Rights Plan.

The Board of Directors of Parent has resolved to, and Parent promptly after execution of this Agreement will, take all action necessary to render the rights issued pursuant to the terms of the Parent Rights Agreement inapplicable to the Merger, this Agreement, the Parent Option Agreement and the other transactions contemplated hereby and thereby.

ARTICLE 5

COVENANTS OF THE COMPANY

The Company agrees that:

SECTION 5.1 Conduct of the Company.

From the date of this Agreement until the Effective Time, the Company and its Subsidiaries shall conduct their business in the ordinary course consistent with past practice and in a manner not representing a new strategic direction for the Company and its Subsidiaries and shall use their reasonable best efforts to preserve intact their business organizations and relationships with third parties. Without limiting the generality of the foregoing, except with the prior written consent of Parent or as contemplated by this Agreement or as set forth in the Company Disclosure Schedule, from the date hereof until the Effective Time:

(a) the Company will not, and will not permit any of its Significant Subsidiaries to, adopt or propose any change in its certificate of incorporation or by-laws, except that any Significant Subsidiary may make any changes that would not adversely affect the rights of the Company, Parent or its stockholders under this Agreement, the transactions contemplated by this Agreement, or the rights of holders of Company Common Stock;

(b) the Company will not, and will not permit any Significant Subsidiary of the Company to, adopt a plan or agreement of complete or partial liquidation, dissolution, merger, consolidation, restructuring, recapitalization or other material reorganization of the Company or any of its Significant Subsidiaries (other than a merger or consolidation between its wholly owned Subsidiaries, and immaterial recapitalizations of Significant Subsidiaries);

(c) the Company will not, and will not permit any Subsidiary of the Company to, issue, sell, transfer, pledge, dispose of or encumber any shares of, or securities convertible into or exchangeable for, or options, warrants, calls, commitments or rights of any kind to acquire, any shares of capital stock of any class or series of the Company or its Subsidiaries other than (i) issuances pursuant to the exercise of convertible securities outstanding on the date hereof or issuances pursuant to stock based awards or options that are outstanding on the date hereof and are reflected in Section 3.5 or are granted in accordance with clause 5.1(c)(ii), (ii) additional options or stock-based awards to acquire shares of Company Common Stock granted under the terms of any Company Stock Option Plan as in effect on the date hereof in the ordinary course consistent with past practice, (iii) issuances of such securities as consideration in acquisition transactions permitted by Section 5.1(i) and Section 5.1(l), provided that the aggregate value of all such securities issued pursuant to this clause 5.1(c)(iii) in any period of any twelve consecutive months following the date of this Agreement shall in no event exceed \$100 million, and that the value of any securities issued in connection with any acquisition transaction or a series of related acquisition transactions permitted by Section 5.1(i) and Section 5.1(l) shall in no event exceed \$25 million (valued, in each case, at the fair market value of such securities as of the date of the agreement to issue such securities) and such securities shall be issued only to the extent consistent with Section 7.4, (iv) transfers or issuances of shares of any Subsidiary of the Company to the Company or any of its wholly-owned Subsidiaries, and (v) where required by applicable law, issuances of director qualifying shares in jurisdictions other than the United States;

(e) the Company will not, and will not permit any Subsidiary of the Company to, redeem, purchase or otherwise acquire directly or indirectly any of the Company's or any Subsidiary's capital stock, except for repurchases, redemptions or acquisitions (x) required by the terms of its capital stock or any securities outstanding on the date hereof or required under Section 5.3, (y) required by or in connection with the respective terms, as of the date hereof, of any Company Stock Option Plan or any dividend reinvestment plan as in effect on the date hereof in the ordinary course of the operations of such plan consistent with past practice and only to the extent consistent with Section 7.4 or (z) effected in the ordinary course consistent with past practice and only to the extent consistent with Section 7.4;

(f) the Company will not amend the terms (including the terms relating to accelerating the vesting or lapse of repurchase rights or obligations) of any outstanding options to purchase shares of Company Common Stock (which, it is understood, will not limit the administration of the relevant plans in accordance with past practices and interpretations of the Company's Board and the Company's Compensation Committee to the extent consistent with Section 7.4);

(g) the Company will not, and will not permit any Subsidiary of the Company to, (x) make or commit to make any capital expenditure in 2000 except within the aggregate amount of the capital expenditure budget for 2000 heretofore furnished to Parent (the "Company 2000 Capital Expenditure Budget"), (y) make or commit to make any capital expenditure in 2001 except within a Company 2001 Permitted Capital Expenditure Budget or (z) make or commit to make any capital expenditure in 2002 except within a Company 2002 Permitted Capital Expenditure Budget. A "Company 2001 Permitted Capital Expenditure Budget" means any capital expenditure budget of the Company for 2001 adopted by the board of directors of the Company in the ordinary course of business so long as the aggregate amount of capital expenditures for 2001 provided for therein does not exceed 120% of the aggregate amount of capital expenditures provided for in the Company 2000 Capital Expenditure Budget. "Company 2002 Permitted Capital Expenditure Budget" means any capital expenditure budget of the Company for 2002 adopted by the board of directors of the Company in the ordinary course of business so long as the aggregate amount of capital expenditures for 2002 provided for therein does not exceed 120% of the aggregate amount of capital expenditures provided for in the Company 2001 Capital Expenditure Budget;

(h) the Company will not, and will not permit any Subsidiary of the Company to, (1) increase the compensation or benefits of any director, officer or employee, except for normal increases in the ordinary course of business consistent with past practice or as required under applicable law or any existing agreement or commitment, or (2) enter into (or adopt) any employment or severance agreement or arrangement except, with respect to individual non-U.S. payroll employees, in the ordinary course of business consistent with past practice or as required by applicable law;

(i) the Company will not, and will not permit any of its Subsidiaries to, acquire a material amount of assets or property (as measured with respect to the consolidated assets of the Company and its Subsidiaries taken as a whole) of any other Person, except in the ordinary

course of business consistent with past practice;

(j) except as contemplated by Section 7.1 hereof, the Company will not, and will not permit any of its Subsidiaries to, sell, lease, license, encumber (including by the grant of any option thereon) or otherwise dispose of any material assets or property (as measured with respect to the consolidated assets of the Company and its Subsidiaries taken as a whole) except pursuant to existing contracts or commitments or except in the ordinary course of business consistent with past practice;

(k) except for any such change which is not material or which is required by reason of a concurrent change in GAAP, the Company will not, and will not permit any Subsidiary of the Company to, change any method of accounting or accounting practice (other than any change for tax purposes) used by it;

(l) the Company will not, and will not permit any Subsidiary of the Company to, enter into any material joint venture, partnership or other similar arrangement except in the ordinary course of business, and so long as such arrangements do not obligate the Company or any Subsidiary to invest assets or resources, or to assume or incur a liability or loss, in excess of \$250 million with respect to any individual mid-stream or downstream (including power) arrangement or \$500 million, with respect to any individual upstream arrangement. The terms "downstream", "mid-stream" and "upstream" shall have the meanings commonly assigned to them in the oil and gas industry.

(m) the Company will not, and will not permit any of its Subsidiaries to, take any action that would make any representation or warranty of the Company hereunder inaccurate in any material respect at, or as of any time prior to, the Effective Time;

(n) the Company will not amend or waive any provisions of any standstill agreement;

(o) the Company will not (i) make or change any Tax election, (ii) settle any audit or (iii) file any amended Tax Return, in each case, that is reasonably likely to result in a Tax liability material to the Company and its Subsidiaries, taken as a whole;

(p) the Company will not, and will not permit any of its Subsidiaries to, enter into any agreement that limits (other than in an insignificant manner) the ability of the Company or any Subsidiary of the Company, or would limit (other than in an insignificant manner) the ability of Parent or any Subsidiary of Parent after the Effective Time, to compete in or conduct any line of business or compete with any Person in any geographic area or during any period; and

(q) the Company will not, and will not permit any of its Subsidiaries to, take any action that would prevent, materially delay or materially impede the consummation of the Merger; and

SECTION 5.2 Company Stockholder Meeting; Proxy Material.

Even if the Board of Directors of Parent shall take any action permitted by the third sentence of Section 6.4, at such time at which Parent and the Company determine in their reasonable judgment that, within 60 days, the Condition Satisfaction Time will occur, the Company shall cause a meeting of its stockholders (the "Company Stockholder Meeting") to be duly called and held for the purpose of voting on the approval and adoption of this Agreement and the Merger; provided that the Company shall not hold the Company Stockholder Meeting, and if the Company Stockholder Meeting has been called, the Company shall adjourn the Company Stockholder Meeting, until such time (the "Condition Satisfaction Time") at which, in the reasonable judgment of Parent and the Company, all conditions to the Closing (other than the condition set forth in Section 8.1(a)) have been satisfied or (to the extent legally permissible) waived (by the applicable party) or are then capable of being satisfied, including by placing the Alliance Interests into an irrevocable trust as contemplated by Section 7.1(d)(iii), (assuming that all references to the Closing Date contained in Sections 8.2(a) and 8.3(a) are deemed to be references to the date of the Condition Satisfaction Time). Except as provided in the next sentence, the Board of Directors of the Company shall recommend approval and adoption of this Agreement and the Merger by the Company's stockholders. The Board of Directors of the Company shall be permitted (i) not to recommend to the Company's stockholders that they give the Company Stockholder Approval or (ii) to withdraw or modify in a manner adverse to Parent its recommendation to the Company's stockholders that they give the Company Stockholder Approval, only if (v) the Company has received a Superior Proposal (defined in Section 7.10), (w) the Board of Directors of the Company determines in its good faith judgment, after receiving the advice of outside legal counsel, that, in light of the Superior Proposal, failure to so withdraw or modify its recommendation would be reasonably likely to be inconsistent with fulfilling its fiduciary duty to stockholders under applicable law, (x) five business days have elapsed following delivery by the Company to Parent of written notice advising Parent that the Board of Directors of the Company has resolved to so withdraw or modify its recommendation, specifying the material terms and conditions of the Superior Proposal and identifying the Person making the Superior Proposal, (y) the Company has given Parent the opportunity to propose revisions to the terms of this Agreement in response to the Superior Proposal and negotiated in good faith with Parent with respect to the proposed revisions, if any, and (z) the Company has complied with its obligations set forth in Section 7.10 in all material respects; provided, however, that in the case of (i) and (ii) above, the Company shall nevertheless submit this Agreement and the Merger to the holders of shares of Company Common Stock for approval at the Company Stockholder Meeting unless this Agreement shall have been terminated in accordance with its terms prior to the date of the Company Stockholder Meeting. In connection with the Company Stockholder Meeting, the Company (i) will prepare and file with the Commission, will use its reasonable best efforts to have cleared by the Commission the Company Proxy Statement and all other materials for the Company Stockholder Meeting, and (ii) will mail to its stockholders the Company Proxy Statement and all other proxy materials for the Company Stockholder Meeting a sufficient time prior to the Company Stockholder Meeting as is necessary to comply with applicable law, including applicable rules and regulations of the Commission, (iii) will use its reasonable best efforts, subject to the immediately preceding sentence, to obtain the Company Stockholder Approval and (iv) will otherwise comply with all legal requirements applicable to the Company Stockholder Meeting.

SECTION 5.3 Equity Conversion.

Prior to the Closing Date, the Company shall cause each issued and outstanding share of the Market Auction Preferred Stock to be redeemed for cash (the "Equity Conversion").

SECTION 5.4 Resignation of Company Directors.

In order to fulfill the requirements of Section 2.6 hereof, the Company shall (i) cause each director of the Company to deliver a written resignation to the Company effective at the Effective Time and (ii) cause the vacancies resulting from such resignations to be filled by persons who are directors of Merger Subsidiary immediately prior to the Effective Time.

ARTICLE 6

COVENANTS OF PARENT

Parent agrees that:

SECTION 6.1 Conduct of Parent.

From the date of this Agreement until the Effective Time, Parent and its Subsidiaries shall conduct their business in the ordinary course consistent with past practice and in a manner not representing a new strategic direction for Parent and its Subsidiaries and shall use their reasonable best efforts to preserve intact their business organizations and relationships with third parties. Without limiting the generality of the foregoing, and except with the prior written consent of the Company or as contemplated by this Agreement or as set forth in the Parent Disclosure Schedule, from the date hereof until the Effective Time:

(a) Parent will not, and will not permit any of its Significant Subsidiaries to, adopt or propose any change in its certificate of incorporation or by-laws, except as contemplated hereby, and except that any Significant Subsidiary may make any changes that would not adversely affect the rights of Parent, the Company or its stockholders under this Agreement, the transactions contemplated by this Agreement, or the rights of holders of Parent Common Stock;

(b) Parent will not, and will not permit any of its Significant Subsidiaries to, adopt a plan or agreement of complete or partial liquidation, dissolution, merger, consolidation, restructuring, recapitalization or other material reorganization of Parent or any of its Significant Subsidiaries (other than a merger or consolidation between its wholly-owned Subsidiaries, and immaterial recapitalizations of Significant Subsidiaries);

(c) Parent will not issue, sell, transfer, pledge, dispose of or encumber any shares of, or securities convertible into or exchangeable for, or options, warrants, calls, commitments or rights of any kind to acquire, any shares of capital stock of any class or series of Parent, other than (i) issuances pursuant to the exercise of convertible securities outstanding on the date hereof or issuances pursuant to stock-based awards or options outstanding on the date hereof or that are granted in accordance with clause 6.1(c)(ii), (ii) additional options or stock-based awards to acquire Parent Common Stock granted under the terms of any employee or director stock option or compensation plan or arrangement of Parent as in effect as of the date hereof in the ordinary

course consistent with past practice, (iii) issuances of such securities for any other purpose, provided that the aggregate number of shares of Parent Common Stock issued (which shall include, for purposes of this paragraph (c), the number of shares of Parent Common Stock issuable upon the exercise, conversion or exchange of convertible securities, options, warrants or other similar rights) pursuant to this clause 6.1(c)(iii) in any period of any twelve consecutive months following the date of this Agreement shall in no event exceed more than 2% of the total number of shares of Parent Common Stock outstanding as of the close of business on September 30, 2000 as set forth in Section 4.5 and such shares and securities shall be issued only to the extent consistent with Section 7.4, and (iv) transfers or issuances of shares of any Subsidiary of Parent to Parent or any of its wholly owned Subsidiaries;

(d) Parent will not (i) split, combine, subdivide or reclassify its outstanding shares of capital stock or (ii) declare, set aside or pay any dividend or other distribution payable in cash, stock or property with respect to its capital stock other than, subject to Section 7.9, (a) regular quarterly cash dividends payable by Parent in respect of the shares of Parent Common Stock, or regular periodic cash or other required dividends payable by any Subsidiary of Parent, in each case (x) consistent with past practice (including periodic dividend increases consistent with past practice) and (y) that are not special dividends, unless, in either case, required to be paid under an applicable agreement in effect as of the date of this Agreement, or (b) dividends paid by any Subsidiary of Parent to Parent or any wholly owned Subsidiary of Parent;

(e) Parent will not, and will not permit any Subsidiary of Parent to, redeem, purchase or otherwise acquire directly or indirectly any of Parent's capital stock, except for repurchases, redemptions or acquisitions (x) required by the terms of capital stock or any securities outstanding on the date hereof, (y) required by or in connection with the respective terms, as of the date hereof, of any employee stock option plan or compensation plan or arrangement of Parent or any dividend reinvestment plan as in effect as of the date hereof in the ordinary course of operations of such plan consistent with past practice and only to the extent consistent with Section 7.4 or (z) effected in the ordinary course consistent with past practice and only to the extent consistent with Section 7.4;

(f) except for any such change which is not significant or which is required by reason of a concurrent change in GAAP, Parent will not, and will not permit any Subsidiary of Parent to, change any method of accounting or accounting practice (other than any change for tax purposes) used by it;

(g) Parent will not (i) make or change any Tax election, (ii) settle any audit or (iii) file any amended Tax Return, in each case, that is reasonably likely to result in a Tax liability material to Parent and its Subsidiaries, taken as a whole;

(h) Parent will not, and will not permit any of its Subsidiaries to, take any action that would make any representation or warranty of Parent hereunder inaccurate in any material respect at, or as of any time prior to, the Effective Time; and

(i) Parent will not, and will not permit any of its Subsidiaries to, take any action which would prevent, materially delay or materially impede the consummation of the Merger.

(j) Parent will not, and will not permit any of its Subsidiaries to, sell, lease, license, encumber (including by the grant of any option thereon) or otherwise dispose of any of its assets or properties which would be material to Parent and its Subsidiaries, taken as a whole.

(k) Parent will not, and will not permit any of its Subsidiaries to, agree or commit to do any of the foregoing.

SECTION 6.2 Obligations of Merger Subsidiary.

Parent will take all action necessary to cause Merger Subsidiary to perform its obligations under this Agreement and to consummate the Merger on the terms and conditions set forth in this Agreement.

SECTION 6.3 Director and Officer Liability.

(a) Parent shall indemnify and hold harmless the individuals who on or prior to the Effective Time were officers, directors and employees of the Company or its Subsidiaries (collectively, the "Indemnitees") with respect to all acts or omissions by them in their capacities as such or taken at the request of the Company or any of its Subsidiaries at any time prior to the Effective Time to the extent provided under the Company's certificate of incorporation and by-laws in effect on the date hereof. Parent shall cause the Surviving Corporation to honor all indemnification agreements with Indemnitees (including under the Company's by-laws) in effect as of the date hereof in accordance with the terms thereof. The Company has disclosed to Parent all such indemnification agreements prior to the date hereof.

(b) For six years after the Effective Time, Parent shall procure the provision of officers' and directors' liability insurance in respect of acts or omissions occurring prior to the Effective Time covering each such Person currently covered by the Company's officers' and directors' liability insurance policy on terms with respect to coverage and in amounts no less favorable than those of such policy in effect on the date hereof; provided, that if the aggregate annual premiums for such insurance at any time during such period shall exceed 300% of the per annum rate of premium paid by the Company and its Subsidiaries as of the date hereof for such insurance, then Parent shall, or shall cause its Subsidiaries to, provide only such coverage as shall then be available at an annual premium equal to 300% of such rate.

(c) The obligations of Parent under this Section 6.3 shall not be terminated or modified in such a manner as to adversely affect any Indemnitee to whom this Section 6.3 applies without the consent of such affected Indemnitee (it being expressly agreed that the Indemnitees to whom this Section 6.3 applies shall be third party beneficiaries of this Section 6.3).

SECTION 6.4 Parent Stockholder Meeting;

Form S-4. Even if the Board of Directors of the Company shall take any action permitted by the third sentence of Section 5.2, Parent shall cause a meeting of its stockholders (the "Parent Stockholder Meeting") to be duly called and held for the purpose of approving the matters constituting the Parent Stockholder Approvals; provided that the Parent Stockholder Meeting shall conclude prior to the Company Stockholder Meeting and may be held on the same date as the Company Stockholder Meeting. Except as provided in the next sentence, the Board of Directors of Parent shall recommend approval of the matters

constituting the Parent Stockholder Approvals. The Board of Directors of Parent shall be permitted (i) not to recommend to Parent's stockholders that they give the Parent Stockholder Approvals or (ii) to withdraw or modify in a manner adverse to the Company its recommendation to the Parent's stockholders that they give the Parent Stockholder Approval, only if (v) Parent has received a Superior Proposal, (w) the Board of Directors of Parent determines, after receiving the advice of outside legal counsel, in its good faith judgment that, in light of the Superior Proposal, failure to so withdraw or modify its recommendation would be reasonably likely to be inconsistent with fulfilling its fiduciary duty to stockholders under applicable law, (x) five business days have elapsed following delivery by Parent to the Company of written notice advising the Company that the Board of Directors of Parent has resolved to so withdraw or modify its recommendation, specifying the material terms and conditions of the Superior Proposal and identifying the Person making the Superior Proposal, (y) Parent has given the Company the opportunity to propose revisions to the terms of this Agreement in response to the Superior Proposal and negotiated in good faith with the Company with respect to the proposed revisions, if any, and (z) Parent has complied with its obligations set forth in Section 7.10; provided, however, that in the case of (i) and (ii) above, Parent shall nevertheless submit the matters constituting the Parent Stockholder Approvals to Parent's stockholders for approval at the Parent Stockholder Meeting unless this Agreement shall have been terminated in accordance with its terms prior to the date of the Parent Stockholder Meeting. In connection with the Parent Stockholder Meeting, Parent (i) will promptly prepare and file with the Commission, will use its reasonable best efforts to have cleared by the Commission, (ii) will mail to its stockholders the Parent Proxy Statement and all other proxy materials for such meeting a sufficient time prior to the Parent Stockholder Meeting as is necessary to comply with applicable laws including the rules and regulations of the Commission, (iii) will use its reasonable best efforts, subject to the immediately preceding sentence, to obtain the Parent Stockholder Approvals, and (iv) will otherwise comply with all legal requirements applicable to the Parent Stockholder Meeting. Subject to the terms and conditions of this Agreement, Parent shall prepare and file with the Commission under the Securities Act the Form S-4, and shall use its reasonable best efforts to cause the Form S-4 to be declared effective by the Commission a sufficient time prior to the Parent Stockholder Meeting to allow the Company and Parent to mail the Company Proxy Statement or Parent Proxy Statement, as applicable, to their respective stockholders, as required by applicable laws, including the rules and regulations of the Commission, prior to the meeting of their respective stockholders. Parent shall take any action required to be taken under foreign or state securities or Blue Sky laws in connection with the issuance of Parent Common Stock in connection with the Merger.

SECTION 6.5 Stock Exchange Listing.

Parent shall use its reasonable best efforts to cause the shares of Parent Common Stock to be issued in connection with the Merger to be listed on the NYSE, subject to official notice of issuance.

SECTION 6.6 Employee Benefits.

(a) From and after the Effective Time, Parent shall cause the Surviving Corporation to honor in accordance with their terms all benefits and obligations, subject to Section 6.6(b) hereof, under the Company Benefit Plans, each as in effect on the date hereof (or as amended

with the prior written consent of Parent), to the extent that entitlements or rights, actual or contingent (whether such entitlements or rights are vested as of the Effective Time or become vested or payable only upon the occurrence of a further event, including a discretionary determination) exist in respect thereof as of the Effective Time. Parent and the Company hereby agree that the consummation of the Merger shall constitute a "Change in Control" for purpose of any employee arrangement and all other Company Benefit Plans, pursuant to the terms of such plans in effect on the date hereof, provided, however, to the extent consistent with Section 7.4, that the Board of Directors of the Company will take all actions necessary so that the consummation of the Merger and related transactions hereunder will not create additional funding obligations on behalf of Parent, the Company or the Surviving Corporation with respect to the Company Stock Grantor Trust. No provision of this Section 6.6(a) shall be construed as a limitation on the right of Parent to amend or terminate any Company Benefit Plans which the Company would otherwise have under the terms of such Company Benefit Plan, and no provision of this Section 6.6(a) shall be construed to create a right in any employee or beneficiary of such employee under a Company Benefit Plan that such employee or beneficiary would not otherwise have under the terms of such Company Benefit Plan; provided, however, the Parent agrees that it will respect deferrals of salary, bonus or other compensation in place prior to the Effective Time pursuant to the Company Benefit Plans. Parent acknowledges that the Company's Separation Pay Plan by its terms provides that benefits thereunder are vested on the day immediately prior to a change of control.

(b) Following the Effective Time, Parent shall continue to provide to individuals who are employed by the Company and its Subsidiaries as of the Effective Time who remain employed with Parent or any Subsidiary of Parent ("Affected Employees"), for so long as such Affected Employees remain employed by Parent or any Subsidiary of Parent, employee benefits (i) pursuant to the Company's or its Subsidiaries' employee benefit plans, programs, policies and arrangements as provided to such employees immediately prior to the Effective Time or (ii) pursuant to employee benefit plans, programs, policies or arrangements maintained by Parent or any Subsidiary of Parent providing coverage and benefits which, in the aggregate, are no less favorable than those provided to employees of Parent in positions comparable to positions held by Affected Employees with Parent or its Subsidiaries from time to time after the Effective Time. Following the Effective Time, Parent shall continue to provide to former employees of the Company or its Subsidiaries (and to employees of the Company or its Subsidiaries whose employment terminates prior to the Effective Time) ("Affected Retirees") post-retirement benefits (other than pensions) (i) pursuant to the Company Benefit Plans applicable to such Affected Retirees, each as in effect on the date of this Agreement, or (ii) pursuant to employee benefit plans, programs, policies or arrangements maintained by Parent or any Subsidiary of Parent providing post-retirement coverage and benefits (other than pensions) which, in the aggregate, are no less favorable than those provided to former employees of Parent.

(c) Parent will, or will cause the Surviving Corporation to, give Affected Employees full credit for purposes of eligibility, vesting and benefit accrual (including benefit accrual under any defined benefit pension plans, provided that a participant's benefit under any such defined benefit pension plan may be offset by such participant's accrued benefit under the Company defined benefit pension plan) under any employee benefit plans or arrangements maintained by

Parent or any Subsidiary of Parent for such Affected Employees' service with the Company or any Subsidiary of the Company to the same extent recognized by the Company immediately prior to the Effective Time.

(d) Parent will, or will cause the Surviving Corporation to, (i) waive all limitations as to preexisting conditions, exclusions and waiting periods with respect to participation and coverage requirements applicable to the Affected Employees under any welfare benefit plans that such employees may be eligible to participate in after the Effective Time, other than limitations or waiting periods that are already in effect with respect to such employees and that have not been satisfied as of the Effective Time under any welfare plan maintained for the Affected Employees immediately prior to the Effective Time, and (ii) provide each Affected Employee with credit for any co-payments and deductibles paid prior to the Effective Time in satisfying any applicable deductible or out-of-pocket requirements under any welfare plans that such employees are eligible to participate in after the Effective Time.

ARTICLE 7

COVENANTS OF PARENT AND THE COMPANY

The parties hereto agree that:

SECTION 7.1 Best Efforts.

(a) Subject to Sections 5.2, 6.4, 7.1(b), 7.1(c) and 7.1(d), Company and Parent shall each cooperate with the other and use (and shall cause their respective Subsidiaries to use) their respective best efforts to promptly (i) take or cause to be taken all necessary actions, and do or cause to be done all things, necessary, proper or advisable under this Agreement and applicable laws to consummate and make effective the Merger and the other transactions contemplated by this Agreement as soon as practicable, including, without limitation, preparing and filing promptly and fully all documentation to effect all necessary filings, notices, petitions, statements, registrations, submissions of information, applications and other documents and (ii) obtain all approvals, consents, registrations, permits, authorizations and other confirmations required to be obtained from any third party necessary, proper or advisable to consummate the Merger and the other transactions contemplated by this Agreement. Subject to applicable laws relating to the exchange of information, the Company and Parent shall have the right to review in advance, and to the extent practicable each will consult the other on, all the information relating to the Company and its Subsidiaries or Parent and its Subsidiaries, as the case may be, that appears in any filing made with, or written materials submitted to, any third party and/or any governmental authority in connection with the Merger and the other transactions contemplated by this Agreement.

(b) Without limiting Section 7.1(a), Parent and the Company shall subject to Sections 7.1(c) and 7.1(d), as applicable:

(i) Each use its best efforts to avoid the entry of, or to have vacated or terminated, any decree, order, or judgment that would restrain, prevent or delay the Closing, on or before the End Date (as defined in Section 9.1(b)(i)), including without limitation defending through litigation on the merits any claim asserted in any court by any Person; and

(ii) each use its best efforts to avoid or eliminate each and every impediment under any antitrust, competition or trade regulation law that may be asserted by any governmental authority with respect to the Merger so as to enable the Closing to occur as soon as reasonably possible (and in any event no later than the End Date), including, without limitation, (x) proposing, negotiating, committing to and effecting, by consent decree, hold separate order, or otherwise, the sale, divestiture or disposition of such assets or businesses of Parent or the Company (or any of their respective Subsidiaries) and (y) otherwise taking or committing to take actions that after the Closing Date would limit Parent or its Subsidiaries' freedom of action with respect to, or its ability to retain, one or more of its or its Subsidiaries' businesses, product lines or assets, in each case as may be required in order to avoid the entry of, or to effect the dissolution of, any injunction, temporary restraining order, or other order in any suit or proceeding, which would otherwise have the effect of preventing or materially delaying the Closing.

(c) Notwithstanding anything else contained herein, the provisions of this Section 7.1 shall not be construed to require either party to undertake any efforts or to take any action if such efforts or action would, or would reasonably be expected to, result in a Material Adverse Effect on Parent and its Subsidiaries (including the Surviving Corporation and its Subsidiaries), taken as a whole, at or after the Effective Time; provided, further, that any requirement to divest or hold separate, or limit in any material respect the operations of the business of Parent and its Subsidiaries (prior to Closing) involving the refining, marketing or transportation of petroleum products in the Western United States, other than with respect to insignificant operations of such business shall be deemed for purposes of this Section 7.1(c) and Sections 8.1(d), 8.1(i), 8.1(j), 8.1(k) and 8.1(l) to result in a Material Adverse Effect.

(d) (i) The parties anticipate that there will be objections raised by the United States Federal Trade Commission or the Antitrust Division of the United States Department of Justice to the combination of Parent's United States downstream operations with the Company's interests in the Joint Ventures (collectively, the "Alliance Interests"). The parties will jointly determine how to address any objections promptly and the Company will, subject to Section 7.4 and in consultation on an ongoing basis with Parent, negotiate one or more definitive agreements responsive to the regulatory requirements (each, an "Alliance Transaction Agreement") and shall promptly inform Parent of all material developments in the negotiations. The Company shall be permitted to enter into any Alliance Transaction Agreement only with the prior written consent of Parent, which consent shall not be unreasonably withheld.

(ii) In the event the Company shall not have entered into an Alliance Transaction Agreement fifteen days prior to the scheduled date of the Company

Stockholder Meeting, the Chairman of Parent and the Chairman of the Company shall meet to discuss the status of such efforts by the Company.

(iii) If the stockholders of the Company, at the Company Stockholder Meeting (which shall not take place prior to the Condition Satisfaction Time), approve and adopt the Merger and the Merger Agreement in accordance with Delaware Law, then, immediately upon the conclusion of such meeting, the parties shall consummate the Closing. If the utilization of the Trust Agreement, described below, is required in order to meet immediately any remaining conditions to Closing, the Company shall cause all of the then outstanding capital stock of the Subsidiary or the Subsidiaries of the Company which own the Alliance Interests, and such other assets as Parent and the Company shall agree, to be placed into an irrevocable trust pursuant to an Agreement and Declaration of Trust (the "Trust Agreement") substantially in the form of Annex 7.1 to this Agreement, with only such changes as are (x) required by any governmental body, agency, official or authority or (y) mutually agreed by Parent, the Company and the Trustees. For purposes of this Section 7.1(d), "Trustees" shall mean those Persons selected jointly by Parent and the Company to serve as the trustees under the Trust Agreement.

SECTION 7.2 Certain Filings.

The Company and Parent shall cooperate with one another (a) in connection with the preparation of the Company Proxy Statement, the Parent Proxy Statement and the Form S-4, (b) in determining whether any action by or in respect of, or filing with, any governmental body, agency or official, or authority is required, or any actions, consents, approvals or waivers are required to be obtained from parties to any material contracts, in connection with the consummation of the transactions contemplated by this Agreement and (c) in seeking any such actions, consents, approvals or waivers or making any such filings, furnishing information required in connection therewith or with the Company Proxy Statement, the Parent Proxy Statement or the Form S-4 and seeking timely to obtain any such actions, consents, approvals or waivers.

SECTION 7.3 Access to Information.

From the date of this Agreement until the Effective Time, to the extent permitted by applicable law, the Company and Parent will upon reasonable request give the other party, its counsel, financial advisors, auditors and other authorized representatives reasonable access to the offices, properties, books and records of such party and its Subsidiaries during normal business hours, furnish to the other party, its counsel, financial advisors, auditors and other authorized representatives such financial and operating data and other information as such Persons may reasonably request and will instruct its own employees, counsel and financial advisors to cooperate with the other party in its investigation of the business of the Company or Parent, as the case may be; provided that no investigation of the other party's business shall affect any representation or warranty given by either party hereunder. All information obtained by Parent or the Company pursuant to this Section 7.3 shall be kept confidential in accordance with, and shall otherwise be subject to the terms of, the Confidentiality Agreement dated February 5, 1999 between Parent and the Company (the "Confidentiality Agreement").

SECTION 7.4 Tax and Accounting Treatment.

Neither Parent nor the Company shall, nor shall they permit their Subsidiaries to take, any action, and Parent and the Company shall not, and shall ensure that its Subsidiaries do not, fail to take any action which action or failure to act would prevent, or would be reasonably likely to prevent, the Merger from qualifying (a) for "pooling of interests" accounting treatment as described in Section 3.19(a) or (b) as a 368 Reorganization.

SECTION 7.5 Public Announcements.

Parent and the Company will consult with each other before issuing any press release or making any public statement with respect to this Agreement and the transactions contemplated hereby and shall not issue any press release or make any public statement without the prior consent of the other party, which consent shall not be unreasonably withheld. Notwithstanding the foregoing, any press release or public statement as may be required by applicable law or any listing agreement with any national securities exchange may be issued prior to such consultation, if the party making the release or statement has used its reasonable best efforts to consult with the other party.

SECTION 7.6 Further Assurances.

At and after the Effective Time, the officers and directors of the Surviving Corporation will be authorized to execute and deliver, in the name and on behalf of the Company or Merger Subsidiary, any deeds, bills of sale, assignments or assurances and to take any other actions and do any other things, in the name and on behalf of the Company or Merger Subsidiary, reasonably necessary to vest, perfect or confirm of record or otherwise in the Surviving Corporation any and all right, title and interest in, to and under any of the rights, properties or assets of the Company acquired or to be acquired by the Surviving Corporation as a result of, or in connection with, the Merger.

SECTION 7.7 Notices of Certain Events.

(a) Each of the Company and Parent shall promptly notify the other party of:

(i) any notice or other communication from any Person alleging that the consent of such Person is or may be required in connection with the transactions contemplated by this Agreement; and

(ii) any notice or other communication from any governmental or regulatory agency or authority in connection with the transactions contemplated by this Agreement.

(b) The Company and Parent shall promptly notify the other party of any actions, suits, claims, investigations or proceedings commenced or, to the best of its knowledge threatened against, relating to or involving or otherwise affecting such party or any of its Subsidiaries which relate to the consummation of the transactions contemplated by this Agreement.

SECTION 7.8 Affiliates.

(a) Not less than 45 days prior to the Effective Time, each of Parent and the Company (i) shall have delivered to the other party a letter identifying all Persons who, in the opinion of

the party delivering the letter, may be, as of the date of the Company Stockholder Meeting or Parent Stockholder Meeting, as applicable, its "affiliates" for purposes of SEC Accounting Series Releases 130 and 135 and/or, in the case of the Company, for purposes of Rule 145 under the Securities Act, and (ii) shall use its reasonable best efforts to cause each Person who is identified as an "affiliate" of it in such letter to deliver, as promptly as practicable but in no event later than 30 days prior to the Closing (or after such later date as the Parent and the Company may agree) to Parent in the case of affiliates of Parent, a signed agreement substantially in the form attached as Exhibit C-1, and in the case of affiliates of the Company, substantially in the forms attached as Exhibits C-2 and C-3. Each of Parent and the Company shall notify the other party from time to time after the delivery of the letter described in Section 7.8(a)(i) of any Person not identified on such letter who then is, or may be, such an "affiliate" and use its reasonable best efforts to cause each additional Person who is identified as an "affiliate" to execute a signed agreement or agreements as set forth in this Section 7.8(a).

(b) Shares of Parent Common Stock and shares of Company Common Stock beneficially owned by each such "affiliate" of Parent or Company who has not provided a signed agreement or agreements, as applicable, in accordance with Section 7.8(a) shall not be transferable during any period prior to and after the Effective Time if, as a result of this transfer during any such period, taking into account the nature, extent and timing of this transfer and similar transfers by all other "affiliates" of Parent and the Company, this transfer will, in the reasonable judgment of accountants of Parent, interfere with, or prevent the Merger from being accounted for, as a "pooling-of-interests" under GAAP and/or the rules and regulations of the SEC. Neither Parent or the Company shall register, or allow its transfer agent to register, on its books, any transfer of any shares of Parent Common Stock or Company Common Stock of any affiliate of Parent or the Company who has not provided a signed agreement in accordance with Section 7.8(a) unless the transfer is made in compliance with the foregoing.

SECTION 7.9 Payment of Dividends.

From the date hereof until the Effective Time, Parent and the Company will coordinate with each other regarding the declaration of dividends in respect of the shares of Parent Common Stock and the shares of Company Common Stock and the record dates and payment dates relating thereto, it being the intention of the parties that holders of shares of Company Common Stock will not receive two dividends, or fail to receive one dividend, for any single calendar quarter with respect to their shares of Company Common Stock and the shares of Parent Common Stock any holder of shares of Company Common Stock receives in exchange therefor in connection with the Merger.

SECTION 7.10 No Solicitation.

(a) Each of Parent and the Company and their respective Subsidiaries will not, and Parent and the Company will direct and use their respective best efforts to cause their and their Subsidiaries' respective officers, directors, employees, investment bankers, consultants, attorneys, accountants, agents and other representatives not to, directly or indirectly, take any action to solicit, initiate, encourage or facilitate the making of any Acquisition Proposal (including without limitation by amending, or granting any waiver under, the Parent Rights Agreement or the Company Rights Agreement, as applicable) or any inquiry with respect thereto

or engage in discussions or negotiations with any Person with respect thereto, or disclose any nonpublic information or afford access to properties, books or records to, any Person that has made, or to such party's knowledge, is considering making, any Acquisition Proposal. Nothing contained in this Agreement shall prevent the Board of Directors of Parent or the Company from complying with Rule 14e-2 under the Exchange Act with regard to an Acquisition Proposal; provided that the Board of Directors of such party shall not recommend that the stockholders of such party tender their shares in connection with a tender offer or exchange offer except to the extent that, after receiving a Superior Proposal, such Board of Directors of such party determines in its good faith judgment, after receiving the advice of outside legal counsel, that, in light of such Superior Proposal, failure to make such a recommendation would be reasonably likely to be inconsistent with fulfilling the fiduciary duties of the Board of Directors to such party's stockholders under applicable law and such party shall have complied with the procedure set forth in Section 5.2 or 6.4, to the extent applicable. Notwithstanding anything to the contrary in this Agreement, prior to the date of approval of this Agreement and the Merger by the stockholders of Parent or the Company, as applicable, Parent or the Company may (A) furnish information and access to a third party, but only in response to a request for information or access, to any Person making an Acquisition Proposal to the board of directors of Parent or the Company, as applicable, after the date hereof which was not knowingly encouraged, solicited or initiated by Parent or the Company, as applicable, or any of its affiliates or any director, employee, representative or agent of Parent or the Company, as applicable, or any of its respective Subsidiaries (including, without limitation, any investment banker, attorney or accountant retained by Parent or the Company or any of its Subsidiaries) on or after the date hereof and (B) may participate in discussions and negotiate with such Person concerning any such Acquisition Proposal, if and only if, in any such case set forth in clause A or B of this paragraph, (i) the Board of Directors of Parent or Company, as applicable, concludes in good faith, after receipt of the advice of a financial advisor of nationally recognized reputation and outside legal counsel, that such Acquisition Proposal is reasonably likely to result in a Superior Proposal with respect to Parent or the Company, as applicable, (ii) the Company or Parent, as applicable, complies with all of its obligations under this Agreement, and (iii) the board of directors of Parent or the Company, as applicable, receives from the Person making such an Acquisition Proposal an executed confidentiality agreement the material terms of which are (without regard to the terms of such Acquisition Proposal) in all material respects (x) no less favorable to the Company or Parent, as applicable, and (y) no less restrictive to the Person making such Acquisition Proposal than those contained in the Confidentiality Agreement.

(b) Any party receiving an Acquisition Proposal will (A) promptly (and in no event later than 48 hours after receipt of any Acquisition Proposal) notify (which notice shall be provided orally and in writing and shall identify the Person making such Acquisition Proposal and set forth the material terms thereof) the other party to this Agreement after receipt of any Acquisition Proposal, any indication of which such party has knowledge that any Person is considering making an Acquisition Proposal, or any request for nonpublic information relating to such party or any Subsidiary of such party or for access to the properties, books or records of such party or any Subsidiary of such party by any Person that has made, or to such party's knowledge may be considering making, an Acquisition Proposal, and (B) will keep the other party to this Agreement informed of the status and material terms of (including all changes to the

status or material terms of) any such Acquisition Proposal or request. Each of Parent and the Company (x) shall, and shall cause their respective Subsidiaries to, immediately cease and cause to be terminated and shall use reasonable best efforts to cause its and their officers, directors, employees, investment bankers, consultants, attorneys, accountants, agents and other representatives to, immediately cease and cause to be terminated, all discussions and negotiations, if any, that have taken place prior to the date hereof with any Persons with respect to any Acquisition Proposal and (y) shall promptly request each Person, if any, that has executed a confidentiality agreement within the 9 months prior to the date hereof in connection with its consideration of any Acquisition Proposal to return or destroy all confidential information heretofore furnished to such Person by or on behalf of it or any of its Subsidiaries.

For purposes of this Agreement, "Acquisition Proposal" means any bona fide written offer or proposal for, or any written indication of interest in, any (i) direct or indirect acquisition or purchase of any business or assets of Parent or the Company or any of their respective Subsidiaries that, individually or in the aggregate, constitutes 20% or more of the net revenues, net income or assets of such party and its Subsidiaries, taken as a whole, (ii) direct or indirect acquisition or purchase of 20% or more of any class of equity securities of Parent or the Company or any of their respective Subsidiaries whose business constitutes 20% or more of the net revenues, net income or assets of such party and its Subsidiaries, taken as a whole, (iii) tender offer or exchange offer that, if consummated, would result in any Person beneficially owning 20% or more of any class of equity securities of Parent or the Company or any of their respective Subsidiaries whose business constitutes 20% or more the net revenues, net income or assets of such party and its Subsidiaries, taken as a whole, or (iv) merger, consolidation, business combination, joint venture, partnership, recapitalization, liquidation, dissolution or similar transaction involving Parent or the Company or any of their respective Subsidiaries whose business constitutes 20% or more of the net revenue, net income or assets of such party and its Subsidiaries, taken as a whole, other than the transactions contemplated by this Agreement; provided, however, that (a) with respect to Parent, an offer or proposal shall not be deemed an Acquisition Proposal if (x) the execution of agreement with respect to, and consummation of, the transaction contemplated thereby would not be reasonably likely to prevent the Parent and Merger Subsidiary from consummating the Merger or to materially delay Parent's or Merger Subsidiary's ability to consummate the Merger and (y) execution of an agreement with respect to the transaction contemplated thereby is not prohibited by Section 6.1, or, if the execution of such agreement would be prohibited by Section 6.1, such an agreement will not be entered into until after the provisions contained in Section 6.1 are no longer in effect and (b) with respect to the Company, any offer or proposal for the disposition by the Company of the Alliance Interests shall not be deemed to be an Acquisition Proposal. For purposes of this Agreement, "Superior Proposal" means any bona fide written Acquisition Proposal for or in respect of at least a majority of the outstanding shares of Company Common Stock, or Parent Common Stock, as applicable (i) on terms that the Board of Directors of Parent or the Company, as applicable, determines in its good faith judgment (after consultation with, and taking into account the advice of, a financial advisor of nationally recognized reputation, taking into account all the terms and conditions of the Acquisition Proposal, including any break-up fees, expense reimbursement provisions and conditions to consummation) are more favorable from a financial point of view to its stockholders than the Merger and the other transactions contemplated hereby and (ii) that

constitutes a transaction that is reasonably likely to be consummated on the terms set forth, taking into account all legal, financial, regulatory and other aspects of such proposal.

(c) Each of the Company and Parent agrees that it will take the necessary steps promptly to inform its Subsidiaries and its officers, directors, investment bankers, consultants, attorneys, accountants, agents and other representatives of the obligations undertaken in this Section 7.10.

SECTION 7.11 Letters from Accountants.

(a) Parent shall use reasonable best efforts to cause to be delivered to Parent and the Company two letters from PricewaterhouseCoopers LLP, one dated the date on which the Form S-4 shall become effective and one dated the Closing Date, each addressed to the Boards of Directors of Parent and the Company, in form and substance reasonably satisfactory to the Company and customary in scope and substance for comfort letters delivered by independent public accountants in connection with registration statements similar to the Form S-4.

(b) Parent shall use reasonable best efforts to cause to be delivered to Parent and the Company a letter from PricewaterhouseCoopers LLP, dated as of the Closing Date, addressed to the Boards of Directors of Parent and the Company, stating that PricewaterhouseCoopers LLP concurs with Parent's management's conclusion that accounting for the Merger as a "pooling of interests" under Opinion No. 16 (Business Combination) of the Accounting Principles Board of the American Institute of Certified Public Accountants and the rules and regulations of the Commission is appropriate if the Merger is closed and consummated in accordance with the terms hereof.

(c) The Company shall use reasonable best efforts to cause to be delivered to the Company and Parent two letters from Arthur Andersen LLP, one dated the date on which the Form S-4 shall become effective and one dated the Closing Date, each addressed to the Boards of Directors of the Company and Parent, in form and substance reasonably satisfactory to Parent and customary in scope and substance for comfort letters delivered by independent public accountants in connection with registration statement similar to the Form S-4.

(d) The Company shall use reasonable best efforts to cause to be delivered to the Company a letter from Arthur Andersen LLP, dated as of the Closing Date, addressed to the Board of Directors of the Company, stating that Arthur Andersen LLP concurs with the Company's management's conclusion that the Company is eligible to participate in a transaction accounted for as a "pooling of interests" under Opinion No. 16 (Business Combination) of the Accounting Principles Board of the American Institute of Certified Public Accountants and the rules and regulations of the Commission.

SECTION 7.12 Takeover Statutes.

If any anti-takeover or similar statute or regulation is or may become applicable to the transactions contemplated hereby, each of the parties and its Board of Directors shall grant such approvals and take all such actions as are legally permissible so that the transactions contemplated hereby may be consummated as promptly as practicable on

the terms contemplated hereby and otherwise act to eliminate or minimize the effects of any such statute or regulation on the transactions contemplated hereby.

SECTION 7.13 Headquarters.

After the Effective Time, the headquarters of Parent shall continue to be located in San Francisco, California.

SECTION 7.14 Section 16(b).

Parent shall take all such steps reasonably necessary to cause the transactions contemplated hereby and any other dispositions of equity securities of the Company (including derivative securities) or acquisitions of Parent equity securities (including derivative securities) in connection with this Agreement by each individual who (a) is a director or officer of the Company or (b) at the Effective Time, will become a director or officer of Parent, to be exempt under Rule 16b-3 promulgated under the Exchange Act.

ARTICLE 8

CONDITIONS TO THE MERGER

SECTION 8.1 Conditions to the Obligations of Each Party.

The obligations of the Company, Parent and Merger Subsidiary to consummate the Merger are subject to the satisfaction (or, to the extent legally permissible, waiver) of the following conditions:

(a) this Agreement and the Merger shall have been approved and adopted by the stockholders of the Company in accordance with Delaware Law;

(b) any applicable waiting period under the HSR Act relating to the Merger shall have expired;

(c) the approval by the European Commission of the transactions contemplated by this Agreement shall have been obtained pursuant to the EC Merger Regulation;

(d) no provision of any applicable law or regulation and no judgment, injunction, order or decree (i) shall prohibit or enjoin the consummation of the Merger or (ii) if not complied with, shall have or be reasonably likely to have a Material Adverse Effect on Parent (including the Surviving Corporation) after the Effective Time;

(e) the Common Stock Issuance shall have been approved by the stockholders of Parent in accordance with the rules and regulations of the NYSE;

(f) the Form S-4 shall have been declared effective under the Securities Act and such Form S-4 shall indicate that Parent will account for the Merger as a "pooling of interests," and no stop order suspending the effectiveness of the Form S-4 shall be in effect and no proceedings for such purpose shall be pending before or threatened by the Commission;

(g) the shares of Parent Common Stock to be issued in the Merger shall have been approved for listing on the NYSE, subject to official notice of issuance;

(h) Parent shall have received letters of PricewaterhouseCoopers LLP and Arthur Andersen LLP as contemplated by paragraphs (b) and (d) of Section 7.11;

(i) neither the Federal Trade Commission nor the Antitrust Division of the Department of Justice, as the case may be, shall have, as a condition to its approval of the Merger and the other transactions contemplated by this Agreement, required Parent to take any action which, individually or in the aggregate, would result in, or be reasonably likely to result in, a Material Adverse Effect on Parent (including the Surviving Corporation) after the Effective Time;

(j) there shall not be instituted or pending any action or proceeding by any governmental authority (whether domestic, foreign or supranational) before any court or governmental authority or agency, domestic, foreign or supranational, seeking to (i) restrain, prohibit or otherwise interfere with the ownership or operation by Parent or any Subsidiary of Parent of all or any portion of the business of the Company or any of its Subsidiaries or of Parent or any of its Subsidiaries or to compel Parent or any Subsidiary of Parent to dispose of or hold separate all or any portion of the business or assets of the Company or any of its Subsidiaries or of Parent or any of its Subsidiaries, (ii) to impose or confirm limitations on the ability of Parent or any Subsidiary of Parent effectively to exercise full rights of ownership of the shares of Company Common Stock (or shares of stock of the Surviving Corporation) including, without limitation, the right to vote any shares of Company Common Stock (or shares of stock of the Surviving Corporation) on any matters properly presented to stockholders or (iii) seeking to require divestiture by Parent or any Subsidiary of Parent of any shares of Company Common Stock (or shares of stock of the Surviving Corporation), if any such matter referred to in subclauses (i), (ii) and (iii) hereof, individually or in the aggregate, would result in, or would be reasonably likely to result in, a Material Adverse Effect on Parent (including the Surviving Corporation) after the Effective Time;

(k) there shall not be any statute, rule, regulation, injunction, order or decree, enacted, enforced, promulgated, entered, issued or deemed applicable to the Merger and the other transactions contemplated hereby (or in the case of any statute, rule or regulation, awaiting signature or reasonably expected to become law), by any court, government or governmental authority or agency or legislative body, domestic, foreign or supranational, which, individually or in the aggregate, would result in, or would be reasonably likely to result in, a Material Adverse Effect on Parent (including the Surviving Corporation) after the Effective Time; and

(l) all required approvals or consents of any governmental authority (whether domestic, foreign or supranational) in connection with the Merger and the consummation of the other transactions contemplated hereby shall have been obtained (and all relevant statutory, regulatory or other governmental waiting periods, whether domestic, foreign or supranational, shall have expired) unless the failure to receive any such approval or consent would not and would not be reasonably expected to result in a Material Adverse Effect on Parent (including the Surviving Corporation) after the Effective Time and (ii) all such approvals and consents which have been obtained shall be on terms which, individually or in the aggregate, would not result in, or would not be reasonably likely to result in, a Material Adverse Effect on Parent (including the

SECTION 8.2 Conditions to the Obligations of Parent and Merger

Subsidiary.

The obligations of Parent and Merger Subsidiary to consummate the Merger are subject to the satisfaction (or, to the extent legally permissible, waiver) of the following further conditions:

(a) (i) the Company shall have performed in all material respects all of its obligations hereunder required to be performed by it as of or prior to the Closing Date, (ii) the representations and warranties of the Company contained in this Agreement and in any certificate or other writing delivered by the Company pursuant hereto shall be true and correct (without giving effect to any limitation as to "materiality" or "Material Adverse Effect" set forth therein) when made and at and as of the Effective Time as if made at and as of such time (except to the extent expressly made as of an earlier date, in which case as of such earlier date), except where the failure of such representations and warranties to be true and correct (without giving effect to any limitation as to "materiality" or "Material Adverse Effect" set forth therein) would not, individually or in the aggregate, have, or be reasonably likely to have, a Material Adverse Effect on the Company, and (iii) Parent shall have received a certificate signed by an executive officer of the Company to the foregoing effect;

(b) Parent shall have received an opinion of McDermott, Will & Emery (or such other counsel reasonably acceptable to Parent), on the basis of customary representations and assumptions set forth in such opinion, dated the Effective Time, to the effect that the Merger will be treated for federal income tax purposes as a reorganization qualifying under the provisions of Section 368(a) of the Code. In rendering such opinion, such counsel shall be entitled to rely upon customary representations of officers of Parent and the Company reasonably requested by counsel; and

(c) since the date of this Agreement, there shall not have been any event, occurrence, development or state of circumstances which, individually or in the aggregate, would have, or would be reasonably likely to have, a Material Adverse Effect on the Company.

SECTION 8.3 Conditions to the Obligations of the Company.

The obligation of the Company to consummate the Merger is subject to the satisfaction (or, to the extent legally permissible, waiver) of the following further conditions:

(a) (i) Parent shall have performed in all material respects all of its obligations hereunder required to be performed by it as of or prior to the Closing Date, (ii) the representations and warranties of Parent contained in this Agreement and in any certificate or other writing delivered by Parent pursuant hereto shall be true and correct (without giving effect to any limitation as to "materiality" or "Material Adverse Effect" set forth herein) when made and at and as of the Effective Time as if made at and as of such time (except to the extent expressly made as of an earlier date, in which case as of such earlier date, except where the failure of such representations to be true and correct (without giving effect to any limitation as to "materiality" or "Material Adverse Effect" set forth herein) would not, individually or in the aggregate, have, or be reasonably likely to have, a Material Adverse Effect on Parent and (iii) the Company shall have received a certificate signed by an executive officer of Parent to the

foregoing effect;

(b) the Company shall have received an opinion of Davis Polk & Wardwell (or such other counsel reasonably acceptable to the Company), on the basis of customary representations and assumptions set forth in such opinion, dated the Effective Time, to the effect that the Merger will be treated for federal income tax purposes as a reorganization qualifying under the provisions of Section 368(a) of the Code. In rendering such opinion, such counsel shall be entitled to rely upon customary representations of officers of Parent and the Company reasonably requested by counsel; and

(c) since the date of this Agreement, there shall not have been any event, occurrence, development or state of circumstances which, individually or in the aggregate, would have, or would be reasonably likely to have, a Material Adverse Effect on Parent.

ARTICLE 9

TERMINATION

SECTION 9.1 Termination.

This Agreement may be terminated and the Merger may be abandoned at any time prior to the Effective Time (notwithstanding the obtaining of the Company Stockholder Approval or the Parent Stockholder Approval);

- (a) by mutual written consent of the Company and Parent;
- (b) by either the Company or Parent;

(i) if the Merger has not been consummated by October 15, 2001 (the "End Date"); provided, however, that if (x) the Effective Time has not occurred by such date by reason of nonsatisfaction of any of the conditions set forth in Sections 8.1(b), 8.1(c), 8.1(i), 8.1(j), 8.1(k), 8.1(l) and (y) all other conditions in Article 8 have theretofore been satisfied or (to the extent legally permissible) waived or are then capable of being satisfied, the End Date will be April 15, 2002; provided further that the right to terminate this Agreement under this Section 9.1(b)(i) shall not be available to any party whose failure to fulfill in any material respect any obligation under this Agreement has caused or resulted in the failure of the Effective Time to occur on or before the End Date;

(ii) if the Company Stockholder Approval shall not have been obtained by reason of the failure to obtain the required vote at a duly held meeting of stockholders or any adjournment thereof; or

(iii) if the Common Stock Issuance Approval shall not have been obtained by reason of the failure to obtain the required vote at a duly held meeting of stockholders or any adjournment thereof;

(c) by either the Company or Parent, if there shall be any law or regulation that makes

consummation of the Merger illegal or otherwise prohibited or if any judgment, injunction, order or decree enjoining Parent or the Company from consummating the Merger is entered and such judgment, injunction, order or decree shall become final and nonappealable;

(d) by Parent, if the Board of Directors of the Company shall have failed to recommend or withdrawn or modified or changed in a manner adverse to Parent its approval or recommendation of this Agreement or the Merger, whether or not permitted by the terms hereof, or shall have failed to call and hold the Company Stockholder Meeting in accordance with Section 5.2, or shall have recommended a Superior Proposal (or the Board of Directors of the Company shall resolve to do any of the foregoing);

(e) by the Company, if the Board of Directors of Parent shall have failed to recommend or shall have withdrawn or modified or changed in a manner adverse to the Company its approval and recommendation of the Common Stock Issuance or the Name Change Amendment, whether or not permitted by the terms hereof, or shall have failed to call and hold the Parent Stockholder Meeting in accordance with Section 6.4 or shall have recommended a Superior Proposal (or the Board of Directors of Parent resolves to do any of the foregoing);

(f) by either Parent or the Company, if there shall have been a breach by the other of any of its representations, warranties, covenants or obligations contained in this Agreement, which breach would result in the failure to satisfy one or more of the conditions set forth in Section 8.2(a) (in the case of a breach by the Company) or Section 8.3(a) (in the case of a breach by Parent), and in any such case such breach shall be incapable of being cured or, if capable of being cured, shall not have been cured within 30 days after written notice thereof shall have been received by the party alleged to be in breach;

The party desiring to terminate this Agreement pursuant to clause (b), (c), (d), (e) or (f) of this Section 9.1 shall give written notice of such termination to the other party in accordance with Section 10.1, specifying the provision hereof pursuant to which such termination is effected.

SECTION 9.2 Effect of Termination.

If this Agreement is terminated pursuant to Section 9.1, this Agreement shall become void and of no effect with no liability on the part of any party hereto, except that (a) the agreements contained in this Section 9.2, in Section 10.4, 10.5 and 10.6 hereof or in the Option Agreements and in the Confidentiality Agreement, and the representations and warranties with respect to the Option Agreements, shall survive the termination hereof and (b) no such termination shall relieve any party of any liability or damages resulting from any willful breach by that party of this Agreement or the Option Agreements.

(b) No failure or delay by any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by law.

SECTION 10.4 Expenses.

(a) Except as otherwise specified in Section 10.5 or 10.6, or the Option Agreements or as otherwise agreed to in writing by the parties, all costs and expenses incurred in connection with this Agreement and the transactions contemplated by this Agreement shall be paid by the party incurring such cost or expense.

then in any case as described in clause (i), (ii), or (iii) the Company shall pay to Parent (by wire transfer of immediately available funds) (x) \$500,000,000 not later than the date of termination of this Agreement and (y) an additional \$500,000,000, if and not later than the date an Acquisition Proposal is consummated or a definitive agreement is entered into by the Company in connection with any Acquisition Proposal, as long as such Acquisition Proposal is consummated or such definitive agreement is executed within 12 months after the date of termination of this Agreement.

SECTION 10.6 Parent Termination Fee. If:

(i) The Company shall terminate this Agreement pursuant to Section 9.1(e); or

(ii) either the Company or Parent shall terminate this Agreement pursuant to Section 9.1(b)(iii) and prior to the Parent Stockholder Meeting an Acquisition Proposal relating to Parent has been made by any Person to the Parent or the stockholders of Parent by any Person; or

(iii) any Person shall have made to Parent or its stockholders an Acquisition Proposal relating to Parent and thereafter this Agreement is terminated pursuant to Section 9.1(b)(i);

SECTION 10.9 Jurisdiction.

Any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement, the Option Agreements or the transactions contemplated hereby or thereby may be brought in any federal or state court located in the State of Delaware, and each of the parties hereby consents to the jurisdiction of such courts (and of the appropriate appellate courts therefrom) in any such suit, action or proceeding and irrevocably waives, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of the venue of any such suit, action or proceeding in any such court or that any such suit, action or proceeding which is brought in any such court has been brought in an inconvenient forum. Process in any such suit, action or proceeding may be served on any party anywhere in the world, whether within or without the jurisdiction of any such court. Without limiting the foregoing, each party agrees that service of process on such party as provided in Section 10.1 shall be deemed effective service of process on such party.

EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

SECTION 10.11 Counterparts; Effectiveness.

This Agreement may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. This Agreement shall become

effective when each party hereto shall have received counterparts hereof signed by all of the other parties hereto.

SECTION 10.12 Entire Agreement.

This Agreement (including the Exhibits and Schedules hereto), the Option Agreements and the Confidentiality Agreement constitute the entire agreement between the parties with respect to the subject matter of this Agreement and supersede all prior agreements and understandings, both oral and written, between the parties with respect to the subject matter hereof and thereof. Except as provided in Section 6.3(c), no provision of this Agreement or any other agreement contemplated hereby is intended to confer on any Person other than the parties hereto any rights or remedies.

The captions herein are included for convenience of reference only and shall be ignored in the construction or interpretation hereof.

SECTION 10.14 Severability.

If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction or other authority to be invalid, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions of this Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party. Upon such a determination, the parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the fullest extent possible.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed by their respective authorized officers as of the day and year first above written.

STOCK OPTION AGREEMENT

THIS STOCK OPTION AGREEMENT (this "Agreement"), dated as of October 15, 2000, between Chevron Corporation, a Delaware corporation ("Parent"), and Texaco Inc., a Delaware corporation (the "Company").

W I T N E S S E T H :

WHEREAS, Parent and the Company are concurrently with the execution and delivery of this Agreement entering into an Agreement and Plan of Merger (the "Merger Agreement") pursuant to which, among other things, Merger Subsidiary will merge with and into the Company on the terms and subject to the conditions stated therein; and

WHEREAS, in order to induce Parent to enter into the Merger Agreement and as a condition for Parent's agreeing so to do, the Company has granted to Parent the Stock Option (as hereinafter defined), on the terms and conditions set forth herein;

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth herein and in the Merger Agreement, and for other good and valuable consideration, the adequacy of which is hereby acknowledged, the parties hereto agree as follows:

Section 1. Definitions. Capitalized terms used and not defined herein have the respective meanings assigned to them in the Merger Agreement.

Section 2. Grant of Stock Option.

(a) The Company hereby grants to Parent an irrevocable option (the "Stock Option") to purchase, on the terms and subject to the conditions hereof, for \$53.71 per share (the "Exercise Price") in cash, up to 107,000,000 fully paid and non-assessable shares (the "Option Shares") of the Company's common stock, par value \$3.125 per share (the "Common Stock"). The Exercise Price and number of Option Shares shall be subject to adjustment as provided in Sections 2(b) and 6 below.

(b) In the event that any (i) additional shares of Common Stock are issued or otherwise become outstanding after the date of the Agreement (other than pursuant to this Agreement) or (ii) shares of Common Stock are redeemed, repurchased, retired or otherwise cease to be outstanding after the date of the Agreement, the number of shares of Common Stock subject to the Stock Option shall be increased or decreased, as appropriate, so that after such issuance or redemption, such number equals 19.9% of the number of shares of Common Stock then issued and outstanding (without giving effect to any shares subject or issued pursuant to the Stock Option). Nothing contained in this Section 2(b) or elsewhere in this Agreement shall be deemed to authorize Parent or the Company to breach any provision of the Merger Agreement.

Section 3. Exercise of Stock Option.

(a) Parent may, subject to the provisions of this Section, exercise the Stock Option, in whole or in part, at any time or from time to time, after the occurrence of a Company Trigger Event (defined below) and prior to the Termination Date. "Termination Date" shall mean the earliest of (i) the Effective Time of the Merger, (ii) 90 days after the date full payment contemplated by Section 10.5 of the Merger Agreement is made by the Company to Parent thereunder or (iii) one day after the date of the termination of the Merger Agreement so long as, in the case of this clause (iii), no Company Trigger Event has occurred or could still occur pursuant to Section 10.5 of the Merger Agreement. Notwithstanding the occurrence of the Termination Date, Parent shall be entitled to purchase Option Shares pursuant to any exercise of the Stock Option, on the terms and subject to the conditions hereof, to the extent Parent exercised the Stock Option prior to the occurrence of the Termination Date. A "Company Trigger Event" shall mean an event the result of which is that the Company becomes obligated to pay a fee to Parent pursuant to Section 10.5 of the Merger Agreement.

(b) Parent may purchase Option Shares pursuant to the Stock Option only if all of the following conditions are satisfied: (i) no preliminary or permanent injunction or other order issued by any federal or state court of competent jurisdiction in the United States shall be in effect prohibiting delivery of the Option Shares, (ii) any applicable waiting period under the HSR Act shall have expired or been terminated, and (iii) any prior notification to or approval of any other regulatory authority in the United States or elsewhere required in connection with such purchase shall have been made or obtained, other than those which if not made or obtained would not reasonably be expected to result in a Material Adverse Effect on the Company and its Subsidiaries, taken as a whole.

(c) If Parent shall be entitled to and wishes to exercise the Stock Option, it shall do so by giving the Company written notice (the "Stock Exercise Notice") to such effect, specifying the number of Option Shares to be purchased and a place and closing date not earlier than three business days nor later than 10 business days from the date of such Stock Exercise Notice. If the closing cannot be consummated on such date because any condition to the purchase of Option Shares set forth in Section 3(b) has not been satisfied or as a result of any restriction arising under any applicable law or regulation, the closing shall occur five days (or such earlier time as Parent may specify) after satisfaction of all such conditions and the cessation of all such restrictions; provided that in no event shall the closing of the purchase be postponed by more than nine months after the Termination Date as a result of this clause (c).

(d) So long as the Stock Option is exercisable pursuant to the terms of Section 3(a) Parent may elect to send a written notice to the Company (the "Cash Exercise Notice") specifying a date not later than 20 business days and not earlier than 10 business days following the date such notice is given on which date the Company shall pay to Parent in exchange for the cancellation of the relevant portion of the Stock Option an amount in cash equal to the Spread (as hereinafter defined) multiplied by all or such portion of the Option Shares subject to the Stock Option as Parent shall specify. As used herein, "Spread" shall mean the excess, if any, over the Exercise Price of the higher of (x) if applicable, the highest price per share of Common Stock

paid or proposed to be paid by any Person pursuant to any Acquisition Proposal relating to the Company (the "Alternative Exercise Price") or (y) the average of the closing price of the shares of Common Stock on the NYSE at the end of the regular session, as reported on the Consolidated Tape, Network A for the five consecutive trading days ending on and including the trading date immediately preceding the date on which the Cash Exercise Notice is given (the "Average Market Price"). If the Alternative Exercise Price includes any property other than cash, the Alternative Exercise Price shall be the sum of (i) the fixed cash amount, if any, included in the Alternative Exercise Price plus (ii) the fair market value of such other property. If such other property consists of securities with an existing public trading market, the average of the closing prices (or the average of the closing bid and asked prices if closing prices are unavailable) for such securities in their principal public trading market on the five trading days ending five days prior to the date on which the Cash Exercise Notice is given shall be deemed to equal the fair market value of such property. If such other property includes anything other than cash or securities with an existing public trading market, the Alternative Exercise Price shall be deemed to equal the Average Market Price. Upon exercise of its right pursuant to this Section 3(d) and the receipt by Parent of the applicable cash amount with respect to the Option Shares or the applicable portion thereof, the obligations of the Company to deliver Option Shares pursuant to Section 3(e) shall be terminated with respect to the number of Option Shares specified in the Cash Exercise Notice. The Spread shall be appropriately adjusted, if applicable, to give effect to Section 6.

(e) (i) At any closing pursuant to Section 3(c) hereof, Parent shall make payment to the Company of the aggregate purchase price for the Option Shares to be purchased and the Company shall deliver to Parent a certificate representing the purchased Option Shares, registered in the name of Parent or its designee and (ii) at any closing pursuant to Section 3(d) hereof, the Company will deliver to Parent cash in an amount determined pursuant to Section 3(d) hereof. Any payment made by Parent to the Company, or by the Company to Parent, pursuant to this Agreement shall be made by wire transfer of immediately available funds to a bank designated by the party receiving such funds, provided that the failure or refusal by the Company to designate such a bank account shall not preclude Parent from exercising the Stock Option. If at the time of the issuance of Option Shares pursuant to the exercise of the Stock Option, Company Rights or any similar securities are outstanding, then the Option Shares issued pursuant to such exercise shall be accompanied by corresponding Company Rights or such similar securities.

(f) Certificates for Common Stock delivered at the closing described in Section 3(c) hereof shall be endorsed with a restrictive legend which shall read substantially as follows:

"The transfer of the shares represented by this certificate is subject to resale restrictions arising under the Securities Act of 1933, as amended. The shares represented by this certificate are also subject to repurchase by the Issuer pursuant to the Stock Option Agreement dated as of October 15, 2000, a copy of which agreement may be obtained upon request from the Issuer."

It is understood and agreed that the above legend shall be removed by delivery of substitute certificate(s) without this reference (i) if Parent shall have delivered to the Company a copy of a no-action letter from the staff of the Securities and Exchange Commission, or a written opinion of counsel, in form and substance reasonably satisfactory to the Company, to the effect that such legend is not required for purposes of, or resale may be effected pursuant to an exemption from registration under, the Securities Act or (ii) in connection with any sale registered under the Securities Act. In addition, these certificates shall bear any other legend as may be required by applicable law.

(g) At any time following the exercise by Parent of the Stock Option, the Company shall have the right, within 5 business days after written notice to Parent, to purchase for cash all of the Option Shares received by Parent pursuant to this Agreement at a purchase price per share equal to the higher of (x) the Alternative Exercise Price or (y) the Average Market Price. At any closing pursuant to this Section 3(g), the Company shall make payment to Parent of the aggregate purchase price for the Option Shares to be purchased and Parent shall deliver to the Company a certificate representing the purchased Option Shares.

Section 4. Representations and Warranties of the Company. The Company hereby represents and warrants to Parent as follows:

(a) The Company is a corporation duly incorporated, validly existing and in good standing under the laws of the State of Delaware. The execution, delivery and performance by the Company of this Agreement and the consummation by the Company of the transactions contemplated hereby (i) are within the Company's corporate powers, (ii) have been duly authorized by all necessary corporate action, (iii) require no action by or in respect of, or filing with, any governmental body, agency or official, except for compliance with any applicable requirements of the HSR Act, the Exchange Act, the Securities Act, and laws, rules and regulations in foreign jurisdictions governing antitrust or merger control matters (iv) assuming compliance with the matters referred to in clause (iii), do not contravene, or constitute a violation of, any provision of applicable law or regulation or of the certificate of incorporation or by-laws of the Company or of any judgment, injunction, order or decree binding upon the Company or any of its Subsidiaries, (v) do not and will not constitute a default under or give rise to a right of termination, cancellation or acceleration of any right or obligation of the Company or any of its Subsidiaries or to a loss of any benefit to which the Company or any of its Subsidiaries is entitled under any provision of any agreement, contract or other instrument binding upon the Company or any of its Subsidiaries or any license, franchise, permit or other similar authorization held by the Company or any of its Subsidiaries, and (vi) do not and will not result in the creation or imposition of any Lien on any asset of the Company or any of its Subsidiaries, except for such contraventions, conflicts or violations referred to in clause (iv) or defaults, rights of termination, cancellation or acceleration, or losses or Liens referred to in clauses (v) and (vi) that would not, individually or in the aggregate, have a Material Adverse Effect on the Company. This Agreement has been duly executed and delivered by the Company and constitutes a valid and binding agreement of the Company.

(b) The Company has taken all necessary corporate action to authorize and reserve and to permit it to issue, and at all times from the date hereof until such time as the obligation to deliver Option Shares upon the exercise of the Stock Option terminates, will have reserved for issuance upon any exercise of the Stock Option, the number of Option Shares subject to the Stock Option (less the number of Option Shares previously issued upon any partial exercise of the Stock Option). All of the Option Shares to be issued pursuant to the Stock Option have been duly authorized and, upon issuance and delivery thereof pursuant to this Agreement, will be duly authorized, validly issued, fully paid and nonassessable, and will be delivered free and clear of all claims, liens, charges, encumbrances and security interests (other than those created by this Agreement). Option Shares issued upon exercise of the Stock Option will not be subject to any preemptive or similar rights. The Board of Directors of the Company has resolved to, and the Company promptly after execution of this Agreement will, take all necessary action to render the Company Rights Agreement inapplicable to the grant or exercise of the Stock Option and the transactions contemplated hereby. The Board of Directors of the Company has taken all necessary action to render section 203 of the Delaware Law, or any other antitakeover statute or similar statute or regulation, and the supermajority voting provisions of Article XIII of the Company's certificate of incorporation and Article VII of the Company's by-laws inapplicable to the acquisition of the Option Shares pursuant to this Agreement.

Section 5. Representations and Warranties of Parent. Parent hereby represents and warrants to the Company as follows: Parent is a corporation duly incorporated, validly existing and in good standing under the laws of the State of Delaware. The execution, delivery and performance by Parent of this Agreement and the consummation of the transactions contemplated hereby (i) are within Parent's corporate powers and (ii) have been duly authorized by all necessary corporate action. The Option Shares acquired by Parent upon the exercise of the Stock Option will not be, and the Stock Option is not being, acquired by Parent with the intention of making a public distribution thereof. Neither the Stock Option nor the Option Shares acquired upon exercise of the Stock Option will be sold or otherwise disposed of by Parent except in compliance with the Securities Act. This agreement has been duly executed and delivered by Parent and constitutes a valid and binding agreement of Parent.

Section 6. Adjustment upon Changes in Capitalization or Merger.

(a) In the event of any change in the outstanding shares of Common Stock by reason of a stock dividend, stock split, reverse stock split, split-up, merger, consolidation, recapitalization, combination, conversion, exchange of shares, extraordinary or liquidating dividend or similar transaction which would affect Parent's rights hereunder, the type and number of shares or securities purchasable upon the exercise of the Stock Option and the Exercise Price shall be adjusted appropriately, and proper provision will be made in the agreements governing such transaction, as shall fully preserve the economic benefits provided hereunder to Parent and the full satisfaction of the Company's obligations hereunder. In no event shall the number of shares of Common Stock subject to the Stock Option exceed 19.9% of the number of shares of Common Stock issued and outstanding at the time of exercise (without giving effect to any shares subject or issued pursuant to the Stock Option).

(b) Without limiting the foregoing, whenever the number of Option Shares purchasable upon exercise of the Stock Option is adjusted as provided in this Section 6, the Exercise Price shall be adjusted by multiplying the Exercise Price by a fraction, the numerator of which is equal to the number of Option Shares purchasable prior to the adjustment and the denominator of which is equal to the number of Option Shares purchasable after the adjustment.

(c) Without limiting or altering the parties' rights and obligations under the Merger Agreement, in the event that the Company enters into an agreement (i) to consolidate with or merge into any Person, other than Parent or one of its Subsidiaries, and the Company will not be the continuing or surviving corporation in such consolidation or merger, (ii) to permit any Person, other than Parent or one of its Subsidiaries, to merge into the Company and the Company will be the continuing or surviving corporation, but in connection with such merger, the shares of Common Stock outstanding immediately prior to the consummation of such merger will be changed into or exchanged for stock or other securities of the Company or any other Person or cash or any other property, or the shares of Common Stock outstanding immediately prior to the consummation of such merger will, after such merger, represent less than 50% of the outstanding voting securities of the merged company, or (iii) to sell or otherwise transfer all or substantially all of its assets to any Person, other than Parent or one of its Subsidiaries, then, and in each such case, the agreement governing such transaction will make proper provision so that the Stock Option will, upon the consummation of any such transaction and upon the terms and conditions set forth herein, be converted into, or exchanged for, an option with identical terms appropriately adjusted to acquire the number and class of shares or other securities or property that Parent would have received in respect of Option Shares had the Stock Option been exercised immediately prior to such consolidation, merger, sale or transfer or the record date therefor, as applicable, and shall make any other necessary adjustments. The Company shall take such steps in connection with such consolidation, merger, liquidation or other such transaction as may be reasonably necessary to assure that the provisions hereof shall thereafter apply as nearly as possible to any securities or property thereafter deliverable upon exercise of the Stock Option.

Section 7. Further Assurances; Remedies.

(a) The Company agrees to maintain, free from preemptive rights, sufficient authorized but unissued or treasury shares of Common Stock so that the Stock Option may be fully exercised without additional authorization of Common Stock after giving effect to all other options, warrants, convertible securities and other rights of third parties to purchase shares of Common Stock from the Company, and to issue the appropriate number of shares of Common Stock pursuant to the terms of this Agreement. All of the Option Shares to be issued pursuant to the Stock Option, upon issuance and delivery thereof pursuant to this Agreement, will be duly authorized, validly issued, fully paid and non-assessable, and will be delivered free and clear of all claims, liens, charges, encumbrances and security interests (other than those created by this Agreement).

(b) The Company agrees not to avoid or seek to avoid (whether by charter amendment or through reorganization, consolidation, merger, issuance of rights, dissolution or

sale of assets, or by any other voluntary act) the observance or performance of any of the covenants, agreements or conditions to be observed or performed hereunder by the Company.

(c) The Company agrees that promptly after the occurrence of a Company Trigger Event it shall take all actions as may from time to time be required (including (i) complying with all applicable premerger notification, reporting and waiting period requirements under the HSR Act and (ii) in the event that prior notification to or approval of any other regulatory authority in the United States or elsewhere is necessary before the Stock Option may be exercised, complying with its obligations thereunder and cooperating with Parent in preparing and processing the required notices or applications) in order to permit Parent to exercise the Stock Option and purchase Option Shares pursuant to such exercise.

(d) The parties agree that Parent would be irreparably damaged if for any reason the Company failed to issue any of the Option Shares (or other securities or property deliverable pursuant to Section 6 hereof) upon exercise of the Stock Option or to perform any of its other obligations under this Agreement, and that Parent would not have an adequate remedy at law for money damages in such event. Accordingly, Parent shall be entitled to specific performance and injunctive and other equitable relief to enforce the performance of this Agreement by the Company. Accordingly, if Parent should institute an action or proceeding seeking specific enforcement of the provisions hereof, the Company hereby waives the claim or defense that Parent has an adequate remedy at law and hereby agrees not to assert in any such action or proceeding the claim or defense that such a remedy at law exists. The Company further agrees to waive any requirements for the securing or posting of any bond in connection with obtaining any such equitable relief. This provision is without prejudice to any other rights that Parent may have against the Company for any failure to perform its obligations under this Agreement.

Section 8. Listing of Option Shares. Promptly after the occurrence of a Company Trigger Event and from time to time thereafter if necessary, the Company will apply to list all of the Option Shares subject to the Stock Option on the NYSE and will use its reasonable best efforts to obtain approval of such listing as soon as practicable.

Section 9. Registration of the Option Shares.

(a) If, within two years of the exercise of the Stock Option, Parent requests the Company in writing to register under the Securities Act any of the Option Shares received by Parent hereunder, the Company will use its reasonable best efforts to cause the offering of the Option Shares so specified in such request to be registered as soon as practicable so as to permit the sale or other distribution by Parent of the Option Shares specified in its request (and to keep such registration in effect for a period of at least 90 days), and in connection therewith the Company shall prepare and file as promptly as reasonably possible (but in no event later than 60 days from receipt of Parent's request) a registration statement under the Securities Act to effect such registration on an appropriate form, which would permit the sale of the Option Shares by Parent in accordance with the plan of disposition specified by Parent in its request. The Company shall not be obligated to make effective more than two registration statements pursuant to the foregoing sentence; provided, however, that the Company may postpone the filing of a

registration statement relating to a registration request by Parent under this Section 9 for a period of time (not in excess of 90 days) if in the Company's reasonable, good faith judgment (i) such filing would require the disclosure of material information that the Company has a bona fide business purpose for preserving as confidential or (ii) the sale of Option Shares by Parent would materially interfere with any pending or anticipated acquisition, financing or transaction involving the Company or its Subsidiaries (but in no event shall the Company exercise such postponement right more than once in any twelve-month period).

(b) The Company shall notify Parent in writing not less than 10 days prior to filing a registration statement under the Securities Act (other than a filing on Form S-4 or S-8 or any successor form) with respect to any shares of Common Stock. If Parent wishes to have any portion of its Option Shares included in such registration, it shall advise the Company in writing to that effect within two business days following receipt of such notice, and the Company will thereupon include the number of Option Shares indicated by Parent in such registration; provided that if the managing underwriter(s) of the offering pursuant to such registration statement advise the Company that in their opinion the number of shares of Common Stock requested to be included in such registration exceeds the number which can be sold in such offering, the Company shall only include in such registration such number or dollar amount of Option Shares which, in the good faith opinion of the managing underwriter(s), can be sold without materially and adversely affecting such offering.

(c) All expenses relating to or in connection with any registration contemplated under this Section 9 and the transactions contemplated thereby (including all filing, printing, reasonable professional, roadshow and other fees and expenses relating thereto) will be at the Company's expense except for underwriting discounts or commissions and brokers' fees. The Company and Parent agree to enter into a customary underwriting agreement with underwriters upon such terms and conditions as are customarily contained in underwriting agreements with respect to secondary distributions. The Company shall indemnify Parent, its officers, directors, agents, other controlling persons and any underwriters retained by Parent in connection with such sale of such Option Shares in the customary way, and shall agree to customary contribution provisions with such persons, with respect to claims, damages, losses and liabilities (and any expenses relating thereto) arising (or to which Parent, its officers, directors, agents, other controlling persons or underwriters may be subject) in connection with any such offer or sale under the federal securities laws or otherwise, except for information furnished in writing by Parent or its underwriters to the Company. Parent and its underwriters, respectively, shall indemnify the Company to the same extent with respect to information furnished in writing to the Company by Parent and such underwriters, respectively.

Section 10. Miscellaneous.

(a) Extension of Exercise Periods. The periods during which Parent may exercise its rights under Sections 2 and 3 hereof, or the Company may exercise its rights under Section 2(g), shall be extended in each such case at the request of Parent to the extent necessary to avoid liability by Parent under Section 16(b) of the Exchange Act by reason of such exercise.

(b) Amendments; Entire Agreement. This Agreement may not be modified, amended, altered or supplemented, except upon the execution and delivery of a written agreement executed by the parties hereto. This Agreement, together with the Merger Agreement (including any exhibits and schedules thereto), contains the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes all prior and contemporaneous agreements and understandings, oral or written, with respect to such transactions.

(c) Notices. All notices, requests and other communications to either party hereunder shall be inwriting (including facsimile or similar writing) and shall be given,

Each such notice, request or other communication shall be effective (i) if given by facsimile, when such facsimile is transmitted to the facsimile number specified in this Section and the appropriate facsimile confirmation is received or (ii) if given by any other means, when delivered at the address specified in this Section.

(d) Expenses. Each party hereto shall pay its own expenses incurred in connection with this Agreement, except as otherwise specifically provided herein and without limiting anything contained in the Merger Agreement.

(e) Severability. If any term, provision, covenant or restriction of this Agreement is held to be invalid, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions of this Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated.

(f) Governing Law; Jurisdiction. This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware without regard to principles of conflicts of law. Any suit, action or proceeding seeking to enforce any provision of, or based on

any matter arising out of or in connection with, this Agreement or the transactions contemplated hereby may be brought in any federal or state court located in the State of Delaware, and each of the parties hereby consents to the jurisdiction of such courts (and of the appropriate appellate courts therefrom) in any such suit, action or proceeding and irrevocably waives, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of the venue of any such suit, action or proceeding in any such court or that any such suit, action or proceeding which is brought in any such court has been brought in an inconvenient forum. Process in any such suit, action or proceeding may be served on any party anywhere in the world, whether within or without the jurisdiction of any such court. Without limiting the foregoing, each party agrees that service of process on such party as provided in Section 10(c) hereof shall be deemed effective service of process on such party.

(g) Waiver of Jury Trial. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

(h) Counterparts. This Agreement may be executed in two or more

counterparts, each of which shall be an original, but all of which together shall constitute one and the same agreement.

(i) Headings. The section headings herein are for convenience only and

shall not affect the construction hereof.

(j) Assignment. This Agreement shall be binding upon each party hereto and such party's successors and assigns. This Agreement shall not be assignable by the Company, but may be assigned by Parent in whole or in part to any direct or indirect wholly-owned subsidiary of Parent, provided that Parent shall remain liable for any obligations so assigned.

(k) Survival. All representations, warranties and covenants contained herein shall survive the execution and delivery of this Agreement and the consummation of the transactions contemplated hereby.

(l) Time of the Essence. The parties agree that time shall be of the

essence in the performance of obligations hereunder.

(m) Public Announcement. Parent and the Company will consult with each other before issuing any press release or making any public statement with respect to this Agreement and the transactions contemplated hereby and shall not issue any such press release or make any such public statement without the prior consent of the other party, which shall not be unreasonably withheld. Notwithstanding the foregoing, any such press release or public statement as may be required by applicable law or any listing agreement with any national securities exchange, may be issued prior to such consultation, if the party making such release or statement has used its reasonable efforts to consult with the other party.

Section 11. Profit Limitation.

(a) Notwithstanding any other provision of this Agreement or the Merger Agreement, in no event shall Parent's Total Profit (as defined below) exceed \$1,100,000,000 (the "Maximum Amount") and, if it otherwise would exceed such Maximum Amount, Parent at its sole election may (i) pay cash to the Company, (ii) deliver to the Company for cancellation Option Shares previously purchased by Parent, or (iii) any combination thereof, so that Parent's actually realized Total Profit (as defined below) shall not exceed the Maximum Amount after taking into account the foregoing actions.

(b) Notwithstanding any other provision of this Agreement, the Stock Option may not be exercised for a number of Option Shares as would, as of the date of the Stock Exercise Notice or Cash Exercise Notice, as applicable, result in a Notional Total Profit (as defined below) of more than the Maximum Amount and, if exercise of the Stock Option otherwise would result in the Notional Total Profit exceeding such amount, Parent, at its discretion, may (in addition to any of the actions specified in Section 11(a) above) increase the Exercise Price for that number of Option Shares set forth in the Stock Exercise Notice or Cash Exercise Notice, as applicable, so that the Notional Total Profit shall not exceed the Maximum Amount; provided, that nothing in this sentence shall restrict any exercise of the Stock Option permitted hereby on any subsequent date at the Exercise Price set forth in Section 2 hereof.

(c) As used herein, the term "Total Profit" shall mean the aggregate amount (before taxes) of the following: (i) the cash amount actually received by Parent pursuant to Section 10.5 of the Merger Agreement less any repayment by Parent to the Company pursuant to Section 11(a)(i) hereof, (ii) (x) the net cash amounts or the fair market value of any property received by Parent pursuant to the sale of Option Shares (or of any other securities into or for which such Option Shares are converted or exchanged), less (y) Parent's purchase price for such Option Shares (or other securities) plus (iii) the aggregate amounts received by Parent pursuant to Section 3(d).

(d) As used herein, the term "Notional Total Profit" with respect to any number of Option Shares as to which Parent may propose to exercise the Stock Option shall mean the Total Profit determined as of the date of the Stock Exercise Notice or Cash Exercise Notice, as applicable, assuming that the Stock Option was exercised on such date for such number of Option Shares and assuming that such Option Shares, together with all other Option Shares previously acquired upon exercise of the Stock Option and held by Parent and its affiliates as of such date, were sold for cash at the closing price on the NYSE for the Common Stock as of the close of business on the preceding trading day (less customary brokerage commissions).

IN WITNESS WHEREOF, the Company and Parent have caused this Agreement to be duly executed as of the day and year first above written.

STOCK OPTION AGREEMENT

THIS STOCK OPTION AGREEMENT (this "Agreement"), dated as of October 15, 2000, between Chevron Corporation, a Delaware corporation ("Parent"), and Texaco Inc., a Delaware corporation (the "Company").

W I T N E S S E T H :

WHEREAS, Parent and the Company are concurrently with the execution and delivery of this Agreement entering into an Agreement and Plan of Merger (the "Merger Agreement") pursuant to which, among other things, Merger Subsidiary will merge with and into the Company on the terms and subject to the conditions stated therein; and

WHEREAS, in order to induce the Company to enter into the Merger Agreement and as a condition for the Company's agreeing so to do, Parent has granted to the Company the Stock Option (as hereinafter defined), on the terms and conditions set forth herein;

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth herein and in the Merger Agreement, and for other good and valuable consideration, the adequacy of which is hereby acknowledged, the parties hereto agree as follows:

Section 1. Definitions. Capitalized terms used and not defined herein have the respective meanings assigned to them in the Merger Agreement.

Section 2. Grant of Stock Option.

(a) Parent hereby grants to the Company an irrevocable option (the "Stock Option") to purchase, on the terms and subject to the conditions hereof, for \$85.96 per share (the "Exercise Price") in cash, up to 127,000,000 fully paid and non-assessable shares (the "Option Shares") of Parent's common stock, par value \$0.75 per share (the "Common Stock"). The Exercise Price and number of Option Shares shall be subject to adjustment as provided in Sections 2(b) and 6 below.

(b) In the event that any (i) additional shares of Common Stock are issued or otherwise become outstanding after the date of the Agreement (other than pursuant to this Agreement) or (ii) shares of Common Stock are redeemed, repurchased, retired or otherwise cease to be outstanding after the date of the Agreement, the number of shares of Common Stock subject to the Stock Option shall be increased or decreased, as appropriate, so that after such issuance or redemption, such number equals 19.9% of the number of shares of Common Stock then issued and outstanding (without giving effect to any shares subject or issued pursuant to the Stock Option). Nothing contained in this Section 2(b) or elsewhere in this Agreement shall be deemed to authorize Parent or the Company to breach any provision of the Merger Agreement.

Section 3. Exercise of Stock Option.

(a) The Company may, subject to the provisions of this Section, exercise the Stock Option, in whole or in part, at any time or from time to time, after the occurrence of a Parent Trigger Event (defined below) and prior to the Termination Date. "Termination Date" shall mean the earliest of (i) the Effective Time of the Merger, (ii) 90 days after the date full payment contemplated by Section 10.6 of the Merger Agreement is made by Parent to the Company thereunder or (iii) one day after the date of the termination of the Merger Agreement so long as, in the case of this clause (iii), no Parent Trigger Event has occurred or could still occur pursuant to Section 10.6 of the Merger Agreement. Notwithstanding the occurrence of the Termination Date, the Company shall be entitled to purchase Option Shares pursuant to any exercise of the Stock Option, on the terms and subject to the conditions hereof, to the extent the Company exercised the Stock Option prior to the occurrence of the Termination Date. A "Parent Trigger Event" shall mean an event the result of which is that Parent becomes obligated to pay a fee to the Company pursuant to Section 10.6 of the Merger Agreement.

(b) The Company may purchase Option Shares pursuant to the Stock Option only if all of the following conditions are satisfied: (i) no preliminary or permanent injunction or other order issued by any federal or state court of competent jurisdiction in the United States shall be in effect prohibiting delivery of the Option Shares, (ii) any applicable waiting period under the HSR Act shall have expired or been terminated, and (iii) any prior notification to or approval of any other regulatory authority in the United States or elsewhere required in connection with such purchase shall have been made or obtained, other than those which if not made or obtained would not reasonably be expected to result in a Material Adverse Effect on Parent and its Subsidiaries, taken as a whole.

(c) If the Company shall be entitled to and wishes to exercise the Stock Option, it shall do so by giving Parent written notice (the "Stock Exercise Notice") to such effect, specifying the number of Option Shares to be purchased and a place and closing date not earlier than three business days nor later than 10 business days from the date of such Stock Exercise Notice. If the closing cannot be consummated on such date because any condition to the purchase of Option Shares set forth in Section 3(b) has not been satisfied or as a result of any restriction arising under any applicable law or regulation, the closing shall occur five days (or such earlier time as the Company may specify) after satisfaction of all such conditions and the cessation of all such restrictions; provided that in no event shall the closing of the purchase be postponed by more than nine months after the Termination Date as a result of this clause (c).

(d) So long as the Stock Option is exercisable pursuant to the terms of Section 3(a) the Company may elect to send a written notice to Parent (the "Cash Exercise Notice") specifying a date not later than 20 business days and not earlier than 10 business days following the date such notice is given on which date Parent shall pay to the Company in exchange for the cancellation of the relevant portion of the Stock Option an amount in cash equal to the Spread (as hereinafter defined) multiplied by all or such portion of the Option Shares subject to the Stock Option as the Company shall specify. As used herein, "Spread" shall mean the excess, if any, over the Exercise Price of the higher of (x) if applicable, the highest price per share of Common

Stock paid or proposed to be paid by any Person pursuant to any Acquisition Proposal relating to Parent (the "Alternative Exercise Price") or (y) the average of the closing price of the shares of Common Stock on the NYSE at the end of the regular session, as reported on the Consolidated Tape, Network A for the five consecutive trading days ending on and including the trading date immediately preceding the date on which the Cash Exercise Notice is given (the "Average Market Price"). If the Alternative Exercise Price includes any property other than cash, the Alternative Exercise Price shall be the sum of (i) the fixed cash amount, if any, included in the Alternative Exercise Price plus (ii) the fair market value of such other property. If such other property consists of securities with an existing public trading market, the average of the closing prices (or the average of the closing bid and asked prices if closing prices are unavailable) for such securities in their principal public trading market on the five trading days ending five days prior to the date on which the Cash Exercise Notice is given shall be deemed to equal the fair market value of such property. If such other property includes anything other than cash or securities with an existing public trading market, the Alternative Exercise Price shall be deemed to equal the Average Market Price. Upon exercise of its right pursuant to this Section 3(d) and the receipt by the Company of the applicable cash amount with respect to the Option Shares or the applicable portion thereof, the obligations of Parent to deliver Option Shares pursuant to Section 3(e) shall be terminated with respect to the number of Option Shares specified in the Cash Exercise Notice. The Spread shall be appropriately adjusted, if applicable, to give effect to Section 6.

(e) (i) At any closing pursuant to Section 3(c) hereof, the Company shall make payment to Parent of the aggregate purchase price for the Option Shares to be purchased and Parent shall deliver to the Company a certificate representing the purchased Option Shares, registered in the name of the Company or its designee and (ii) at any closing pursuant to Section 3(d) hereof, Parent will deliver to the Company cash in an amount determined pursuant to Section 3(d) hereof. Any payment made by the Company to Parent, or by Parent to the Company, pursuant to this Agreement shall be made by wire transfer of immediately available funds to a bank designated by the party receiving such funds, provided that the failure or refusal by Parent to designate such a bank account shall not preclude the Company from exercising the Stock Option. If at the time of the issuance of Option Shares pursuant to the exercise of the Stock Option, Parent Rights or any similar securities are outstanding, then the Option Shares issued pursuant to such exercise shall be accompanied by corresponding Parent Rights or such similar securities.

(f) Certificates for Common Stock delivered at the closing described in Section 3(c) hereof shall be endorsed with a restrictive legend which shall read substantially as follows:

"The transfer of the shares represented by this certificate is subject to resale restrictions arising under the Securities Act of 1933, as amended. The shares represented by this certificate are also subject to repurchase by the Issuer pursuant to the Stock Option Agreement dated as of October 15, 2000, a copy of which agreement may be obtained upon request from the Issuer."

It is understood and agreed that the above legend shall be removed by delivery of substitute certificate(s) without this reference (i) if the Company shall have delivered to Parent a copy of a no-action letter from the staff of the Securities and Exchange Commission, or a written opinion of counsel, in form and substance reasonably satisfactory to Parent, to the effect that such legend is not required for purposes of, or resale may be effected pursuant to an exemption from registration under, the Securities Act or (ii) in connection with any sale registered under the Securities Act. In addition, these certificates shall bear any other legend as may be required by applicable law.

(g) At any time following the exercise by the Company of the Stock Option, Parent shall have the right, within 5 business days after written notice to the Company, to purchase for cash all of the Option Shares received by the Company pursuant to this Agreement at a purchase price per share equal to the higher of (x) the Alternative Exercise Price or (y) the Average Market Price. At any closing pursuant to this Section 3(g), Parent shall make payment to the Company of the aggregate purchase price for the Option Shares to be purchased and the Company shall deliver to Parent a certificate representing the purchased Option Shares.

Section 4. Representations and Warranties of Parent. Parent hereby represents and warrants to the Company as follows:

(a) Parent is a corporation duly incorporated, validly existing and in good standing under the laws of the State of Delaware. The execution, delivery and performance by Parent of this Agreement and the consummation by Parent of the transactions contemplated hereby (i) are within Parent's corporate powers, (ii) have been duly authorized by all necessary corporate action, (iii) require no action by or in respect of, or filing with, any governmental body, agency or official, except for compliance with any applicable requirements of the HSR Act, the Exchange Act, the Securities Act, and laws, rules and regulations in foreign jurisdictions governing antitrust or merger control matters (iv) assuming compliance with the matters referred to in clause (iii), do not contravene, or constitute a violation of, any provision of applicable law or regulation or of the certificate of incorporation or by-laws of Parent or of any judgment, injunction, order or decree binding upon Parent or any of its Subsidiaries, (v) do not and will not constitute a default under or give rise to a right of termination, cancellation or acceleration of any right or obligation of Parent or any of its Subsidiaries or to a loss of any benefit to which Parent or any of its Subsidiaries is entitled under any provision of any agreement, contract or other instrument binding upon Parent or any of its Subsidiaries or any license, franchise, permit or other similar authorization held by Parent or any of its Subsidiaries, and (vi) do not and will not result in the creation or imposition of any Lien on any asset of Parent or any of its Subsidiaries, except for such contraventions, conflicts or violations referred to in clause (iv) or defaults, rights of termination, cancellation or acceleration, or losses or Liens referred to in clauses (v) and (vi) that would not, individually or in the aggregate, have a Material Adverse Effect on Parent. This Agreement has been duly executed and delivered by Parent and constitutes a valid and binding agreement of Parent.

(b) Parent has taken all necessary corporate action to authorize and reserve and to permit it to issue, and at all times from the date hereof until such time as the obligation to deliver

Option Shares upon the exercise of the Stock Option terminates, will have reserved for issuance upon any exercise of the Stock Option, the number of Option Shares subject to the Stock Option (less the number of Option Shares previously issued upon any partial exercise of the Stock Option). All of the Option Shares to be issued pursuant to the Stock Option have been duly authorized and, upon issuance and delivery thereof pursuant to this Agreement, will be duly authorized, validly issued, fully paid and nonassessable, and will be delivered free and clear of all claims, liens, charges, encumbrances and security interests (other than those created by this Agreement). Option Shares issued upon exercise of the Stock Option will not be subject to any preemptive or similar rights. The Board of Directors of Parent has resolved to, and Parent promptly after execution of this Agreement will, take all necessary action to render the Parent Rights Agreement inapplicable to the grant or exercise of the Stock Option and the transactions contemplated hereby. The Board of Directors of Parent has (i) taken all necessary action to render section 203 of the Delaware Law, or any other antitakeover statute or similar statute or regulation inapplicable to the acquisition of the Option Shares pursuant to this Agreement, and (ii) has resolved to, and promptly after the execution of this Agreement will, take all necessary action to render the supermajority voting provisions of Article VII of Parent's Certificate of Incorporation inapplicable to the acquisition of the Option Shares pursuant to this Agreement.

Section 5. Representations and Warranties of the Company. The Company hereby represents and warrants to Parent as follows: The Company is a corporation duly incorporated, validly existing and in good standing under the laws of the State of Delaware. The execution, delivery and performance by the Company of this Agreement and the consummation of the transactions contemplated hereby (i) are within the Company's corporate powers and (ii) have been duly authorized by all necessary corporate action. The Option Shares acquired by the Company upon the exercise of the Stock Option will not be, and the Stock Option is not being, acquired by the Company with the intention of making a public distribution thereof. Neither the Stock Option nor the Option Shares acquired upon exercise of the Stock Option will be sold or otherwise disposed of by the Company except in compliance with the Securities Act. This agreement has been duly executed and delivered by the Company and constitutes a valid and binding agreement of the Company.

Section 6. Adjustment upon Changes in Capitalization or Merger.

(a) In the event of any change in the outstanding shares of Common Stock by reason of a stock dividend, stock split, reverse stock split, split-up, merger, consolidation, recapitalization, combination, conversion, exchange of shares, extraordinary or liquidating dividend or similar transaction which would affect the Company's rights hereunder, the type and number of shares or securities purchasable upon the exercise of the Stock Option and the Exercise Price shall be adjusted appropriately, and proper provision will be made in the agreements governing such transaction, as shall fully preserve the economic benefits provided hereunder to the Company and the full satisfaction of Parent's obligations hereunder. In no event shall the number of shares of Common Stock subject to the Stock Option exceed 19.9% of the number of shares of Common Stock issued and outstanding at the time of exercise (without giving effect to any shares subject or issued pursuant to the Stock Option).

(b) Without limiting the foregoing, whenever the number of Option Shares purchasable upon exercise of the Stock Option is adjusted as provided in this Section 6, the Exercise Price shall be adjusted by multiplying the Exercise Price by a fraction, the numerator of which is equal to the number of Option Shares purchasable prior to the adjustment and the denominator of which is equal to the number of Option Shares purchasable after the adjustment.

(c) Without limiting or altering the parties' rights and obligations under the Merger Agreement, in the event that Parent enters into an agreement (i) to consolidate with or merge into any Person, other than the Company or one of its Subsidiaries, and Parent will not be the continuing or surviving corporation in such consolidation or merger, (ii) to permit any Person, other than the Company or one of its Subsidiaries, to merge into Parent and Parent will be the continuing or surviving corporation, but in connection with such merger, the shares of Common Stock outstanding immediately prior to the consummation of such merger will be changed into or exchanged for stock or other securities of Parent or any other Person or cash or any other property, or the shares of Common Stock outstanding immediately prior to the consummation of such merger will, after such merger, represent less than 50% of the outstanding voting securities of the merged company, or (iii) to sell or otherwise transfer all or substantially all of its assets to any Person, other than the Company or one of its Subsidiaries, then, and in each such case, the agreement governing such transaction will make proper provision so that the Stock Option will, upon the consummation of any such transaction and upon the terms and conditions set forth herein, be converted into, or exchanged for, an option with identical terms appropriately adjusted to acquire the number and class of shares or other securities or property that the Company would have received in respect of Option Shares had the Stock Option been exercised immediately prior to such consolidation, merger, sale or transfer or the record date therefor, as applicable, and shall make any other necessary adjustments. Parent shall take such steps in connection with such consolidation, merger, liquidation or other such transaction as may be reasonably necessary to assure that the provisions hereof shall thereafter apply as nearly as possible to any securities or property thereafter deliverable upon exercise of the Stock Option.

Section 7. Further Assurances; Remedies.

(a) Parent agrees to maintain, free from preemptive rights, sufficient authorized but unissued or treasury shares of Common Stock so that the Stock Option may be fully exercised without additional authorization of Common Stock after giving effect to all other options, warrants, convertible securities and other rights of third parties to purchase shares of Common Stock from Parent, and to issue the appropriate number of shares of Common Stock pursuant to the terms of this Agreement. All of the Option Shares to be issued pursuant to the Stock Option, upon issuance and delivery thereof pursuant to this Agreement, will be duly authorized, validly issued, fully paid and non-assessable, and will be delivered free and clear of all claims, liens, charges, encumbrances and security interests (other than those created by this Agreement).

(b) Parent agrees not to avoid or seek to avoid (whether by charter amendment or through reorganization, consolidation, merger, issuance of rights, dissolution or sale of assets, or by any other voluntary act) the observance or performance of any of the covenants, agreements or conditions to be observed or performed hereunder by Parent.

(c) Parent agrees that promptly after the occurrence of a Parent Trigger Event it shall take all actions as may from time to time be required (including (i) complying with all applicable premerger notification, reporting and waiting period requirements under the HSR Act and (ii) in the event that prior notification to or approval of any other regulatory authority in the United States or elsewhere is necessary before the Stock Option may be exercised, complying with its obligations thereunder and cooperating with the Company in preparing and processing the required notices or applications) in order to permit the Company to exercise the Stock Option and purchase Option Shares pursuant to such exercise.

(d) The parties agree that the Company would be irreparably damaged if for any reason Parent failed to issue any of the Option Shares (or other securities or property deliverable pursuant to Section 6 hereof) upon exercise of the Stock Option or to perform any of its other obligations under this Agreement, and that the Company would not have an adequate remedy at law for money damages in such event. Accordingly, the Company shall be entitled to specific performance and injunctive and other equitable relief to enforce the performance of this Agreement by Parent. Accordingly, if the Company should institute an action or proceeding seeking specific enforcement of the provisions hereof, Parent hereby waives the claim or defense that Parent has an adequate remedy at law and hereby agrees not to assert in any such action or proceeding the claim or defense that such a remedy at law exists. Parent further agrees to waive any requirements for the securing or posting of any bond in connection with obtaining any such equitable relief. This provision is without prejudice to any other rights that the Company may have against Parent for any failure to perform its obligations under this Agreement.

Section 8. Listing of Option Shares. Promptly after the occurrence of a Parent Trigger Event and from time to time thereafter if necessary, Parent will apply to list all of the Option Shares subject to the Stock Option on the NYSE and will use its reasonable best efforts to obtain approval of such listing as soon as practicable.

Section 9. Registration of the Option Shares.

(a) If, within two years of the exercise of the Stock Option, the Company requests Parent in writing to register under the Securities Act any of the Option Shares received by the Company hereunder, Parent will use its reasonable best efforts to cause the offering of the Option Shares so specified in such request to be registered as soon as practicable so as to permit the sale or other distribution by the Company of the Option Shares specified in its request (and to keep such registration in effect for a period of at least 90 days), and in connection therewith Parent shall prepare and file as promptly as reasonably possible (but in no event later than 60 days from receipt of the Company's request) a registration statement under the Securities Act to effect such registration on an appropriate form, which would permit the sale of the Option Shares by the Company in accordance with the plan of disposition specified by the Company in its request. Parent shall not be obligated to make effective more than two registration statements pursuant to the foregoing sentence; provided, however, that Parent may postpone the filing of a registration statement relating to a registration request by the Company under this Section 9 for a period of time (not in excess of 90 days) if in Parent's reasonable, good faith judgment (i) such filing would require the disclosure of material information that Parent has a bona fide business purpose

for preserving as confidential or (ii) the sale of Option Shares by the Company would materially interfere with any pending or anticipated acquisition, financing or transaction involving Parent or its Subsidiaries (but in no event shall Parent exercise such postponement right more than once in any twelve-month period).

(b) Parent shall notify the Company in writing not less than 10 days prior to filing a registration statement under the Securities Act (other than a filing on Form S-4 or S-8 or any successor form) with respect to any shares of Common Stock. If the Company wishes to have any portion of its Option Shares included in such registration, it shall advise Parent in writing to that effect within two business days following receipt of such notice, and Parent will thereupon include the number of Option Shares indicated by the Company in such registration; provided that if the managing underwriter(s) of the offering pursuant to such registration statement advise Parent that in their opinion the number of shares of Common Stock requested to be included in such registration exceeds the number which can be sold in such offering, Parent shall only include in such registration such number or dollar amount of Option Shares which, in the good faith opinion of the managing underwriter(s), can be sold without materially and adversely affecting such offering.

(c) All expenses relating to or in connection with any registration contemplated under this Section 9 and the transactions contemplated thereby (including all filing, printing, reasonable professional, roadshow and other fees and expenses relating thereto) will be at Parent's expense except for underwriting discounts or commissions and brokers' fees. The Company and Parent agree to enter into a customary underwriting agreement with underwriters upon such terms and conditions as are customarily contained in underwriting agreements with respect to secondary distributions. Parent shall indemnify the Company, its officers, directors, agents, other controlling persons and any underwriters retained by the Company in connection with such sale of such Option Shares in the customary way, and shall agree to customary contribution provisions with such persons, with respect to claims, damages, losses and liabilities (and any expenses relating thereto) arising (or to which the Company, its officers, directors, agents, other controlling persons or underwriters may be subject) in connection with any such offer or sale under the federal securities laws or otherwise, except for information furnished in writing by the Company or its underwriters to Parent. The Company and its underwriters, respectively, shall indemnify Parent to the same extent with respect to information furnished in writing to Parent by the Company and such underwriters, respectively.

Section 10. Miscellaneous.

(a) Extension of Exercise Periods. The periods during which the Company may exercise its rights under Sections 2 and 3 hereof, or Parent may exercise its rights under Section 2(g), shall be extended in each such case at the request of the Company to the extent necessary to avoid liability by the Company under Section 16(b) of the Exchange Act by reason of such exercise.

(b) Amendments; Entire Agreement. This Agreement may not be modified, amended, altered or supplemented, except upon the execution and delivery of a written

agreement executed by the parties hereto. This Agreement, together with the Merger Agreement (including any exhibits and schedules thereto), contains the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes all prior and contemporaneous agreements and understandings, oral or written, with respect to such transactions.

(d) Expenses. Each party hereto shall pay its own expenses incurred in connection with this Agreement, except as otherwise specifically provided herein and without limiting anything contained in the Merger Agreement.

(e) Severability. If any term, provision, covenant or restriction of this Agreement is held to be invalid, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions of this Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated.

(f) Governing Law; Jurisdiction. This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware without regard to principles of conflicts of law. Any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the transactions contemplated

hereby may be brought in any federal or state court located in the State of Delaware, and each of the parties hereby consents to the jurisdiction of such courts (and of the appropriate appellate courts therefrom) in any such suit, action or proceeding and irrevocably waives, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of the venue of any such suit, action or proceeding in any such court or that any such suit, action or proceeding which is brought in any such court has been brought in an inconvenient forum. Process in any such suit, action or proceeding may be served on any party anywhere in the world, whether within or without the jurisdiction of any such court. Without limiting the foregoing, each party agrees that service of process on such party as provided in Section 10(c) hereof shall be deemed effective service of process on such party.

(g) Waiver of Jury Trial. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

(h) Counterparts. This Agreement may be executed in two or more

counterparts, each of which shall be an original, but all of which together shall constitute one and the same agreement.

(i) Headings. The section headings herein are for convenience

only and shall not affect the construction hereof.

(j) Assignment. This Agreement shall be binding upon each party hereto and such party's successors and assigns. This Agreement shall not be assignable by Parent, but may be assigned by the Company in whole or in part to any direct or indirect wholly-owned subsidiary of the Company, provided that the Company shall remain liable for any obligations so assigned.

(k) Survival. All representations, warranties and covenants contained herein shall survive the execution and delivery of this Agreement and the consummation of the transactions contemplated hereby.

(l) Time of the Essence. The parties agree that time shall be of the

essence in the performance of obligations hereunder.

(m) Public Announcement. Parent and the Company will consult with each other before issuing any press release or making any public statement with respect to this Agreement and the transactions contemplated hereby and shall not issue any such press release or make any such public statement without the prior consent of the other party, which shall not be unreasonably withheld. Notwithstanding the foregoing, any such press release or public statement as may be required by applicable law or any listing agreement with any national securities exchange, may be issued prior to such consultation, if the party making such release or statement has used its reasonable efforts to consult with the other party.

Section 11. Profit Limitation.

(a) Notwithstanding any other provision of this Agreement or the Merger Agreement, in no event shall the Company's Total Profit (as defined below) exceed \$1,100,000,000 (the "Maximum Amount") and, if it otherwise would exceed such Maximum Amount, the Company at its sole election may (i) pay cash to Parent, (ii) deliver to Parent for cancellation Option Shares previously purchased by the Company, or (iii) any combination thereof, so that the Company's actually realized Total Profit (as defined below) shall not exceed the Maximum Amount after taking into account the foregoing actions.

(b) Notwithstanding any other provision of this Agreement, the Stock Option may not be exercised for a number of Option Shares as would, as of the date of the Stock Exercise Notice or Cash Exercise Notice, as applicable, result in a Notional Total Profit (as defined below) of more than the Maximum Amount and, if exercise of the Stock Option otherwise would result in the Notional Total Profit exceeding such amount, the Company, at its discretion, may (in addition to any of the actions specified in Section 11(a) above) increase the Exercise Price for that number of Option Shares set forth in the Stock Exercise Notice or Cash Exercise Notice, as applicable, so that the Notional Total Profit shall not exceed the Maximum Amount; provided, that nothing in this sentence shall restrict any exercise of the Stock Option permitted hereby on any subsequent date at the Exercise Price set forth in Section 2 hereof.

(c) As used herein, the term "Total Profit" shall mean the aggregate amount (before taxes) of the following: (i) the cash amount actually received by the Company pursuant to Section 10.6 of the Merger Agreement less any repayment by the Company to Parent pursuant to Section 11(a)(i) hereof, (ii) (x) the net cash amounts or the fair market value of any property received by the Company pursuant to the sale of Option Shares (or of any other securities into or for which such Option Shares are converted or exchanged), less (y) the Company's purchase price for such Option Shares (or other securities) plus (iii) the aggregate amounts received by the Company pursuant to Section 3(d).

(d) As used herein, the term "Notional Total Profit" with respect to any number of Option Shares as to which the Company may propose to exercise the Stock Option shall mean the Total Profit determined as of the date of the Stock Exercise Notice or Cash Exercise Notice, as applicable, assuming that the Stock Option was exercised on such date for such number of Option Shares and assuming that such Option Shares, together with all other Option Shares previously acquired upon exercise of the Stock Option and held by the Company and its affiliates as of such date, were sold for cash at the closing price on the NYSE for the Common Stock as of the close of business on the preceding trading day (less customary brokerage commissions).

IN WITNESS WHEREOF, the Company and Parent have caused this Agreement to be duly executed as of the day and year first above written.

CHEVRON AND TEXACO AGREE TO \$100 BILLION MERGER
CREATING TOP-TIER INTEGRATED ENERGY COMPANY

ChevronTexaco Corp. to achieve annual savings of at least \$1.2 billion
and create stronger, more competitive company

SAN FRANCISCO and NEW YORK (October 16, 2000) - Chevron Corporation [NYSE: CHV] and Texaco Inc. [NYSE: TX] today announced a merger that will create a company - ChevronTexaco Corporation - that ranks with the world's largest and most competitive international energy companies.

The merger joins two leading energy companies and long-time partners to create a U.S.-based, global enterprise that is highly competitive across all energy sectors. ChevronTexaco will have world-class upstream positions in reserves, production and exploration opportunities; an integrated, worldwide refining and marketing business; a global chemicals business; significant growth platforms in natural gas and power; and industry leading skills in technology innovation.

The combined company expects to achieve annual savings of at least \$1.2 billion within six to nine months of the merger's completion. The merger, to be accounted for as a pooling of interests, is expected to become accretive to the new company's earnings and cash flow per share upon realization of the savings. The company also expects to improve capital efficiency by funding the best growth opportunities of Chevron and Texaco, resulting in improved return on capital employed over time.

The new company will have reserves of 11.2 billion barrels of oil equivalent (BOE), daily production of 2.7 million BOE, assets of \$77 billion, and operations throughout the world. In the United States, ChevronTexaco will be the nation's third largest producer of oil and gas, with production of 1.1 million BOE per day, and will hold the nation's third largest reserve position, with 4.2 billion BOE of proved reserves.

In the merger, Texaco shareholders will receive .77 shares of Chevron common stock for each share of Texaco common stock they own, and Chevron shareholders will retain their existing shares. The exchange ratio represents approximately \$64.87 per Texaco share based on Chevron's closing stock price of \$84.25 on October 13, 2000. The exchange ratio represents an 18% premium based upon Texaco's closing share price on October 13, and a 25% premium based upon the two companies' average relative share prices during the 30-day period through October 13. As a result of the merger, Chevron shareholders will own approximately 61 percent of the combined equity, and Texaco shareholders will own about 39 percent. The combined company would have an enterprise value of more than \$100 billion.

Dave O'Reilly, Chevron chairman and chief executive officer, will serve as chairman and CEO of ChevronTexaco, which will be headquartered in San Francisco. Peter Bijur, Texaco chairman and CEO, will become a vice chairman of the combined company with responsibility for downstream, power and chemicals operations. Richard Matzke, Chevron vice chairman for upstream operations, will retain those responsibilities in the combined company. The composition of the ChevronTexaco Board of Directors will be approximately proportional to the equity split and will be drawn from current members of the Chevron and Texaco boards. Chevron Vice President and Chief Financial Officer John Watson and Texaco Senior Vice President and Chief Financial Officer Patrick Lynch will lead the integration process.

"This merger positions ChevronTexaco as a much stronger U.S.-based global energy producer better able to contribute to the nation's energy needs," said O'Reilly. "That's good news for the country because the United States will have an additional top-tier energy company better positioned to compete effectively with the international majors.

"ChevronTexaco," O'Reilly continued, "will create greater value for the shareholders of both companies. We'll be positioned for stronger financial

returns than could be achieved by either company separately, partly through significant cost reductions, but mainly because we'll have a much broader mix of quality assets, skills, and technology. We're committed to being first in our industry in total shareholder return, and this transaction will help us accomplish that objective."

Bijur said: "These two companies form a powerful combination that will have the strength and resources to compete and succeed around the globe. Texaco and Chevron are natural partners, whose historic relationship and operational fit are highly complementary. We know each other well, and we already have long, highly productive experience working together in both the upstream and downstream, giving us an advantage in integrating the companies.

"We also share common values including protection of the environment, active support for the communities where we operate, and promoting diversity and opportunity in our workforce and among our business partners," Bijur continued.

ChevronTexaco will be much stronger in several important respects:

- o Significant cost savings: The new company expects to reduce costs by at least \$1.2 billion per year within six to nine months of the merger's completion. The historic associations and strategic compatibility of Chevron and Texaco will enable rapid integration of the two companies. The most significant savings (approximately \$700 million) will come from more efficient exploration and production activities, but other areas will contribute as well, including some \$300 million from the consolidation of corporate functions and \$200 million from other operations. The companies anticipate that the combined workforce of about 57,000 will be reduced by approximately 7 percent worldwide. Anticipated cost savings build on both companies' track records of successfully achieving cost reductions.

- more -

- o Leadership position in upstream: The combined company will be a premier global upstream competitor, with a significantly enhanced leadership position in most of the world's major and emerging exploration and producing areas. ChevronTexaco will have world-class reserves and growth opportunities in both west Africa and the Caspian region, where, in the latter case, the new company will solidify its position as the largest producer. In addition, the combined company will have a superior exploration acreage position in the most promising deepwater areas in west Africa, Brazil and the U.S. Gulf of Mexico. The combination will significantly strengthen positions in core producing areas in North America and the North Sea. Further, the combination will create an outstanding portfolio of growth opportunities in Latin America and the Asia-Pacific region.
- o Worldwide downstream platform: ChevronTexaco will create a worldwide business built around the well-recognized, international brands: Chevron, Texaco and Caltex. By integrating the operations of Caltex, a 65-year international refining and marketing joint venture between Chevron and Texaco, the combined company will be able to realize efficiencies from streamlined decision-making and management. The merger also allows an enterprise approach to lubricants (including the well-known quality lubricants brands Havoline and Delo), trading, international markets and customers, and will expand on the existing fuels and marine marketing joint venture. In addition, the merger enables the new company to use its brand presence to help facilitate activities and new entries in the upstream, and in gas and power businesses in Asia, Latin America and Europe.
- o Strength and scale in chemicals: The chemicals business of the combined company consists of Chevron's recently formed 50/50 joint venture, Chevron Phillips Chemical Co. With more than \$6 billion in assets and \$6 billion in revenues, Chevron Phillips Chemical Co. has a strong, global position in olefins, polyolefins and aromatics.
- o Leadership position in power generation: Texaco's power and gasification business, with equity interests in 3,500 megawatts of power operating or under construction, and Chevron's 26 percent stake in Dynegy, Inc., give the combined company more options in the fast-growing power and energy convergence businesses.
- o Broad technology portfolio: The merger will strengthen the new company's leading technologies in its core businesses by bringing together specialized expertise from the two companies. The combined company will also have a broader portfolio in advanced technologies, e-business ventures and alternate energy, such as fuel cells and gas-to-liquids conversion.
- o Superior organizational capability: The capabilities of the new company will be strengthened by the combination of people from both Chevron and Texaco who have the diverse skills, talent and vast experience to compete successfully in an increasingly competitive industry. The merged company also gains an advantage with proven leadership in many facets of the global, integrated energy business and a track record of success in executing key strategies.

The merger is conditioned, among other things, on shareholder approval for both companies, pooling accounting treatment for the merger and regulatory approvals of government agencies such as the U.S. Federal Trade Commission. Chevron and Texaco anticipate that the FTC will require certain divestitures in the U.S. downstream in order to address market concentration issues, and the companies intend to cooperate with the FTC in this process. In that regard, Texaco is in discussions with its partners in the U.S. downstream.
